The Official Theory Test for Car Drivers and Motorcyclists

The Stationery Office

Updated for 2019. Practice the Theory Test questions with this easy to use theory test book. This book contains mock multiple choice questions to help prepare for the real car driving theory test, along with the answers. The best way to prepare and ensure that you pass the official theory test first time is to practice the questions until you get every one right. The book includes questions from all 14 topics of the theory test, which are based off the Highway Code. Each question is multiple choice, meaning there is only one correct answer out of four possible choices. An effective way to use this book is to highlight each of your answers as you go along, and then check them at the end.

Official DSA Theory Test for Car Drivers and the Official Highway Code Virgin Books Limited

The Theory Test and The Highway Code is essential reading for every learner driver."

The Official DVSA Guide to Driving

The driving test reaches its 80th anniversary in 2015, and this commemorative edition of the Highway Code is a celebration of that milestone in British road safety. Updated for 2015, The Official Highway Code is essential reading for all road users in England, Scotland and Wales, providing all the latest rules of the road and traffic signs. All road users have a responsibility to keep their knowledge up-to-date, so make sure you do just that with the latest edition of this handy reference guide. Every day, on average, five people are killed and 60 people are seriously injured on our roads. If we're to bring those figures down, it's vital that all road users - drivers, motorcyclists, cyclists, horse riders and pedestrians - are familiar with all the rules in The Official Highway Code. This 2015 edition includes the new drug-driving laws, HGV speed limit changes on single and dual carriageways in England and Wales, updated drink-driving limits in Scotland and general rule changes. The Highway Code is available in just about any format you can think of and is constantly updated to reflect changes in technology, understanding and the law. Please continue to read it - not just as a learner driver, but as a responsible lifelong road user - so we can keep Britain's roads among the safest in the world.

The Official Theory Test for Cars

An updated edition of the Theory Test book with an expanded question-bank. It includes the test-yourself format, explanations for all the correct answers, advice on safe driving practice, a sample question paper, and guidance on how, when and where to take the actual test.
