The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

A top performance expert reveals the secret behind many top athletes and executives: creating a heroic alter ego to activate when the chips are down. There's only one person in the way of you untapping your potential: You. There's also one person who can move you out of the way so you can perform at your peak. That person is already inside you. You just need to unlock them. This other part of you is your Alter Ego. After twenty-one years of working with elite athletes, performers and leaders, Todd Herman has discovered how you can use your alter ego to achieve the seemingly impossible. It all clicked for Todd when he met Bo Jackson. When Herman met Bo Jackson, the professional athlete told him, "Bo Jackson never played a down of football in his entire life." Bo explained that when he was young, he'd get into trouble

because chaos caused by his anger issues. Then, he saw Friday the 13th and became fascinated by the cold, calculating nature of Jason Vorhees. In that moment, he resolved to stop being Bo Jackson, and start being Jason the moment he stepped on the field. In this transformative guide, Herman teaches you how to create and control an Alter Ego like Bo—and the thousands of other athletes, business leaders, entrepreneurs, and entertainers who have used this simple tool to change their lives. Herman also shares his own story: he knew that inside was a confident, self-assured, intelligent person who could help others get better results in their lives. When he started using superman's classic trick—putting on a pair of glasses—he learned to trigger the specific traits he needed to achieve his goals. The Alter Ego Effect is not about creating a false mask—it's about finding the hero already inside you. It's a proven way of overcoming the self-doubt, negativity, and insecurity that hold you back, and empowering you to ultimately become your best self.
