From the New York

Times bestselling author of ASYLUM comes one woman's story as she blogs - and fights back - the zombie apocalypse Allison Hewitt and her five colleagues at the Brooks and Peabody

Bookstore are trapped together when the zombie outbreak hits. Allison reaches out for help through her blog, writing on her laptop and utilizing the military's emergency wireless network (SNET). It may also be her only chance to reach her mother. But as the reality of their situation sinks in, Allison's blog becomes a harrowing account of her edge-of-the-seat adventures (with some witty sarcasm thrown in) as she and her companions fight their way through ravenous zombies and sometimes even more dangerous humans. "Madeline Roux manages to answer the eternal question all of us must ask ourselves eventually: "When the zombie apocalypse comes (and it will

come), how will I handle it?" For my part, I hope I manage it with as much humanity and determination as Allison. But I would like to make a request for bigger weapons." -- Christine Warren, New York Times bestselling author of *The Others* series
Gilded Cage Harper Collins
 Lisa Kleypas says "nobody does it better" than USA Today bestselling author Elizabeth Bevarly. Find out why in this rich, emotional new novel...
 Once upon a time, in Manitou Hills, there was a home so radiant and vivacious it was christened with its own name: Fleurissant. Now it's in ruins, forgotten and neglected-except by a woman who sees her own life reflected in the broken windows

of that house on Butterfly Way... As a child, from afar, Eugenie Dashner loved Fleurissant and the elegant, youthful fantasies it provided. Now, with a failed marriage behind her, a troubled son at her side, and a contentious and bitter mother to care for, Eugenie returns to the Louisville neighborhood of Manitou Hills to fulfill a dream: buy and renovate the house that once meant so much to her, and maybe, in the process, rebuild her own life. Day by day, as the house reveals more and more of its forgotten beauty, Eugenie sees her dream come to fruition-especially when the attentions of two men help to reawaken in her

feelings of romance and passion she thought were gone forever. As she navigates her rediscovered emotions, Eugenie comes to realize that there is no such thing as irreparable damage-not in herself, not in the house on Butterfly Way, and not in the family who now calls it home...

MAGIC RULES. WE SERVE. In a darkly fantastical debut set in modern-day Britain, magic users control everything: wealth, politics, power—and you. If you're not one of the ultimate one-percenters—the magical elite—you owe them ten years of service. Do those years when you're old, and

you'll never get through them. Do them young, and you'll never get over them. This is the darkly decadent world of Gilded Cage. In its glittering milieu move the all-powerful Jardines and the everyday Hadleys. The families have only one thing in common: Each has three children. But their destinies entwine when one family enters the service of the other. They will all discover whether any magic is more powerful than the human spirit. Have a quick ten years. . . . Look for all three books in the mesmerizing Dark Gifts trilogy: GILDED CAGE • TARNISHED CITY • BRIGHT RUIN Praise for Gilded Cage “Beautifully characterised and compellingly plotted, Gilded Cage is an

impressive debut.”—The Guardian “Exquisitely wicked . . . a lavishly opulent, yet brutally vivid, alternate England which subtly questions modern beliefs . . . If ever there was a speculative fiction book that captured the zeitgeist of an era this is it.”—SFFWorld “An alternate modern-day England where enticing drama and social unrest mix with aristocratic scandal and glamorous magic . . . conjuring up the specters of *Les Misérables* and *Downton Abbey* . . . an absorbing first installment that presages an intriguing new fantasy series.”—Kirkus Reviews “Gilded Cage is a heart-pounding combination of dark magic, political

revolution, and forbidden romance that had me addicted from the first page!”—Danielle L. Jensen, USA Today bestselling author of *The Malediction Trilogy* “Devious and deliciously dark with lashings of magic, mystery, and mayhem, this juggernaut of a book will keep you hanging on by your fingernails until the very last page.”—Taran Matharu, New York Times bestselling author of the *Summoner* series “A dark and intriguing vision of an alternate, magic-drenched Britain, *Gilded Cage* kept me up long into the night.”—Alette de Bodard, author of *The House of Shattered Wings* [Frost Burned](#) Simon and Schuster

“Quinn explores the allures and idiosyncrasies of aristocratic life with wit and charm reminiscent of Jane Austen. This intelligent romance gets the series off to a promising start.”

Boneshaker Avon
Dear Avon Books,
Where are my heroes?
Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from *Someone to Watch Over Me* by Lisa Kleypas...that doctor could sit by my bedside if I ever got sick. And Ned Blydon in *Splendid* by Julia Quinn...he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until Simon of Ravenswood in *Master of Desire* by Kinley MacGregor came along. Anyway, I

just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan
Some books are so special that there is more than one hero to love, but only a single story is told. So if you find yourself asking, "Where is my hero?" you'll discover the answer right here in this delicious collection by New York Times bestseller Lisa Kleypas, New York Times bestseller Julia Quinn and USA Today bestseller Kinley MacGregor.
