HARDY LLOYD

A Little Trouble in Dublin Level 1 Beginner/Elementary Macmillan
"[A] fast-paced yarn that nimbly soars above the Irish crime fiction genre Kidd clearly knows very well." —New York Times Book Review "[A] supernaturally skillful debut." —Vanity Fair "A delicious, gratifying and ageless story." —New York Journal of Books Abandoned on the steps of an orphanage as an infant, Dublin charmer Mahony assumed all his life that his mother had simply given him up. But when he receives a tip one night at the bar suggesting that foul play may have led to the disappearance of his mother, he decides to return to the rural Irish village where he was born to learn what really happened twenty-six years earlier. From the moment he sets foot in Mulderrig, Mahony's presence turns the village upside down. His uncannily familiar face and outsider's ways cause a stir among the locals, who receive him with a mixture of curiosity (the men), excitement (the women), and suspicion (the pious). It seems that his mother,

Orla Sweeney, had left quite an impression on this little town—dearly beloved to some, a scourge and a menace to others. But who would have had reason to get rid of her for good? Determined to find answers, Mahony solicits the help of brash pot-stirrer and retired actress Mrs. Cauley, and the two concoct an ingenious plan to get the town talking, aided and abetted by a cast of eccentric characters, some from beyond the grave. What begins as a personal mission gradually becomes a quiet revolution: a young man and his town uniting against corruption of power, against those who seek to freeze their small worlds in time, to quash the sinister tides of progress and modernity come hell or high water. But what those people seem to forget is that Mahony has the dead on his side.... Centering on a small town rife with secrets and propelled by a twisting-and-turning plot, Himself is a gem of a book, a darkly comic mystery, and a beautiful tribute to the magic of language, legacy, and storytelling.

Farrington is an alcoholic scrivener who has been scolded by his boss for not finishing a task on time. But instead of completing the task, Farrington goes out for a beer and receives yet another

scolding from his boss. Farrington's day continues to unravel when he is humiliated at a local pub, and arrives home to find his wife out at chapel and his dinner uncooked. Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. A Novel Ernst Klett Sprachen

Fool me once, shame on you. Fool me twice, shame on me. Sarah Spicer took this saying to heart, at least where love was concerned. She had given up any hope in ever finding a decent man. She was convinced they had only one thing on their minds and were untrustworthy and unfit for relationships. This was exactly why she had a strict no-dating policy. That was before she met Collin Ross. He was handsome, successful, and possessed a refined confidence that any woman would have adored. Well, any woman except for Sarah. Her indifference toward his charms made gaining her affection difficult. But patience is a virtue, and Collin was determined to prove that if there was a man worthy of winning her heart, he was the one.

Inspired by real life events, a young woman falls for the British officer she has been ordered to betray during the Irish War of

Independence.

Dubliners Cambridge University Press

Roddy Doyle's last novel, *A Star Called Henry*, was chosen by the *The New York Times Book Review* as one of the eleven Best Books of the Year; *The Washington Post* said it was "not only Doyle's best novel yet; it is a masterpiece, an extraordinarily entertaining epic." Now Doyle, author of six bestselling novels, twice nominated for the Booker Prize and once a winner, turns his protagonist Henry Smart's rich observation and linguistic acrobatics loose on America, in an energetic saga full of epic adventures, breathless escapes, and star-crossed love. *Publishers Weekly* says "Doyle just gets better and better." Our Irish hero arrives in New York in 1924 to bury himself in the teeming city and start a new life; having escaped Dublin after the 1916 Rebellion, Henry Smart is on the run from the Republicans for whom he committed murder and mayhem. Lying to the immigration officer, avoiding Irish eyes that might recognise him, hiding the photograph of himself with his wife because it shows a gun across his lap, he throws his passport into the river and tries to forge a new identity. He charms his way into the noisy, tough Lower East Side, reads to Puerto Rican cigar makers, hauls bottles for a bootlegger and composes ads on sandwich boards, finally setting up his own business with the intention of making his fortune. But he makes enemies along the way among mobsters such as Johnny No and Fast Olaf. Henry hightails it out of Manhattan with a gun at his back and Fast Olaf's hustler of a half-sister on his arm. This was a time when America was ripe for the picking, however, and a pair of good, strong con artists could have the world at their fingertips. The Depression was sending

folks to ride the rails in search of a new life and new hope, and all trains led to Chicago. As Henry's past tries to catch up with him, he takes off on a journey to the great port, where music is everywhere: wild, happy music played by a man with a trumpet called Louis Armstrong. Armstrong needs a white man, and the man he chooses is Henry Smart. The bestselling *A Star Called Henry* followed Henry Smart from his birth in 1902 until the age of twenty, by which time he had already had a lifetime's worth of adventures in his native Ireland. With these books, Doyle was trying in some ways to write a story like Charles Dickens' *David Copperfield*, starting at the beginning of his life and following him through many years of adventures. To write the new book, he had to research the vanished world of pre-war America. "I went to Chicago, on the south side, to see if any of the old jazz clubs were still around. I was very keen to see what Henry would have seen as he'd stood outside, under the awnings. But all the jazz clubs that were along State Street, they're all gone; every one of them's gone. There's one that's still standing - it was, originally, The Sunset Cafe, where Louis Armstrong played, but now it's a hardware store. The Vendome Cinema, where he used to play during the intermissions, is now a parking lot for the local college. That I found upsetting. But on the other hand it was very liberating because in its absence I can invent." Music, often American soul or blues, is always important in Roddy Doyle's work, often as escapism for the working-class Dubliners in the *Barrytown* books. Doyle grew up listening to American music and likes to write while listening to music. For Henry in America, Doyle says, "when he hears this music, he feels he's being baptized. He's new. He feels he's gotten away from Ireland. He's

gotten away from the misery of it all and he's listening to this glorious celebration."

NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a

masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

[A Little Trouble in Dublin](#) Chicago Review Press

ULYSSES James Joyce's novel *Ulysses* is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, *Ulysses* is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written.

ULYSSES *Ulysses* is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant",

which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*.

ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's *Odyssey*, James Joyce's *Ulysses* is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece.

ULYSSES [Down London Road](#) Simon and Schuster

The graded readers series of original fiction, adapted fiction and factbooks especially written for teenagers. Twins, Andy and Mary, are in California on holiday with their parents. Mary takes some photos with her new camera and the twins soon discover that someone does not want to be photographed. Why? Conspiracy, Revenge, and the Phoenix Park Murders That Stunned Victorian England Harper Collins

Hi! I'm Lauren and lately I've discovered something strange about

my cat Saturn. Something very strange indeed . . . And this time it wasn't just me, but also my best friend Tilly who magically travelled back in time with him. Imagine our surprise to find ourselves in Ancient Rome, where no one spoke our language - and they wanted to sell us as slaves! But that wasn't the scariest bit. Because when the tremors started, and the smoke appeared, we knew our adventure was about to explode . . .

Last Orders Grove Atlantic

A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past It's London, 1960, and Aoife Kelly—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, I

Couldn't Love You More is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright lies.

On Dublin Street Penguin

In Dublin, 1918, a maternity ward at the height of the Great Flu is a small world of work, risk, death, and unlooked-for love, in "Donoghue's best novel since Room" (Kirkus Reviews). In an Ireland doubly ravaged by war and disease, Nurse Julia Power works at an understaffed hospital in the city center, where expectant mothers who have come down with the terrible new Flu are quarantined together. Into Julia's regimented world step two outsiders—Doctor Kathleen Lynn, a rumoured Rebel on the run from the police, and a young volunteer helper, Bridie Sweeney. In the darkness and intensity of this tiny ward, over three days, these women change each other's lives in unexpected ways. They lose patients to this baffling pandemic, but they also shepherd new life into a fearful world. With tireless tenderness and humanity, carers and mothers alike somehow do their impossible work. In *The Pull of the Stars*, Emma Donoghue once again finds the light in the darkness in this new classic of hope and survival against all odds.

How One Therapist and a Circle of Strangers Saved My Life Grove Press

Drawing from a wealth of historical and scholarly sources, Johnson traces the important social, religious and political development of Ireland's struggle to become a unified, settled country. Johnson describes with accurate detail Ireland's barbarous beginnings, Oliver Cromwell's religious "crusade," the

tragic Irish potato famine, the Ulster resistance and the outstanding fact of the constant British-Irish connection and the fearful toll of life it exacted. Among the anonymous multitude are famous names such as "Silken Thom" Kildare, Thomas Wentworth, Archbishop Plunkett and Lord Frederick Cavendish. And yet many great men marshaled their energies and wits to settle Ireland: Sir Henry Sidney, Sire Walter Raleigh, Edmund Spenser, Chruchill and others.

Ireland Standard Ebooks

The landmark new novel from award-winning author Claire Keegan It is 1985 in a small Irish town. During the weeks leading up to Christmas, Bill Furlong, a coal merchant and family man faces into his busiest season. Early one morning, while delivering an order to the local convent, Bill makes a discovery which forces him to confront both his past and the complicit silences of a town controlled by the church. Already an international bestseller, *Small Things Like These* is a deeply affecting story of hope, quiet heroism, and empathy from one of our most critically lauded and iconic writers.

Cambridge University Press

A brilliant true crime account of the assassinations that altered the course of Irish history from the "compulsively readable" writer (*The Guardian*). One sunlit evening, May 6, 1882, Lord Frederick Cavendish and Thomas Burke, Chief Secretary and Undersecretary for Ireland, were ambushed and stabbed to death while strolling through Phoenix Park in Dublin. The murders were funded by American supporters of Irish independence and carried out by the Invincibles, a militant faction of republicans armed with specially made surgeon's blades. They put an end to the

new spirit of goodwill that had been burgeoning between British Prime Minister William Gladstone and Ireland's leader Charles Stewart Parnell as the men forged a secret pact to achieve peace and independence in Ireland—with the newly appointed Cavendish, Gladstone's protégé, to play an instrumental role in helping to do so. In a story that spans Donegal, Dublin, London, Paris, New York, Cannes, and Cape Town, Julie Kavanagh thrillingly traces the crucial events that came before and after the murders. From the adulterous affair that caused Parnell's downfall; to Queen Victoria's prurient obsession with the assassinations; to the investigation spearheaded by Superintendent John Mallon, also known as the "Irish Sherlock Holmes," culminating in the eventual betrayal and clandestine escape of leading Invincible James Carey and his murder on the high seas, *The Irish Assassins* brings us intimately into this fascinating story that shaped Irish politics and engulfed an Empire. Praise for Julie Kavanagh's *Nureyev: The Life* "Easily the best biography of the year." —*The Philadelphia Inquirer* "The definitive biography of ballet's greatest star whose ego was as supersized as his talent." —Tina Brown, award-winning journalist and author

I Couldn't Love You More Anchor

From the author of *The Master and Brooklyn*, Colm Tóibín weaves together the lives of three generations of estranged women as they reunite to witness and mourn the death of a brother, a son, and a grandson. It is Ireland in the early 1990s. Helen, her mother, Lily, and her grandmother, Dora, have come together to tend to Helen's brother, Declan, who is dying of AIDS. With Declan's two friends, the six of them are forced to plumb the

shoals of their own histories and to come to terms with each other. Shortlisted for the Booker Prize, *The Blackwater Lightship* is a deeply resonant story about three generations of an estranged family reuniting to mourn an untimely death. In spare, luminous prose, Colm Tóibín explores the nature of love and the complex emotions inside a family at war with itself. Hailed as "a genuine work of art" (Chicago Tribune), this is a novel about the capacity of stories to heal the deepest wounds.

Angels in the Moonlight HarperCollins

A Little Life Tule Publishing

Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today *Dubliners* survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Pull of the Stars Cambridge University Press

While Detective Antoinette Conway and her partner Stephen Moran work a seemingly routine investigation of a lovers' quarrel gone bad, they discover the case isn't as by-the-numbers as they thought.
