A Personal History of a Lost Land Hogarth

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay’s The J. B. Petit Girls’ High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio’s Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: “A star is born.” Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes’ Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like ‘Kora Kagaz’ and ‘Palash ke Phool’ and programmes like ‘Baaje Paayal’. Currently she has chosen to retire from acting, but adds, “Never say never.” She lives by the famed Juhu shoreline in Mumbai.

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," The Book of Strange New Things is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their “book of strange new things.” But Peter is rattled when Bea’s letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea’s faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made The Crimson Petal and the White such an international success, The Book of Strange New Things is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani, champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, Those Pricey Thakur Girls is rom-com specialist Anuja Chauhan writing at her sparkling best.

The bestseller behind the major film from Ridley Scott, starring Matt Damon and Jessica Chastain. I'm stranded on Mars. I have no way to communicate with Earth. I'm in a Habitat designed to last 31 days. If the Oxygenator breaks down, I'll suffocate. If the Water Reclaimer breaks down, I'll die of thirst. If the Hab breaches, I'll just kind of explode. If none of those things happen, I'll eventually run out of food and starve to death. So yeah. I'm screwed.

The Second Novel of Miss Peregrine's Peculiar Children Om Books International

From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they

performed a ‘‘punk prayer’’ beseeching the ‘‘Mother of God’’ to ‘‘get rid of Putin.’’ They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen’s riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

*Achchha Bolne Ki Kala Aur Kamyabi* First Second

As ancient as agriculture itself, plant breeding is one of civilization’s oldest activities. Today, world food production is more dependent than ever on the successful cultivation of only a handful of major crops, while continuing advances in agriculture rely on successfully breeding new varieties that are well-adapted to their human-influenced ecological circumstances. Plant breeding involves elements of both natural and cultural selection—a process which operates on individual plants and on plant populations. This book offers the most recent detailed knowledge of plant reproduction and their environmental interaction, which can help guide new breeding programs and help insure continuing progress in providing more food for growing populations produced with better care of the environment.

This book reveals that the way we perceive sex robots is how we perceive ourselves, overcoming the false human/non-human binary. From Greek myths, to the film Ex Machina, to Japanese technology, non-human sexuality has been at the heart of culture. In Sex Robots, the history of this culture is explored. This text sheds new light on what the sex robot represents and signifies, examining its philosophical implications within the context of today’s society. This volume will be of interest to scholars of technology, cultural studies, the social sciences and philosophy.
