The bestselling author of The Miracle Morning shares the secret to unlocking your full potential—all day, every day. “A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, New York Times bestselling author of The School of Greatness Even after the incredible success of his book The Miracle Morning, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world's top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is The Miracle Equation, and it couldn't be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you'll create results beyond what you believe to be possible. In The Miracle Equation, you'll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the Miracle Equation 30-Day Challenge to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for The Miracle Equation “The Miracle Equation isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended.”—Lewis Howes, New York Times bestselling author of The School of Greatness "You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these

two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read The Miracle Equation.”—Mel Robbins, bestselling author of The 5-Second Rule

TAKE THE NEXT STEP: CLICK 'BUY NOW' AT THE TOP OF THIS PAGE! And get an early start that will really make a difference! Most salespeople use these techniques daily, yet the majority still fail to achieve the results they want. So, what is the difference between -average- performers and the top 1% in your company or industry? Which strategies, mindsets, rituals, practices and systems do the top 1% maintain daily that got them to the top and continues to keep them there? The more you study the world's top salespeople, in any industry, the more you realize that their success is a result of who they are more than merely what they do. Thus, logic would have it that if you want to take your SALES to the next level, you must first figure out how to take your SELF to the next level (because it only happens in that order). That's exactly what this book will help you do, and faster than you ever realized is possible.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

About Mentors Library Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.

From the bestselling author of Love Is the Killer App You can win life's popularity contests The choices other people make about you determine your health, wealth, and happiness. And decades of research prove that people choose who they like. They vote for them, buy from them, marry them, and spend precious time with them. The good news is that you can arm yourself for the contest and win life's battles for preference. How? By raising your likeability factor. The more you are liked, the happier your life will be. In The Likeability Factor, business guru Tim Sanders shows how to build your

likeability factor by teaching you how to enhance four critical elements of your personality: • Friendliness: your ability to communicate liking and openness to others • Relevance: your capacity to connect with others' interests, wants, and needs • Empathy: your ability to recognize, acknowledge, and experience other people's feelings • Realness: the integrity that stands behind your likeability and guarantees its authenticity When you improve these areas and boost your likeability factor, you bring out the best in others, handle life's challenges with grace, enjoy better health, and excel in your daily roles. You can win the close calls and tight competitions that define and determine success and happiness at work and in life—The Likeability Factor can show you how!

Summary of The Miracle Morning Hal Elrod's book, The Miracle Morning, takes widely accepted self-help practices that have been developed over centuries of human consciousness studies and condenses the 'best of the best into a daily six-step ritual. The book uses the concept of habit stacking, the method of selecting a few desirable habits, creating a sequence out of them, and making the sequence itself a new habit. People who use habit stacking benefit because they can adopt multiple good habits at once. They can automate their behavior to do an entire sequence instead of just

focusing on trying to implement numerous new habits one at a time. This method takes less motivation and builds momentum quickly for comprehensive behavior change. The Miracle Morning's recommended daily routine is a clear example of a classic habit stack. It consists of 6 habits: Silence, Affirmations, Visualization, Exercise, Reading, and Scribing (S.A.V.E.R.S.). To help readers memorize this sequence, Elrod creates a simple acronym, Life S.A.V.E.R.S. This acronym is also a metaphor for the projected impact of the routine on the reader. Elrod contends that if the reader contentiously follows the steps, he or she will be able to discern their innermost desires and achieve the high quality of life they deserve. The routine is intended to save readers from a life of mediocrity and underachievement. This book is one of the most highly rated books on Amazon; it has over

two thousand five hundred five-star reviews and it was endorsed by world-renowned influencers and luminaries including Robert Kiyosaki, James, Altucher, Pat Flynn, Brian Johnson, Gail Lynne Goodwin, and others. The significance of this book is rooted in the author's capacity to select universally accepted practices for personal development and combine them into a seamless routine that challenges the reader to explore his or her inner values and create a plan to achieve his or her dreams. The book spurred on an international movement and has been translated into 27 languages. The writer claims that the book can help people create the life they have always wanted by building on the simple premise that the way a person starts their day influences the quality of their overall life.
