**Hangman Game**

Hangman is a simple word guessing game. Players try to figure out an unknown word by guessing letters. If too many letters that do not appear in the word are guessed, the player is hanged. Set up the game by drawing a gallows and a underline for each letter in the unknown word. As letters in the word are guessed, write them above the corresponding underline. If a letter not in the word is guess, draw a picture of a person on the gallows-one part for each incorrect letter guess. Most frequently, the person is drawn in 6 parts (for 6 letter guesses) in the order: head, body, left leg, right leg, left arm, right arm.
