Macmillan

The remarkable story of Sandra Day O'Connor's family and early life, her journey to adulthood in the American Southwest that helped make her the woman she is today: the first female justice of the U.S. Supreme Court and one of the most powerful women in America. "A charming memoir about growing up as sturdy cowboys and cowgirls in a time now past."—USA Today In this illuminating and unusual book, Sandra Day O'Connor tells, with her brother, Alan, the story of the Day family, and of growing up on the harsh yet beautiful land of the Lazy B ranch in Arizona. Laced throughout these stories about three generations of the Day family, and everyday life on the Lazy B, are the lessons Sandra and Alan learned about the world, self-reliance, and survival, and how the land, people, and values of the Lazy B shaped them. This fascinating glimpse of life in the Southwest in the last century recounts an important time in American history, and provides an enduring portrait of an independent young woman on the brink of becoming one of the most prominent figures in America.

Writing Literature Reviews Penguin

Every young grad needs this fun, snarky primer for the real world. You'll meet the world's brightest, you'll hang with the best! And now that you've met them, you'll work with the rest! If you're looking for an inspirational book for young people starting life's great adventure, you probably want to read Dr. Seuss's *Oh, the Places You'll Go!* But before your first day of actual work, you need to meet Dr. Suits for a dose of reality. You won't learn this stuff in high school, college, or gift books by world-famous authors. But fear not! With his unique blend of hilarious verse and images, Dr. Suits can help young grads get a handle on what's really about to hit them. *Oh, the Meetings You'll Go To!* is a brutally honest, and ultimately uplifting, take on the struggles of post-grad life that every 20-something will relate to. Tough love never made you laugh so hard.

The Right to Write Charlesbridge

The Essential Guide to Memorable Storytelling from The Moth St. Martin's Griffin

Joining the ranks of emigrants responding to Brigham Young's edict to move to Salt Lake City with two-wheeled handcarts as their only mode of travel, four women share a grueling journey of survival that tests the bonds of their friendship and faith. By the author of *The Bride's House*.

Pinnacle Books

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. "This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed" - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more

nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, *My Body* is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body* marks the debut of a fierce writer brimming with courage and intelligence.

How to Write from the Heart for Any Occasion Crown

With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your bands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a goddess insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark

secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta*, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

ROMAN SPRING Penguin

How to Write It A Complete Guide to Everything You'll Ever Write Random House Digital, Inc.

Your Answer to Living With Peace, Power & Purpose Macmillan

The definitive handbook for the novelist who is ready to revise This wise and friendly guide shows writers how to turn first-draft manuscripts into the novels of their dreams. A critic, longtime teacher, and award-winning novelist, Sandra Scofield illustrates how to reread a work of fiction with a view of its subject and vision, and how to take it apart and put it back together again, stronger and deeper. Scofield builds her explanations around helpful concepts like narrative structure, character agency, and core scenes, using models from classic and contemporary writers. The detailed, step-by-step plan laid out in *The Last Draft* offers invaluable advice to both novice and experienced writers alike. In Scofield, they will find a seasoned, encouraging mentor to steer them through this emotional and intellectual journey.

Emily Ratajkowski's deeply honest and personal exploration of what it means to be a woman today - THE NEW YORK TIMES BESTSELLER Diversion Publishing Corp.

Caroline works as a model while dreaming of becoming a designer, but the harshness of reality is slowly filling her with disenchantment and discouragement. One night, a vulgar buyer makes a play for Caroline and troubles her. Then a savior arrives! The handsome man saves her in a stylish manner. The president of the modeling agency even calls him "Prince" and goes down on his knees. But suddenly, the savior grabs a confused Caroline's hand. He tells Caroline that he's not letting her leave. Is he another hypocrite in the guise of a gentleman?

How to Tell a Story Good Press

Real stories. Real teens. Real crimes. A group of teens traffic drugs between Mexico and California in this start to the brand-new Simon True series. It's 1971 in Coronado, a small southern California beach town. For seventeen-year-old Eddie Otero, a skilled waterman and avid surfer, life is simple. Then a friend makes him an offer: Swim an illicit package across the border from Mexico. The intense workout is dangerous. Thrilling. Lucrative. And the beginning of a small business. When the young entrepreneurs involve their former high school Spanish teacher, the smuggling adventure grows into a one hundred million dollar global operation. Soon they become fugitives. Living on the edge, they vow to return to their normal lives—right after one last run...

Ready-to-Use Language for Successful Employee Evaluations

Random House

Each year, over 40,000 new students enter America's law schools. Each new crop experiences startlingly high rates of depression, anxiety, fatigue, and dissatisfaction. Kathryn M. Young was one of those disgruntled law students. After finishing law school (and a PhD), she set out to learn more about the law school experience and how to improve it for future students. Young conducted one of the most ambitious studies of law students ever undertaken, charting the experiences of over 1000 law students from over 100 different law schools, along with hundreds of alumni, dropouts, law professors, and more. How to Be Sort of Happy in Law School is smart, compelling, and highly readable. Combining her own observations and experiences with the results of her study and the latest sociological research on law schools, Young offers a very different take from previous books about law school survival. Instead of assuming her readers should all aspire to law-review-and-big-firm notions of success, Young teaches students how to approach law school on their own terms: how to tune out the drumbeat of oppressive expectations and conventional wisdom to create a new breed of law school experience altogether. Young provides readers with practical tools for finding focus, happiness, and a sense of purpose while facing the seemingly endless onslaught of problems law school presents daily. This book is an indispensable companion for today's law students, prospective law students, and anyone who cares about making law students' lives better. Bursting with warmth, realism, and a touch of firebrand wit, How to Be Sort of Happy in Law School equips law students with much-needed wisdom for thriving during those

three crucial years.

Sword of the Lamb Penguin

Surrender All Penguin

On a promontory jutting out into the Atlantic wind stands the Home run by Brother Benedict, where boys are taught a little of God and a lot of fear. To Michael Lamb, one of the youngest brothers, the regime is without hope, and when he inherits a small legacy he defies his elders and runs away, taking with him a twelve-year-old boy, Owen Kane. Radio Eireann call it a kidnapping. For Michael the act is the beginning of Owen's salvation. Posing as father and son, they concentrate on discovering the happiness that is so unfamiliar to them both. But as the outside world closes in around them - as time, money and opportunity run out - Michael finds himself moving towards a solution that is as uncompromising as it is inspired by love.

My Body Random House

In this radiant homage to the resiliency, strength, and power of women, Wally Lamb—author of numerous New York Times bestselling novels including She's Come Undone, I Know This Much is True, and We Are Water—weaves an evocative, deeply affecting tapestry of one Baby Boomer's life and the trio of unforgettable women who have changed it. I'll Take You There centers on Felix, a film scholar who runs a Monday night movie club in what was once a vaudeville theater. One evening, while setting up a film in the projectionist booth, he's confronted by the ghost of Lois Weber, a trailblazing motion picture director from Hollywood's silent film era. Lois invites Felix to revisit—and in

some cases relive—scenes from his past as they are projected onto the cinema's big screen. In these magical movies, the medium of film becomes the lens for Felix to reflect on the women who profoundly impacted his life. There's his daughter Aliza, a Gen Y writer for New York Magazine who is trying to align her post-modern feminist beliefs with her lofty career ambitions; his sister, Frances, with whom he once shared a complicated bond of kindness and cruelty; and Verna, a fiery would-be contender for the 1951 Miss Rheingold competition, a beauty contest sponsored by a Brooklyn-based beer manufacturer that became a marketing phenomenon for two decades. At first unnerved by these ethereal apparitions, Felix comes to look forward to his encounters with Lois, who is later joined by the spirits of other celluloid muses. Against the backdrop of a kaleidoscopic convergence of politics and pop culture, family secrets, and Hollywood iconography, Felix gains an enlightened understanding of the pressures and trials of the women closest to him, and of the feminine ideals and feminist realities that all women, of every era, must face.

Until You Hachette UK

'We should write because it is human nature to write' Julia Cameron In The Right to Write, Julia Cameron's most revolutionary book, the author asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. This isn't a book of rules and certainly not about how to write that query letter, how to find a market for your work, or how to find an agent. It's about using writing to bring clarity and passion to the act of living. The secrets in breaking loose from the grip of your established thought process, to unleash the wave of creativity striving to express itself within. Here are techniques and illustrative stories to help you make writing a natural, intensely personal part of life. And this book includes the details of Cameron's own writing processes when creating her best selling books, which include the phenomenal and world famous The Artist's Way and Vein of Gold. For those jumping into the writing life for the first time and for those already living it, the art of writing will never be the same after reading this book. Provocative, thoughtful and exciting, you'll return to it again and again as you seek to liberate and cultivate the writer residing within you.

The Thoughtful Leader's Model for Business and Technical Communications W. W. Norton & Company

Create Unforgettable Stories for Kids! You dream of writing stories that children respond to—the kind they come back to again and again. Nancy Lamb can help you achieve that dream. She mixes insightful advice for mastering storytelling with dozens of examples that illustrate a variety of plot-building techniques. Nancy's instruction covers everything from format and content to setting and characterization. She also draws from a range of children's classics, including Where the Wild Things Are, Charlotte's Web and Bridge to Tarabithia to explore and illuminate the unique nature of children's literature. Nancy also shares writing tips and tricks accumulated through years of successful storytelling—invaluable advice for crafting fiction that resonates with children of all ages, from 4 to 14 and beyond.
