Acclaimed

visionary and
intellectual,
bell hooks
began her
exploration of
the meaning

of love in American culture with the bestselling All About Love: New Visions. Here she continues her love song to the nation with the groundbreaking and soul-stirring Salvation: Black People and Love. Intimate and revolutionary, Salvation is a gift as provocative as it is healing. Written from a historical and cultural perspective, Salvation takes an incisive look at the transformative

power of love in the lives of African-Americans. Whether talking about the legacy of slavery, relationships, and marriage in black life, the prose and poetry of Martin Luther King Jr., James Baldwin, Malcolm X, and Maya Angelou, the liberation movements of the 1950s, '60s, and '70s, sexual pain or pleasure, hip-hop and gangsta rap culture, addiction, greed, or the failure of black leadership,

hooks lets us know what love's got to do with it. Combining the passionate politics of W E. B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its inextricable links to race, class, family, history, and popular culture raise one pivotal question: How can we create beloved

American communities? Salvation is bell hooks's journey to answer this question-an offering for everyone who cares about the souls of black folk. Defenseless HarperCollins "Pearson's a common name." "It can't be him." "God wouldn't be that cruel." A painful history Walking into the job interview confirms Ben White's worst fears. It's been eight years since high school, yet he can still

recall Wade Pearson's taunts. There's always a chance Wade isn't the same homophobic asshole Ben knew. Yeah right. Except the boy Ben remembers has grown into one seriously hot, brooding man. In another life, Ben would have climbed him like a tree. Wade's gaze still makes Ben shiver - although now for entirely different reasons. A secret longing As soon as Wade read

Ben's application, he knew he had to see him. Ben's still as gorgeous as Wade remembers. It's obvious he doesn't expect to get the job, given their history. But Wade has an agenda. He has to make it up to Ben for treating him so badly - not that Ben will ever know why he acted like he did. Seeing him every day only heightens Wade's regret. If he'd had more courage back then, maybe he and Ben could

have been something. The least he can do is show Ben he's changed. There's no way Wade can get what he really wants - Ben's heart. *Living While Black* Harper Collins An Instant New York Times bestseller / An Oprah's Book Club Pick In the spirit of *The Known World* and *The Underground Railroad*, an award-winning "miraculous debut" (Washington Post) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But

when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable

cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. of science reporting.”—The New York Times The riveting true story of a small town ravaged by industrial pollution, Toms River melds hard-hitting investigative reporting, a fascinating scientific detective story, and an unforgettable cast of characters into a sweeping narrative in the tradition of *A Civil Action*, *The Emperor of All Maladies*, and *The Immortal Life of*

Henrietta Lacks. One of New Jersey’s seemingly innumerable quiet seaside towns, Toms River became the unlikely setting for a decades-long drama that culminated in 2001 with one of the largest legal settlements in the annals of toxic dumping. A town that would rather have been known for its Little League World Series champions ended up making history for an entirely different

reason: a notorious cluster of childhood cancers scientifically linked to local air and water pollution. For years, large chemical companies had been using Toms River as their private dumping ground, burying tens of thousands of leaky drums in open pits and discharging billions of gallons of acid-laced wastewater into the town’s namesake river. In an

astonishing feat of investigative reporting, prize-winning journalist Dan Fagin recounts the sixty-year saga of rampant pollution and inadequate oversight that made Toms River a cautionary example for fast-growing industrial towns from South Jersey to South China. He tells the stories of the pioneering scientists and physicians who first identified pollutants as a cause of cancer, and

brings to life the everyday heroes in Toms River who struggled for justice: a young boy whose cherubic smile belied the fast-growing tumors that had decimated his body from birth; a nurse who fought to bring the alarming incidence of childhood cancers to the attention of authorities who didn't want to listen; and a mother whose love for her stricken child transformed her into a

tenacious advocate for change. A gripping human drama rooted in a centuries-old scientific quest, Toms River is a tale of dumpers at midnight and deceptions in broad daylight, of corporate avarice and government neglect, and of a few brave individuals who refused to keep silent until the truth was exposed. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND KIRKUS REVIEWS "A

thrilling journey full of twists and turns, Toms River is essential reading for our times. Dan Fagin handles topics of great complexity with the dexterity of a scholar, the honesty of a journalist, and the dramatic skill of a novelist.”—Sidhartha Mukherjee, M.D., author of the Pulitzer Prize-winning *The Emperor of All Maladies* “A complex tale of powerful industry, local politics, water rights, epidemiology, public health and cancer in a gripping, page-turning environmental thriller.”—NPR “Unstoppable reading.”—The Philadelphia Inquirer “Meticulously researched and compellingly recounted . . . It’s every bit as important—and as well-written—as *A Civil Action* and *The Immortal Life of Henrietta Lacks*.”—The Star-Ledger “Fascinating . . . a gripping environmental thriller.”—Kirkus Reviews (starred review) “An honest, thoroughly researched, intelligently written book.”—Slate “[A] hard-hitting account . . . a triumph.”—Nature “Absorbing and thoughtful.”—USA Today [Sisters of the Yam](#) HarperCollins Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About*

Love: New Visions. Here she continues her love song to the nation in the groundbreaking and soul-stirring Salvation: Black People and Love. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of our most revered artists and leaders, the liberation movements of the 1950s, '60s, and '70s, or hip-hop and gangsta rap culture, hooks lets us know

what love's got to do with it. Salvation is work that helps us heal - and shows us how to create beloved American communities. Salvation and Suicide Holiday House NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they

come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*. *The Sweetness of Water* (Oprah's Book Club) William Morrow In

Remembered Rapture: The Writer at Work, award-winning author and renowned academic “bell hooks reveals the heart of her writing life and the process through which she has come to be known as a ‘visionary feminist’” (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for

words is the heartbeat of this collection of essays. Remembered Rapture celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks’s wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. “For anyone who

writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read.”—The Philadelphia Inquirer Maine Men, Book Two HarperCollins In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black

intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life

where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black

experience. *An Enemies to Lovers Salvation Series Romance* Psychology Press
 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." *Race and Representatio n* Fortress Press
 In the critical essays

collected in Black Looks, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about

race and representation. As she describes: "the essays in Black Looks are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do. New Visions Bantam Kess found a haven in this remote Beta

town, but it would only last if she could keep her Omega nature a secret. Abused by Alphas, unwanted by Betas, she scraped out a quiet, lonely life and tried to heal her broken spirit. But one fateful glimpse of a grizzled Alpha ended her fragile ruse forever. Catching an Alpha's eye was a fate she had feared... Until him. Hunt was tired. A holdover from another time, an Alpha with

no family or mate, life had little joy or warmth to offer him. But he was still the most formidable Alpha in these parts, and a sense of duty to his men kept him moving forward. He couldn't have known a stop-over in a small Beta village would change the course of his fate, and certainly never pictured himself with an Omega of his own... Until her.

A Story of Science and Salvation
Routledge

Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

Belonging
Faber & Faber
Traces a season in the infamous Mexican border city where in spite of brutal violence its citizens are held together by a shared love for its hard-luck soccer team, providing coverage of

such topics as local drug and human trafficking issues and the contributions of such figures as midfielder Marco Vidal, team owner Francisco Ibarra and mayor José Reyes Ferriz.

 From a fierce and humorous new voice comes a relevant, insightful, and riveting collection of personal essays on the richness and resilience of black girl culture—for readers of Samantha Irby, Roxane Gay, Morgan Jerkins, and Lindy West.

Shayla Lawson is major. You don't know who she is. Yet. But that's okay. She is on a mission to move black girls like herself from best supporting actress to a starring role in the major narrative. Whether she's taking on workplace microaggressions or upending racist stereotypes about her home state of Kentucky, she looks for the side of the story that isn't always told, the places

where the voices of black girls haven't been heard. The essays in This is Major ask questions like: Why are black women invisible to AI? What is "black girl magic"? Or: Am I one viral tweet away from becoming Twitter famous? And: How much magic does it take to land a Tinder date? With a unique mix of personal stories, pop culture observations, and insights into politics and history, Lawson sheds

light on these questions, as well as the many ways black women and girls have influenced mainstream culture—from their style, to their language, and even their art—and how “major” they really are. Timely, enlightening, and wickedly sharp, *This Is Major* places black women at the center—no longer silenced, no longer the minority. [A Lesson Before Dying](#) NYU Press An “ambitious

and courageous” examination of the Jonestown cult viewed through the lens of theology (Journal of the American Academy of Religion). Re-issued in recognition of the 25th anniversary of the mass suicides at Jonestown, this revised edition of David Chidester’s groundbreaking book features a new prologue that considers the meaning of the tragedy for a post-

Waco, post-9/11 world. For Chidester, the murder-suicide of some 900 members of the Peoples Temple in Guyana recalls the American religious commitment to redemptive sacrifice, which for Jim Jones meant saving his followers from the evils of capitalist society. “Jonestown is ancient history,” writes Chidester, but it does provide us with an opportunity

“to reflect upon the strangeness of familiar . . . promises of redemption through sacrifice.” His original conclusion that the Peoples Temple was a meaningful religious movement seems all the more prescient and astute today, when fundamentalism has raised the troubling spectre of violence and suicide all over the world.

“Best Book of 2021”
Selection A
powerful look at the impacts of anti-Black racism and a practical guide for overcoming racial trauma through radical self-care as a form of resistance
Over the past 15 years, radical psychologist Guilaine Kinouani has focused her research, writing, and workshops on how racism affects both physical and mental health.
Living While Black gives voice to the

diverse, global experiences of Black people, using personal stories, powerful case studies, and eye-opening research to offer expert guidance on how to set boundaries and process micro-aggressions; protect children from racism; handle difficult race-based conversations; navigate the complexities of Black love; and identify and celebrate the wins. Based on her findings, Kinouani has devised tried-

and-tested strategies to help protect Black people from the harmful effects of verbal, physical, and structural racism. She empowers Black readers to adopt self-care mechanisms to improve their day-to-day wellness to help them thrive, not just survive, and to find hope and beauty—or even joy—in the face of racial adversity. She also provides a vital resource for

allies seeking to better understand the impacts of racism and how they can help. With the rise of far-right ideologies and the increase of racist hate crimes, *Living While Black* is both timely and instrumental in moving conversations from defining racism for non-Black majorities to focusing on healing and nurturing the mental health of those facing prejudice, discrimination, and the lasting effects

of the violence of white supremacy. [*An American Epistle*](#) Routledge
A chance meeting turned my world inside out. Intelligent, sexy, and rich. With a dash of roguish charm and a cocksure smile, Nathan Blake is the ultimate fantasy. He can have any woman he wants with only a glance. And he wants me. My past has left me broken and humiliated, wary of men like him. I cut

myself off
 from the pain,
 moving
 thousands of
 miles away to
 escape every
 reminder,
 determined to
 start anew.
 I've been
 second best
 before. It isn't
 happening
 again. One
 kiss and I'm
 caught under
 his spell,
 drawn to him
 with every
 breath I take. I
 can't resist.
 The passion
 that explodes
 between us
 becomes an
 intense
 connection
 neither of us
 thought we'd
 share. Or
 need. The
 suffering

inside me
 reflects his - a
 pain I know he
 feels, but
 can't bring
 himself to
 reveal. I have
 no idea his
 love can heal
 me - that mine
 can heal him...
 ...if only I can
 let down my
 guard for him
 and trust.
 Salvation is a
 captivating
 story of
 finding,
 fighting and
 finally giving
 in to a love
 that is clearly
 meant to be.
 This is no
 ordinary
 billionaire
 romance - it is
 a beautifully
 tender,
 tastefully
 erotic story

with twists
 and turns that
 will leave you
 wanting more.
