A Drift House Voyage Simon and Schuster

Connecting deeply with our kids can be difficult in our busy, technology-driven lives. Reading aloud offers us a chance to be fully present with our children. It also increases our kids' academic success, inspires compassion, and fortifies them with the inner strength they need to face life's challenges. As Sarah Mackenzie has found with her own six children, reading aloud long after kids are able to read to themselves can deepen relationships in a powerful way. Founder of the immensely popular Read-Aloud Revival podcast, Sarah knows first-hand how reading can change a child's life. In The Read-Aloud Family, she offers the inspiration and age-appropriate book lists you need to start a read-aloud movement in your own home. From a toddler's wonder to a teenager's resistance, Sarah details practical strategies to make reading aloud a meaningful family ritual. Reading aloud not only has the power to change a family—it has the power to change the world.

She has Gus—the guardian she was captured with. And she has a strange "guide" left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

Breathtaking action and romance continue in the sequel to the epic *Let the Sky Fall*, from the author of the New York Times and USA TODAY bestselling *Keeper of the Lost Cities* series. Vane Weston is haunted.

By the searing pull of his bond to Audra. By the lies he's told to cover for her disappearance. By the treacherous winds that slip into his mind, trying to trap him in his worst nightmares. Even from Vane, who she doesn't believe she deserves. And the farther she flees, the more danger she finds. She possesses the secret power her enemy craves, and protecting it might be more than she can handle—especially when she discovers Raiden's newest weapon.
