WINNER, 2013 Hugo  
Award for Best Novella!  
From #1 New York  
Times bestselling  
author Brandon

Sanderson, The  
Emperor's Soul  
showcases a  
fascinating magic  
system as the clock  
ticks down for a  
condemned criminal.  
When Shai is caught  
replacing the Moon  
Scepter with her nearly  
flawless forgery, she

must bargain for her life. An assassin has left the Emperor Ashrahan without consciousness, a circumstance concealed only by the death of his wife. If the emperor does not emerge after his hundred-day mourning period, the rule of the Heritage Faction will be forfeit and the empire will fall into chaos. Shai is given an impossible task: to create—to Forge—a new soul for the emperor in less than one hundred days. But her soul-Forgery is considered an abomination by her captors. She is confined to a tiny, dirty chamber, guarded by a man who hates her, spied upon by politicians, and trapped behind a door sealed in her own blood. Shai's only possible ally is the

emperor's most loyal councillor, Gaotona, who struggles to understand her true talent. Time is running out for Shai. Forging, while deducing the motivations of her captors, she needs a perfect plan to escape... -----  
 - "Sanderson proves to be an exceptionally talented writer in the pages of this book. Complex as some of the background is, he never gets bogged down filling in details for the reader. Instead we learn everything we need seamlessly as the story unfolds. His prose is lyrical without ever getting in its own way ... His characters are fascinating and fully realized. ... The Emperor's Soul is one of those rare high fantasies that feels fresh and is filled with

a sense of wonder.”

The #1 New York

Times bestseller and sequel to Steelheart from Brandon Sanderson, the author of Oathbringer, coauthor of Robert Jordan's The Wheel of Time series, and creator of the internationally bestselling Mistborn trilogy, presents the second book in the Reckoners series: Firefight. And don't miss Calamity, the exciting conclusion to the Reckoners series! Newcago is free. They told David it was impossible, that even the Reckoners had never killed a High Epic. Yet Steelheart--invincible, immortal, unconquerable--is dead. And he died by David's hand. Eliminating Steelheart was supposed to make life simpler. Instead, it only made David

realize he has questions. Big ones. And no one in Newcago can give him answers. Babylon Restored, the city formerly known as the borough of Manhattan, has possibilities, though. Ruled by the mysterious High Epic Regalia, Babylon Restored is flooded and miserable, but David is sure it's the path that will lead him to what he needs to find. Entering a city oppressed by a High Epic despot is risky, but David's willing to take the gamble. Because killing Steelheart left a hole in David's heart. A hole where his thirst for vengeance once lived. Somehow, he filled that hole with another Epic-Firefight. And now he will go on a quest darker and even more

dangerous than the fight against Steelheart to find her, and to get his answers. This volume is the second half of the novel *Oathbringer*. In *Oathbringer*, the third volume of the *Stormlight Archive*

series, humanity faces a new Desolation with the return of the Voidbringers, a foe whose numbers are as great as their thirst for vengeance. The Alethi armies commanded by Dalinar Kholin won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, and now its destruction sweeps the world and its passing awakens the once peaceful and subservient parshmen to the true horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that their newly kindled anger may be wholly justified. Nestled in the

mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths the dark secrets lurking in its depths. And gradually realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put Dalinar's blood-soaked past aside and stand together and unless Dalinar himself can confront that past even the restoration of the Knights Radiant will not avert the end of civilization.

Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

 Fresh from winning the Hugo and Nebula Awards, Max Gladstone weaves elements of American myth—the muscle car, the open road, the white-hatted cowboy—into *Last Exit*, a deeply emotional tale where his characters must find their own truths if they are to survive. Ten years ago, Zelda led a band of merry adventurers whose knacks let them travel to alternate realities and battle the black rot that threatened to unmake each world. Zelda was the warrior; Ish could locate people anywhere; Ramon always knew what path to take; Sarah could turn catastrophe aside. Keeping them all connected: Sal, Zelda's lover and the group's heart. Until their final,

failed mission, when Sal was lost. When they all fell apart. Ten years on, Ish, Ramon, and Sarah are happy and successful. Zelda is alone, always traveling, destroying rot throughout the US. When it boils through the crack in the Liberty Bell, the rot gives Zelda proof that Sal is alive, trapped somewhere in the alts. Zelda's getting the band back together—plus Sal's young cousin June, who has a knack none of them have ever seen before. As relationships rekindle, the friends begin to believe they can find Sal and heal all the worlds. It's not going to be easy, but they've faced worse before. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war.

Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are

mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined.
