Cost and Management Accounting-I McGraw-Hill Education
Year after year, this book has immensely helped students in their comprehension of the subject and score good marks in examinations. It has been written specifically for the prescribed syllabus of Cost Accounting Paper of BCom (Hons) Semester IV of the University of Delhi and of School of Open Learning. Its basic features are the same as the mother book Cost Accounting—Principles and Practice, which is a UGC-recommended text for the last many years. Thus, it gives a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been organized on 'first things first' basis to sustain the interest of the students. Every discussion involving conceptual difficulties is immediately followed by a numerical example.

Contemporary Issues and Debates Vikas Publishing House
Accounting is an Evolved Economic Institution summarizes accounting history over the past ten thousand years and can be used as a primer of accounting history.

Principles of Accounting Volume 1 - Financial Accounting McGraw-Hill Education

This manual provides a set of comprehensive, consistent and flexible accounts to meet the needs of government and private-sector analysts and policy-makers. These accounts constitute a common framework for enhancing the comparability of data over time and across countries.

Taxation-I for Calcutta University Tata McGraw-Hill Education
The process by which government decision makers in India allocate funds among different departments, sectors and projects and how they determine the level of aggregate public expenditure is analyzed in this book. Anuradha Basu highlights the complexity of the budgetary process. The findings of this study throw new light on the observed expenditure trends in India and suggest ways in which governmental decision-making procedures can be improved.

Accounting Principles

Vikas Publishing House
This compact and concise textbook, in its second edition, gives clear analyses of the principles and practices of management control systems being practised by the companies all over the world. Divided into seven sections, the book explains various approaches and designs of management control system. It then moves on to give a detailed description of key success variables as control indicators and explains goals, strategies and organization for adaptive control, divisional autonomy and responsibility. While describing the management tools and processes, the book explains in detail, the strategic planning and programming processes, budgeting and budgetary control,

standard costing and variance analysis, transfer pricing, reward system and management control of operations. The new edition is thoroughly updated and a new chapter on Managerial Decision-Making is added to it. The chapter is added to demonstrate with examples how managerial decisions are taken by the organizations as a part of management control exercise by the application of marginal costing techniques. Primarily intended for the postgraduate students of management, the book can be equally beneficial for the commerce students, researchers, accounts professionals, and corporate policy and decision makers.

Cost Accounting: Text and Problems PHI Learning Pvt. Ltd.

Lyrics to Love is an impressive compilation of Rabindranath Tagore's poetry, masterfully translated into English by Amitabha Basu. What sets this 101-poem collection apart from other translated works is his ardent focus on highlighting the lyrical rhythms and patterns Tagore created in his original that evokes such feeling. The nuances of Tagore's expressions - of love, hope, passion, senses and sensibilities - are all elegantly and meticulously captured in the translations in this book. Basu's work aims to bring forth awareness of one of the world's most revered poets. Rabindranath Tagore won the Nobel Prize in 1913 for Literature, though many have never read his translations from the original Bengali. The readers will enjoy this collection - an excellent and highly aesthetic work. It is a welcome arrival for the literary enthusiasts of the English-speaking world, always interested in reading Tagore's work but unable due to a lack of good translation. These translations reflect not only mastery of both the languages, English and Bengali, but also intimate familiarity of the translator with the inherent culture embedded in the original writings of Tagore. This familiarity enables him to uniquely and faithfully capture nuances so difficult to convey in ordinary translations. Amitabha Basu is a professor of Bengali at the University of California, Berkeley and formerly at Stanford University.

A Business Perspective Sultan Chand & Sons
