The strongest man in the world is he who stands most alone. Dr Stockmann attempts to expose a water pollution scandal in his home town which is about to establish itself as a spa. When his brother conspires with local politicians and the newspaper to suppress the story, Stockmann appeals to a public meeting - only to be shouted down and reviled as 'an enemy of the people'. Ibsen's explosive play reveals his distrust of politicians and the blindly held beliefs of the masses.

Christopher Hampton's version of Ibsen's classic was first staged at the National Theatre, London, in 1997.

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it.

Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to

draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City",

and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Mission India: A Vision For Indian Youth has been written with the intention of challenging the Indian youth to bring about a positive change in the country by 2020. Kalam starts off by telling the readers that there has never been a time in Indian history such as this, where the nation has 540 million youth and 20 million Indians across the globe. He also states that several developed countries have directed their efforts towards setting up research centers

across the country, which has benefited scientists, engineers, and professionals from various spheres. Kalam and Rajan tell the readers about their goal to make India one among the five top economic powers in the world by 2020. In the beginning of this book, Kalam presents the readers with a question as to whether India can become a developed country. He then provides insights into the current situation in the country, and explains that this goal is a realistic one. In the subsequent chapters, Kalam and Rajan begin to examine the five industries that need to become reasonably self-sufficient in the coming years, and each chapter tells the readers what can be

done to bring a positive change in each industry. They also tell the readers about the current education system in the country, and the latest technology that can be used to improve the quality of education. The readers are also given insights into the present healthcare industry and infrastructural system, which are trademarks of a developed nation. Kalam and Rajan conclude by telling every individual and organization about the role they can play in transforming the nation by 2020

From J.K. Rowling, a warm, fast-paced, funny fairy tale of a fearsome monster, thrilling adventure, and hope against all odds.

Once upon a time there was a tiny kingdom called Cornucopia, as rich in happiness as it was in gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth... And when that myth takes on a life of its own, casting a shadow over the kingdom, two children -

best friends Bert and Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more. Featuring full color illustrations by children from across the United States and Canada, this original fairy tale from one of the world's most celebrated storytellers will captivate readers of all ages.

Rajmohan's Wife and
Sultana's Dream
(1864/1908) features
the debut novel of
Indian writer Bankim
Chandra Chatterjee
and a story by Bengali
writer, feminist, and
educator Rokeya
Sakhawat Hossain.
Rajmohan's Wife,
Chattopadhyay's only
work in English,
launched his career as
a leading Bengali
intellectual and
political figure. Written
in English, Sultana's
Dream originated as a
way of passing time for
its young author while
her husband was away
on work. Initially
published in The Indian

Ladies Magazine, Sultana's Dream helped establish Rokeya's reputation as a leading figure in Bengali arts and culture. Rajmohan's Wife is the story of Matangini, a beautiful woman married to a violent, jealous man. Unable to marry the man she loves—who happens to be her own sister's husband—she settles for the villainous Rajmohan, an abusive man who rules his middle-class Bengali household with an iron fist. With the help of her friend Kanak, Matangini does her best to avoid her husband's wrath, illuminating the importance of solidarity among women faced with oppression. Vindictive and cruel, Rajmohan secretly enacts a plan

to rob Madhav, his brother-in-law, in order to obtain and invalidate a will. Sultana's Dream is set in Ladyland is a feminist utopia ruled by women, a perfect civilization with no need for men, who remain secluded and without power. Free to develop their own society, women have invented flying cars, perfected farming to the point where no one must work, and harnessed the energy of the sun. With men under control, there is no longer fear, crime, or violence. Ultimately, Ladyland is a world made to mirror our own, a satirical exploration of the absolute power wielded by men over women, and a political critique of Bengali society at large.

Sultana's Dream is more than a science fiction story; it is an act of resistance made by a woman who would shape the lives of her people through advocacy, education, and activism for generations to come. With a beautifully designed cover and professionally typeset manuscript, this edition of Bankim Chandra Chatterjee and Rokeya Sakhawat Hossain's Rajmohan's Wife and Sultana's Dream is a classic of Bengali literature and utopian science fiction reimagined for modern readers.

The Sign of Four

Harper Collins
This schoolroom drama that inspired the classic Sidney Poitier film is "a microcosm of the racial issues . . . A dramatic picture of

discrimination" (Kirkus Reviews). With opportunities for black men limited in post-World War II London, Rick Braithwaite, a former Royal Air Force pilot and Cambridge-educated engineer, accepts a teaching position that puts him in charge of a class of angry, unmotivated, bigoted white teenagers whom the system has mostly abandoned. When his efforts to reach these troubled students are met with threats, suspicion, and derision, Braithwaite takes a radical new approach. He will treat his students as people poised to enter the adult world. He will teach them to respect themselves and to call him "Sir." He will open up vistas before them

that they never knew existed. And over the course of a remarkable year, he will touch the lives of his students in extraordinary ways, even as they in turn, unexpectedly and profoundly, touch his. Based on actual events in the author's life, *To Sir, With Love* is a powerfully moving story that celebrates courage, commitment, and vision, and is the inspiration for the classic film starring Sidney Poitier.
