English Romantic Poets New York : Columbia University Press  
First published fifty years ago, *A Glossary of Literary Terms* remains an essential text for all serious students of literature.

*A Glossary of Literary Terms* Holt McDougal

This bestselling brief text is for anyone who needs tips to improve writing. *Writing with Style* is storehouse of practical writing tips—written in a lively, conversational style. This text provides insight into: how to generate interesting ideas and get them down on paper; how to write a critical analysis; how to write a crisp opener; how to invigorate a dull style; how to punctuate with confidence; how to handle various conventions—and much more.

*The Ascetic Imperative in Culture and Criticism* W. W. Norton

Violent rabbis, lovelorn wives, a busy Grim Reaper, shame-filled simians, and one seriously angry deity populate this humorous and disquieting collection. Shalom Auslander's stories in *Beware of God* have the mysterious punch of a dream. They are wide ranging and inventive: A young Jewish man's inexplicable transformation into a very large, blond, tattooed goy ends with a Talmudic argument over whether or not his father can beat his unclean son with a copy of the Talmud. A pious man having a near-death experience discovers that God is actually a chicken, and he's forced to reconsider his life -- and his diet. At God's insistence, Leo Schwartzman searches Home Depot for supplies for an ark. And a young boy mistakes Holocaust Remembrance Day as emergency preparedness training for the future. Auslander draws upon his upbringing in an Orthodox Jewish community in New York State to craft stories that are filled with shame, sex, God, and death, but also manage to be wickedly funny and poignant.

In this bold interdisciplinary work, Geoffrey Galt Harpham argues that asceticism has played a major role in shaping Western ideas of the body, writing, ethics, and aesthetics. He suggests that we consider the ascetic as "the 'cultural' element in culture," and presents a close analysis of works by Athanasius, Augustine, Matthias, Grünewald, Nietzsche, Foucault, and other thinkers as proof of the extent of asceticism's resources. Harpham demonstrates the usefulness of his findings by deriving from asceticism a "discourse of resistance," a code of interpretation ultimately more generous and humane than those currently available to us.

Princeton University Press

Joseph Conrad has traditionally been seen as a master - a master

mariner, master storyteller, master of the secrets of the human heart, master of fictional technique. Recently, however, these compliments have given way to charges that Conrad is complicit in the various masteries associated with racism, imperialism, and the patriarchy. In this book, Geoffrey Galt Harpham inquires not only into Conrad's work and reputation, but also into the idea of mastery as such.

**A Critical History of English Literature** W. W. Norton & Company
