JAMIE LEWIS

Death in Venice Harper
Collins

A classic, controversial book exploring German culture and identity by the author of *Death in Venice* and *The Magic Mountain*, now back in print. When the Great War broke out in August 1914, Thomas Mann, like so many people on both sides of the conflict, was exhilarated. Finally, the era of decadence that he

had anatomized in *Death in Venice* had come to an end; finally, there was a cause worth fighting and even dying for, or, at least when it came to Mann himself, writing about. Mann immediately picked up his pen to compose a paean to the German cause. Soon after, his elder brother and lifelong rival, the novelist Heinrich Mann, responded with a no less determined denunciation. Thomas took it as an unforgivable stab in the back. The bitter dispute between the brothers would swell into

the strange, tortured, brilliant, sometimes perverse literary performance that is *Reflections of a Nonpolitical Man*, a book that Mann worked on and added to throughout the war and that bears an intimate relation to his postwar masterpiece *The Magic Mountain*. Wild and ungainly though Mann's reflections can be, they nonetheless constitute, as Mark Lilla demonstrates in a new introduction, a key meditation on the freedom of the artist and the distance between

literature and politics. The NYRB Classics edition includes two additional essays by Mann: “Thoughts in Wartime” (1914), translated by Mark Lilla and Cosima Mattner; and “On the German Republic” (1922), translated by Lawrence Rainey.

The Great Gatsby is a novel that needs no introduction for a certain generation of American readers. Long taught as

required reading in American schools, critics have consistently held it up alongside Moby Dick, Huck Finn, and To Kill a Mockingbird as perhaps the quintessential Great American Novel. Nick Carraway is a young Midwestern man freshly arrived in New York to make his fortune. He rents a shabby apartment in Long Island next door to a sumptuous mansion: the home of the mysterious and wealthy Jay Gatsby. Carraway spends time catching up with his distant cousin

Daisy and her industry-baron husband Tom before being invited to one of Gatsby’s wildly lavish weekend parties. There he meets Jordan, a flapper and a golf star, and an intricate web of romances and betrayals begins to unfold. The novel is a colorful study of America’s Jazz Age—a term said to be coined by Fitzgerald himself—complete with wealthy socialites living in hedonistic abandon, libertine flappers, jazz bands, roaring roadsters, and greasy speakeasies

populated with shady grifters. Contrasted against the glamorous lives of wealthy socialites is the entrenched lower class, who live in gray, dingy squalor among smoldering ash-heaps. Fitzgerald uses the setting to examine the American Dream: the idea that anyone in America can achieve success through hard work and dedication. Gatsby has spent his life reaching for his dream. Some say he's already achieved it. But has he? Is the dream even real for the hard-working poor

that Gatsby and Tom race past in their glittering cars on the way to the decadent city? Fitzgerald wrote much of his real life into the novel. Like Carraway, he was a Midwesterner educated at an Ivy-league school who went to live on Long Island. Despite his meager finances he hobnobbed with socialites, and spent his career struggling for money to maintain the grand style his romantic interests were accustomed to. The cover art, titled Celestial Eyes,

was commissioned from Francis Cugat, who completed it before the novel was finished. The huge eyes gazing down on the blazing city so moved Fitzgerald that he wrote them into the story. Fitzgerald saw the novel as a purely artistic work, free of the pulp pandering required by his shorter commissions—but despite that, contemporary reviews were mixed, and it sold poorly. Fitzgerald thought it a failure, and died believing the novel to be fatally obscure. Only during World War II did it

come back to the public consciousness, buoyed by the support of a ring of writers and critics and printed as an Armed Service Edition to be sent to soldiers on the front. Now it is an American classic.

Collected Stories House of Stratus Limited
You'll get through this. It won't be painless. It won't be quick. But God will use this mess for good. Don't be foolish or naïve. But don't despair either. With God's help, you'll get through this. You fear you won't make it through. We

all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In *You'll Get Through This*, pastor and New York Times best-selling author, Max Lucado offers sweet assurance. "Deliverance is to the Bible what jazz music is to Mardi Gras: bold, brassy, and everywhere." Max reminds readers God

doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph--tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed--but his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan

intends for evil, God redeems for good.

Royal Highness Good Press

THE BOOK: A selection of work taken from his highly acclaimed collection *Stories of a Lifetime* by one of the greatest writers of the 20th Century. In elegant prose, Mann explores such eternal themes as: individuals forced into the extremes of their existence, isolation and the artist's tentative position in the harsh world, the realization of one's true nature.

Ordinary Heroes Penguin

While fulfilling his dead father's dream of creating a prosperous farm in California, Joseph Wayne comes to believe that a magnificent tree on the farm embodies his father's spirit. His brothers and their families share in Joseph's prosperity and the farm flourishes - until one brother, scared by Joseph's pagan belief, kills the tree and brings

disease and famine on the farm. Set in familiar Steinbeck country, *TO A GOD UNKNOWN* is a mystical tale, exploring one man's attempt to control the forces of nature and to understand the ways of God.

The Chosen People and Its God Simon and Schuster
T.J. Reed's study has long established itself as the standard work in English on Thomas Mann, and offers as comprehensive a view of Mann's fiction and thought as is available in any language. It is based on a coherent close

reading of Mann's oeuvre, literary and political, and also on manuscripts and sources, and was part of the first phase of literary scholarship that opened up the resources of the Zurich Thomas Mann Archive. Further documents that have appeared since then - Mann's diaries, notebooks, and other correspondences - have not fundamentally altered the individual interpretations or the overall picture the study offers, and in some respects have

emphatically confirmed them. A further chapter added to this edition covers the new documentation, gives a vigorous account of the main currents in Mann scholarship and criticism over the last two decades suggesting how we should now see the writer, the man, and the political figure, and above all the complex relationship between the three.

The Magician Open Road + Grove/Atlantic
Within the context of the Torah, the Joseph story can be read as a

transition that explains why Jacob and his family came to Egypt. However, if one looks at other texts of the Hebrew Bible, there is no mention of the Joseph story; instead, the arrival of the Israelites is said to be the result of the decision of a "father" or of "fathers" to go down to Egypt. Indeed, there are very few references to Joseph at all in the whole Hebrew Bible. Apparently, the Joseph story is not necessary for explaining why the Israelites found themselves in Egypt. The question therefore arises:

Why was this story written, when, and for what audience? This volume offers an overview of the current discussion on the origins, composition, and historical contexts behind the Joseph narrative. There is a tendency to date the story (or its original version) to the Persian period, but this volume includes divergent voices about this issue. The volume also shows that scholarly discussion about the historical location of the Joseph story requires to bring

together Egyptologists and biblical scholars. A Novel Laxmi Publisher The award-winning author of *Founding Brothers* and *The Quartet* now gives us a deeply insightful examination of the relevance of the views of George Washington, Thomas Jefferson, James Madison, and John Adams to some of the most divisive issues in America today. The story of history is a ceaseless conversation between past and present, and in *American Dialogue* Joseph J. Ellis focuses the

conversation on the often-asked question "What would the Founding Fathers think?" He examines four of our most seminal historical figures through the prism of particular topics, using the perspective of the present to shed light on their views and, in turn, to make clear how their now centuries-old ideas illuminate the disturbing impasse of today's political conflicts. He discusses Jefferson and the issue of racism, Adams and the specter of economic inequality,

Washington and American imperialism, Madison and the doctrine of original intent. Through these juxtapositions--and in his hallmark dramatic and compelling narrative voice--Ellis illuminates the obstacles and pitfalls paralyzing contemporary discussions of these fundamentally important issues.

American Dialogue

HarperCollins

A new translation of the complete text of the tetralogy on the life of the biblical hero of Joseph includes The Stories of

Jacob, Young Joseph, Joseph in Egypt, and Joseph the Provider and follows Joseph from his early life and fall into slavery to his rise to power in Egypt.

Handbook of Electrical Installation Practice

Clarendon Press

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection

and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, *Cutting for Stone* is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined. *Thomas Mann* Penguin
In a story based on the Book of Genesis, Jacob's only daughter, Dinah, shares her unique perspective on the origins

of many of our modern religious practices and sexual politics, eager to impart the lessons in endurance and humanity she has learned from her father's wives. 45,000 first printing.

You'll Get Through This

Princeton University Press
 THE BOOK: As Germany dissolved into the nightmare of Nazism, Thomas Mann was at work on this epic recasting of the the great Bible story. Joseph, his brothers and his father Jacob, are at the prototypes of all humanity and their story is the story

of life itself. Mann has taken one of the great simple chronicles of literature and filled it with psychological scope and range: its men and women are not remote figures in the Book of Genesis, but founders of states in a fresh, realistic world akin to our own . Eros and Literature Knopf
 Famous for his novels, Thomas Mann is more accessible through the shorter fictions which span his entire career. The most famous of these stories is one of the earliest. Death in Venice

was made into the celebrated Visconti film, but all his mature preoccupations are present in this story: the need for a sense of meaning in existence, the relationship between life and art, the central role of sexual energy and the strange forms it can take, the place of death and disease, the importance of work, the individual's complex relations with his society and the dominant culture. These themes are developed in a series of brilliant stories, many of them very short and

displaying the author's talent for macabre comedy. Dr Faustus and Buddenbrooks are already available in Everyman The Revolutionary Generation Penguin UK The celebrated author, Gustave Aschenbach, burdened by his successes, comes to Venice for a holiday and encounters a vision of eros -- a vision for which he pays with his life. Death in Venice, Thomas Mann's intensely moving elegy for a man trapped between myth and modernity, was written at

the peak of his powers. Joseph in Egypt (Vol. 1) Good Press A unique look at Thomas Mann's intellectual and political transformation during the crucial years of his exile in the United States In September 1938, Thomas Mann, the Nobel Prize-winning author of Death in Venice and The Magic Mountain, fled Nazi Germany for the United States. Heralded as "the greatest living man of letters," Mann settled in Princeton, New Jersey, where, for nearly three years, he was

stunningly productive as a novelist, university lecturer, and public intellectual. In The Mind in Exile, Stanley Corngold portrays in vivid detail this crucial station in Mann's journey from arch-European conservative to liberal conservative to ardent social democrat. On the knife-edge of an exile that would last fully fourteen years, Mann declared, "Where I am, there is Germany. I carry my German culture in me." At Princeton, Mann nourished an authentic German culture that he

furiously observed was “going to the dogs” under Hitler. Here, he wrote great chunks of his brilliant novel *Lotte in Weimar* (The Beloved Returns); the witty novella *The Transposed Heads*; and the first chapters of *Joseph the Provider*, which contain intimations of his beloved President Roosevelt’s economic policies. Each of Mann’s university lectures—on Goethe, Freud, Wagner—attracted nearly 1,000 auditors, among them the baseball catcher, linguist, and

O.S.S. spy Moe Berg. Meanwhile, Mann had the determination to travel throughout the United States, where he delivered countless speeches in defense of democratic values. In Princeton, Mann exercised his “stupendous capacity for work” in a circle of friends, all highly accomplished exiles, including Hermann Broch, Albert Einstein, and Erich Kahler. *The Mind in Exile* portrays this luminous constellation of intellectuals at an extraordinary time and

place.

The Uses of Tradition

Good Press

Reproduction of the original: *The Thirteen* by Honore de Balzac
Everymans Library
A New York Times Notable Book, Critic’s Top Pick, and Top Ten Book of Historical Fiction Named a Best Book of the Year by The Washington Post, NPR, Vogue, The Wall Street Journal, and Bloomberg Businessweek
From one of today’s most brilliant and beloved novelists, a dazzling, epic family saga set across a

half-century spanning World War I, the rise of Hitler, World War II, and the Cold War that is “a feat of literary sorcery in its own right” (Oprah Daily). The Magician opens in a provincial German city at the turn of the twentieth century, where the boy, Thomas Mann, grows up with a conservative father, bound by propriety, and a Brazilian mother, alluring and unpredictable. Young Mann hides his artistic aspirations from his father and his homosexual desires from everyone. He

is infatuated with one of the richest, most cultured Jewish families in Munich, and marries the daughter Katia. They have six children. On a holiday in Italy, he longs for a boy he sees on a beach and writes the story *Death in Venice*. He is the most successful novelist of his time, winner of the Nobel Prize in literature, a public man whose private life remains secret. He is expected to lead the condemnation of Hitler, whom he underestimates. His oldest daughter and son, leaders of

Bohemianism and of the anti-Nazi movement, share lovers. He flees Germany for Switzerland, France and, ultimately, America, living first in Princeton and then in Los Angeles. In this “exquisitely sensitive” (The Wall Street Journal) novel, Tóibín has crafted “a complex but empathetic portrayal of a writer in a lifelong battle against his innermost desires, his family, and the tumultuous times they endure” (Time), and “you’ll find yourself savoring every page”

(Vogue).
