about her violent outbursts, while courtiers bemoaned her general disregard for aristocratic female etiquette. Upon reaching her teenage years, the princess' guardians decided that Saxony's enfant terrible should leave home as quickly as possible by marrying a foreign suitor in a preferably far-away land. Enter William of Orange: handsome, charming, and heir to one of the

Netherlands' largest estates. The fact that he was also a profligate partier and lover of women was conveniently overlooked. Anna immediately fell for the Dutch bon vivant despite warnings from a few well-meaning relatives. For one, William was a Catholic, while Anna adhered to the Protestant teachings of Martin Luther, critical voices cautioned, correctly predicting

future trouble for the princess in the Catholic Netherlands. Furthermore, the prince's liege lord, the fanatical Philip II of Spain, very much disapproved of a match between his premier vassal and a "Lutheran heretic." There was also the issue of plain Anna's growing obsession with the roguish William; an obsession that was not reciprocated. In the end, the impetuous princess threw caution to the

wind. No other than William would do for a husband, she insisted, while publicly announcing that “every vein in my body heartily loves him.”

Time Travel to Medieval Wales! Anna is driving her aunt's minivan with her brother, David, when she crashes through time and finds herself in the middle of an ambush of Llywelyn, the last Prince of Wales. It is December 1282, and the English have attacked, hoping to eliminate the Welsh rebels forever. Instead, the siblings save

Llywelyn's life and embark on a journey that transforms not only themselves but an entire world.
Footsteps in Time is the story of what might have happened had Llywelyn lived. And what happens to the two teenagers who save him.

Anna Clayton Cambridge University Press This is the first full-scale study of the literary art of Anna Komnene's Alexiad. Her history of her father's reign is well-known and much used by Byzantinists and historians of the First Crusade, but the art with which it shapes its central character has not been fully examined or understood. This book argues that the work is both history and tragedy; the characterization of Alexios I Komnenos is cumulative; it develops; the models for his idealization change; much of the action takes place in his mind and the narrative relays and amplifies his thought while building a dense picture of the world in which he acts. Engaging critically and responsively

with other texts, Komnene uses the full range of current literary genres to portray the ideal culture of his rule. She matches her art of literary control to his of government over the adverse forces of his time. <i>Intended as a Companion to the New Testament, and Embracing an Introductory Account of the New Testament; a Resumé and Harmony of Gospel History; Tables of</i>	<i>Weight, Measure and Chronology; a Dictionary of Hard Words and Phrases; an Explanation of Obsolete and Archaic Words; a Biographical and Geographical Dictionary; and a Table of Old Testament Quotations: Together with Maps and Plans, Etc</i> Simon and Schuster Documents the changes in approaches to gender in opera in the early 19th century. <i>Joseph II. and his Court</i>	Winged Hussar Publishing Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women. <i>Jesus Our Lord</i> Destiny Image Publishers Volume contains: 201 NY 520 (Walsh v. A major new history of the Crusades with an unprecedented wide scope, told in a tableau of portraits of

people on all sides of the wars, from the author of *Powers and Thrones*. For more than one thousand years, Christians and Muslims lived side by side, sometimes at peace and sometimes at war. When Christian armies seized Jerusalem in 1099, they began the most notorious period of conflict between the two religions. Depending on who you ask, the fall of the holy city was either an

inspiring legend or the greatest of horrors. In *Crusaders*, Dan Jones interrogates the many sides of the larger story, charting a deeply human and avowedly pluralist path through the crusading era. Expanding the usual timeframe, Jones looks to the roots of Christian-Muslim relations in the eighth century and tracks the influence of crusading to present day. He widens the geographical

focus to far-flung regions home to so-called enemies of the Church, including Spain, North Africa, southern France, and the Baltic states. By telling intimate stories of individual journeys, Jones illuminates these centuries of war not only from the perspective of popes and kings, but from Arab-Sicilian poets, Byzantine princesses, Sunni

scholars, Shi'ite viziers, Mamluk slave soldiers, Mongol chieftains, and barefoot friars. Crusading remains a rallying call to this day, but its role in the popular imagination ignores the cooperation and complicated coexistence that were just as much a feature of the period as warfare. The age-old relationships between faith, conquest, wealth, power, and trade meant that

crusading was not only about fighting for the glory of God, but also, among other earthly reasons, about gold. In this richly dramatic narrative that gives voice to sources usually pushed to the margins, Dan Jones has written an authoritative survey of the holy wars with global scope and human focus.

BRILL Longlisted for the National Book Award for Fiction: Blending domestic thriller and psychological horror, this compelling page-turner follows a mother fleeing her estranged husband. Lydia Millet's previous work has been shortlisted for

the Pulitzer Prize, the National Book Critics Circle Award, and the Los Angeles Times Book Prize. Likewise greeted with rapturous praise, *Sweet Lamb of Heaven* is a first-person account of a young mother, Anna, fleeing her cold and unfaithful husband, a businessman who's just launched his first campaign for political office. When Ned chases Anna and their six-year-old daughter from Alaska to

Maine, the two go into hiding in a run-down motel on the coast. But the longer they stay, the less the guests in the dingy motel look like typical tourists—and the less Ned resembles a typical candidate. As his pursuit of Anna and their child moves from threatening to criminal, Ned begins to alter his wife's world in ways she never could have imagined. A double-edged and satisfying story with a strong female

protagonist, a thrilling plot, and a creeping sense of the apocalyptic, Sweet Lamb of Heaven builds to a shattering ending with profound implications for its characters—and for all of us. [Anna of the Five Towns](#) Charisma Media Michael Praetorius (1571-1621) was “one of the most versatile, wide-ranging, and prolific German composers of the

seventeenth century,” “also important as a theorist,” and “the most often quoted and excerpted writer on performance practice.” 2021 marks the four hundredth anniversary of this Lutheran musician’s death and the four hundred and fiftieth anniversary of his birth. Yet until now, no biography of this multitalented and fascinating man has been made available in English. This

translation of Siegfried Vogelsänger’s 2008 German biography of Praetorius will introduce you to Praetorius’s family and employers, his work as organist and court music director, his sacred and secular musical compositions, his historical and theoretical musical work, his grandiose goals and plans, and—most importantly—the man himself. Appendices provide new insights into

Praetorius's ancestry and life, as well as new translations of primary sources written by Praetorius and others. Richly furnished with pictures and illustrations and supplemented with a glossary, *Heaven Is My Fatherland* will transport you into Praetorius's world and open up for you the convictions of his heart.

A brave British widow goes to Siam and—by dint of her principled and indomitable character—inspires that despotic nation to abolish slavery and absolute rule: this appealing legend first took shape after the Civil War when Anna Leonowens came to America from Bangkok and succeeded in becoming a celebrity author and lecturer. Three decades after

her death, in the 1940s and 1950s, the story would be transformed into a powerful Western myth by Margaret Landon's best-selling book *Anna and the King of Siam* and Rodgers and Hammerstein's musical *The King and I*. But who was Leonowens and why did her story take hold? Although it has been known for some time that she was of Anglo-Indian parentage and that her tales

about the Siamese court are unreliable, not until now, with the publication of *Masked*, has there been a deeply researched account of her extraordinary life. Alfred Habegger, an award-winning biographer, draws on the archives of five continents and recent Thai-language scholarship to disclose the complex person behind the mask and the troubling facts behind the myth. He also ponders the curious fit between

Leonowens's compelling fabrications and the New World's innocent dreams—in particular the dream that democracy can be spread through quick and easy interventions. Exploring the full historic complexity of what it once meant to pass as white, *Masked* pays close attention to Leonowens's midlevel origins in British India, her education at a Bombay charity school for Eurasian children, her

material and social milieu in Australia and Singapore, the stresses she endured in Bangkok as a working widow, the latent melancholy that often afflicted her, the problematic aspects of her self-invention, and the welcome she found in America, where a circle of elite New England abolitionists who knew nothing about Southeast Asia gave her their uncritical support. Her

embellished story would again capture America's imagination as World War II ended and a newly interventionist United States looked toward Asia. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. **A Novel** The Morgan-Stanwood Publishing Group This is the first monograph to

examine the complex life of the Reformed Philadelphian court preacher Conrad Bröske (1660-1713). Chapters consider his experiences as a student at Marburg University, as educational traveler, as proponent of a millenarian mindset and his conflicts with Johann Konrad Dippel and the Elberfeld Classis. Or, The Enquirer After Truth Routledge The Study Bible for Women will equip you to

reach deep into God's Word. Perhaps the single most powerful aspect of this Bible are the "threads" of specialized study thoughtfully woven throughout, pointing you to God's larger story and allowing the Holy Spirit to write His revealed truths on your heart. In The Study Bible for Women, you'll join a host of other women, all academically trained in the original languages of

the Bible and passionate about God's Word, for an intimately deep dive into Scripture that will equip you to unlock the riches and majesty of His Word, and ignite a passion to mentor others in your life to do the same. The Study Bible for Women includes the full text of the Holman Christian Standard Bible, a clear, contemporary English translation that's faithful

to the original languages of the Bible. Features include extensive commentary notes, word studies, answers to hard questions, doctrinal notes, Biblical womanhood articles, character profiles, Written on My Heart applications, extensive book introductions, presentation pages, in-text maps, charts & timelines, full-color maps section and concordance.
