REYNOLDS MCKAYLA

Antiquing For Dummies Penguin

The Watch is the most popular book on vintage and contemporary mechanical watches, appealing to both beginners and experts. In the decade since it was published, the international audience of watch lovers and watch collectors has grown exponentially. It's time for The Watch, Thoroughly Revised. For this new edition, the original author, Gene Stone, is joined by Stephen Pulvirent of Hodinkee.com. Together, they have thoroughly revamped the book to reflect the current state of the watch world, with the addition of new brands, new models, and more focused and nuanced coverage of the traditional brand leaders, including Rolex, Patek Philippe, Omega, and TAG Heuer.

Miller's Antiques Handbook & Price Guide 2020-2021 Countryside Books (GB)

Return to the series BuzzFeed compared to Ready Player One in the second book in a new fast-paced trilogy from New York Times bestselling authors Jason Segel and Kirsten Miller that's perfect for fans of HBO's Westworld. Simon would have done anything to save his best friend after a mysterious accident almost killed her--including follow her into a virtual world. And what he and Kat discovered there was more terrifying than they could have ever imagined. Unwitting hospital patients are being forced to test a device that lets VR be experienced with all five senses. The technology is so advanced that it's deadly. Now the world's biggest tech corporation is hunting Simon and Kat while war rages in Otherworld, the virtual world it created. Determined to destroy the Company, Simon and Kat must join forces with a hacker, a gangster, and a digital entity. But as they battle to save two worlds, they uncover an all-new threat to our world: the Company's latest creation, an augmented-reality game called OtherEarth. Not only does OtherEarth kill, it has the power to erase the line between what's real and what's fantasy. Praise for Otherworld: A New York Times Bestseller "A potent commentary on how much we're willing to give up to the lure of technology." --EW.com "A fantastic journey from start to finish." --Hypable.com "An engaging VR cautionary tale." --AV Club "Full of high stakes, thrillers, and fantastic twists and turns, fans of Ready Player One are sure to love this addictive read." --BuzzFeed

Miller's Mid-Century Modern Hachette UK

Millions of Americans are drawn to antiques and flea-market culture, either as Participants or as viewers of the popular Antiques Roadshow and American Pickers. This world has the air of a lottery, where a \$20 purchase could net you six figures. Master dealer Curt Avery, star of Killer Stuff and Tons of Money, plays that lottery every day, and he wins it more than most. Occasionally he gets lucky, but more often he draws on a deep knowledge of America's past and the odd, fascinating and beautiful objects that have survived it. Book jacket.

Antiques Roadshow: 40 Years of Great Finds Penguin

With roots reaching back to 1819, the University of Cincinnati has long been at the frontier of higher education in the Ohio Valley. While it has aspired to fulfill its mission to serve the public good, some residents, particularly those living near campus, have wondered how university decisions benefited the city at large. Long a municipal university, UC struggled to serve a broad diverse population, even as Cincinnati itself struggled in the late twentieth century. Through it all, the university has maintained its importance to the city and its alumni. In *Service to the City: A History of the University of Cincinnati*, the first history of the university written in over fifty years, explores the evolving, complex relationship between UC and the city of Cincinnati. In *Service to the City* casts an unvarnished lens on the details of student demographics, faculty research, curricular changes, and athletic controversy to challenges associated with campus architecture and planning, neighborhood relations, regional and national consequences of urban decline, and the roles of municipal, state, and federal governments within American higher education. Urban, environmental historian David Stradling traces UC's story through starts and stops, growth and contraction. In the 1870s the institution began its transformation into a comprehensive, municipal university located in America's thriving heartland. Expansion continued through mergers with Cincinnati College-Conservatory of Music and Cincinnati Medical College, among others. In 1977, University President Warren Bennis and Governor Jim Rhodes signed papers ending UC's municipal status while securing its future as part of the state university system of Ohio. UC maintains its strong relationship with Cincinnati, pioneering countless community and regionally oriented programs, from its expanding co-op education system, the first in the nation, to the Niehoff Urban Studio. Stradling describes the social and political activism of UC students and faculty--front and center in the civil rights and women's rights movements, as well as the public health and environmental movements. Often they struggled to change the culture within their own institution, which at times appeared conservative or reactionary. Drawing on archival research, Stradling recounts in lively prose and through dozens of illustrations, two-hundred years of UC history, setting the story in the context of changes within higher education in the United States. With the cost of higher education on the minds of legislators and the public, questions first posed by Daniel Drake in 1819 upon the founding of Cincinnati College remain relevant. Who should the college serve? What and how should students learn? How can we pay for it? In *Service to the City* encourages readers to consider how the University of Cincinnati--with a history so entwined with its city--can balance its urban-serving tradition with its aspiration to be a leader global research university.

Miller's Antiques Encyclopedia Simon and Schuster

This illustrated, easy reference guide is packed with all the information you need to help you date English furniture and bring its history to life. The book looks at many different furniture types, showing how form, style and the types of wood used changed from the Tudor period through to the Art Deco years of the 1930s. It highlights key details, what to look for when dating furniture, and introduces significant furniture designers and their importance. There's also a look at how changes in English society and fashion resulted in the introduction of specific pieces. The

book should appeal to those who love antique shows on TV and looking round antique shops and country houses, but would like to know more about furniture and the stories behind it.

The Ladies' Book of Etiquette, and Manual of Politeness Abrams

Introducing Wyoming's Sheriff Walt Longmire in this riveting novel from the New York Times bestselling author of Hell Is Empty and As the Crow Flies, the first in the Longmire Mystery Series, the basis for LONGMIRE, the hit Netflix original drama series. Fans of Ace Atkins, Nevada Barr and Robert B. Parker will love this outstanding first novel, in which New York Times bestselling author Craig Johnson introduces Sheriff Walt Longmire of Wyoming's Absaroka County. Johnson draws on his deep attachment to the American West to produce a literary mystery of stunning authenticity, and full of memorable characters. After twenty-five years as sheriff of Absaroka County, Walt Longmire's hopes of finishing out his tenure in peace are dashed when Cody Pritchard is found dead near the Northern Cheyenne Reservation. Two years earlier, Cody has been one of four high school boys given suspended sentences for raping a local Cheyenne girl. Somebody, it would seem, is seeking vengeance, and Longmire might be the only thing standing between the three remaining boys and a Sharps .45-70 rifle. With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.

Art Deco Antique Collectors Club Limited

Here is a fascinating visual survey of the eclectic, richly decorative, and always popular Victorian era. Each aspect of domestic style receives an in-depth examination, from exterior details to every element of the interior, with special emphasis on décor for individual rooms. With its streamlined shapes and forward-looking approach, the Art

Deco style still looks modern today. In the 1920s and 1930s, designers and craftsmen made innovative use of both natural and man-made materials to produce elegant pieces that broke with tradition and celebrated the future. In this beautifully illustrated guide, antiques expert Judith Miller explores the key makers and pieces of the movement, explaining what to look for as a collector. The book explores all the key collecting areas, with chapters on furniture, glass, ceramics, sculpture, metalwork, silver and plastics, prints and posters, rugs and textiles. With clear price codes and biographies of key makers and designers, the book also contains "A Closer Look" and "Good, Better, Best, Masterpiece" features comparing ranges of items from makers and factories.
