*How The Loner Movement is Changing Our  
Lives* Penguin

A cross between the Gone series and Lord of the Flies, Quarantine #2: The Saints continues this frenetically paced and scary young adult series that illustrates just how deadly high school can be. Nothing was worse than being locked in—until they opened the door... McKinley High has been

a battleground for eighteen months since a virus outbreak led to a military quarantine of the school. When the doors finally open, Will and Lucy think their nightmare is finished. But they are gravely mistaken. As a new group of teens enters the school and gains popularity, Will and Lucy join new gangs. An epic party on the quad full of real food and drinks, where kids hook up and actually interact with members of other gangs seemed to signal a new, easier existence. Soon after, though, the world inside McKinley takes a startling turn for the worse, and Will and

Lucy will have to fight harder than ever to survive. The Saints brings readers back to the dark and deadly halls of McKinley High and the Quarantine series.

*True Stories of Sex, Love and  
Psychotherapy* Basic Books

It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are

infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

**Alone** Simon and Schuster

Destined to become the bible for a bold new subculture of eco-minded people who are creating a lifestyle out of recycling, reusing, and repurposing rather than buying new. An exciting new movement is afoot that brings together environmentalists, anticonsumerists, do-it-yourselfers, bargain-hunters, and treasure-seekers of all stripes. You can see it in the enormous popularity of many websites: millions of Americans are breaking free from the want-get-discard cycle by which we are currently producing approximately 245 million tons of waste every day (that's 4.5 pounds per person, per day!). In *The Scavengers' Manifesto*, Anneli Rufus and

Kristan Lawson invite readers to discover one of the most gratifying (and inexpensive) ways there is to go green. Whether it's refurbishing a discarded wooden door into a dining-room table; finding a bicycle on freecycle.org; or giving a neighbor who just had a baby that cute never-used teddy bear your child didn't bond with, in this book Rufus and Lawson chart the history of scavenging and the world-changing environmental and spiritual implications of "Scavenomics," and offer readers a framework for adopting scavenging as a philosophy and a way of life.

Snoop Da Capo Press

An award-winning journalist offers a frank, insightful exploration of the full range of emotions that often accompany death, discussing the conflicted feelings of loss, guilt, doubt, and even joy that sometimes accompanies the death of a loved one.

Original.

*The Afterlife of the Party* Simon and Schuster

A formal creed for loners, empaths, introverts, wallflowers, misfits-and those who seek to understand them.'*The Perilous Comfort of Being a Loner: An*

*Empath's Guide to a Better Life in Solitude and the Internal Universe'* is a detailed, careful anatomy of living as an empath and beyond: on loners, introversion, the internal universe, sociopaths, and more.

**How We Really Respond to Death**

Carolrhoda Lab™

Rufus identifies a rather striking social trend: many people are stuck in the wrong relationship, career, or town, or just with bad habits they can't seem to quit. Many even say they want to change, but face a complex network of causes for immobilization.

*A Novel!* Thomas Dunne Books

An internationally bestselling comic novel in which a man—with the help of a bunny—suddenly realizes what's important in life "Escapism at its best . . . Just pure fun." —NPR.org "Which of us has not had that wonderfully seditious idea: to play hooky for a while from life as we know it?" With these words from his foreword, Pico Iyer puts his finger on the exhilaratingly anarchic appeal of *The Year of the Hare*, a novel in the bestselling tradition of *Watership Down*, *Jonathan Livingston Seagull*, and *Life of Pi*. While out on assignment, a journalist hits a hare

with his car. This small incident becomes life-changing: he decides to quit his job, leave his wife, sell his possessions, and spend a year wandering the wilds of Finland—with the bunny as his boon companion. What ensues is a series of comic misadventures, as everywhere they go—whether chased up a tree by dogs, or to a formal state dinner, or in pursuit of a bear across the Finnish border with Russia—they leave mayhem (and laughter!) in their wake.

### **The Field Guide to the North**

**American Teenager** Simon and Schuster "From comedian, Esquire contributor, and former MTV VJ Dave Holmes, the hilarious memoir of a music geek and perpetual outsider fumbling his way toward self-acceptance, with the music of the '80s, '90s, and '00s as his soundtrack. Dave Holmes has spent his life on the periphery, nose pressed hopefully against the glass, wanting just one thing: to get inside. Growing up, he was the artsy kid in the sporty family. At his high school and Catholic college, he was the closeted gay kid surrounded by crush-worthy straight guys. And in his twenties, in the middle of a disastrous career in advertising, he

accidentally became an MTV VJ overnight when he finished second, naturally, in the Wanna Be a VJ contest, opening the door to fame, fortune, and celebrity—you know, almost. But despite all the close calls, or possibly because of them, he just kept trying, and if (spoiler alert) he never quite succeeded, at least he got some good stories out of it. In *Party of One*, Dave tells the hilariously painful and painfully hilarious tales—in the vein of Rob Sheffield, Andy Cohen, Josh Kilmer-Purcell, Paul Feig, and Augusten Burroughs—of an outsider desperate to get in, of a misfit constantly changing shape, of a guy who finally learns to accept himself. Structured around a mix of hits and deep cuts from the '80s, '90s, and '00s—from Bruce Springsteen's 'Hungry Heart' to Wilson Phillips's 'Impulsive' to *En Vogue's 'Free Your Mind'* and beyond—and punctuated with interludes like 'So You've Had Your Heart Broken in the 1990s: A Playlist,' this book is for anyone who's ever felt like a square peg, especially those who found their place in the world, as we often do, around a band, an album, or a song. It's a laugh-out-loud funny, deeply nostalgic story about never fitting in, never giving

up, and listening to good music along the way"--

### **Stories of Splendid Solitude:**

**Easyread Large Edition** Gallery Books Despite 21st-century fears of an 'epidemic' of loneliness, its history has been sorely neglected. *A Biography of Loneliness* offers a radically new interpretation of loneliness as an emotional language and experience. Using letters and diaries, philosophical tracts, political discussions, and medical literature from the eighteenth century to the present, historian of the emotions Fay Bound Alberti argues that loneliness is not an ahistorical, universal phenomenon. It is, in fact, a modern emotion: before 1800, its language did not exist. And where loneliness is identified, it is not always bad, but a complex emotional state that differs according to class, gender, ethnicity and experience. Looking at informative case studies such as Sylvia Plath, Queen Victoria, and Virginia Woolf, *A Biography of Loneliness* charts the emergence of loneliness as a modern and embodied emotional state. [Tuesday Nights in 1980](#) Simon and Schuster

After the death of his father, the

flamboyant and controversial Judge Oliver Garland, Talcott must unravel the truth about his father's life, a quest that brings him face to face with old scandals and family secrets.

A Novel Simon and Schuster

Just one month after his twenty-first birthday, Peter Rudiak-Gould moved to Ujae, a remote atoll in the Marshall Islands located 70 miles from the nearest telephone, car, store, or tourist and 2000 miles from the closest continent. He spent the next year there, living among its 450 inhabitants and teaching English to its schoolchildren. At first glance, *Surviving Paradise* is a thoughtful and laugh-out-loud hilarious documentation of Rudiak-Gould's efforts to cope with daily life on Ujae as his idealistic expectations of a tropical paradise confront harsh reality. But Rudiak-Gould goes beyond the personal, interweaving his own story with fascinating political, linguistic and ecological digressions about the Marshall Islands. Most poignant are his observations of the noticeable effect of global warming on these tiny, low-lying islands and the threat rising water levels pose to their already precarious existence.

**The Guest List** HarperCollins

When are you too far in to get out? Eighteen-year-old Evan and his best friend, Davis, get beaten up for being loners. For being gay. For just being themselves. But as rough as things often seem, at least Evan can take comfort in his sweet, sexy boyfriend Erik —whom he's kept secret from everyone for almost a year. Then Evan and Davis are recruited to join the Chasers, a fringe crowd that promises them protection and status. Davis is swept up in the excitement, but Evan is caught between his loyalty to Davis and his love for Erik. Evan has lied to keep his two worlds separate. Now his lies are about to implode...and destroy the very relationships he's been trying to protect.

The Loners Faber & Faber

WHAT MEN WANT. WHAT MEN FEEL. WHAT WOMEN NEED TO KNOW. When Dr. Brandy Engler opened her sex therapy practice for women in Manhattan, she got a big surprise. Most of the calls were from men. They wanted to talk about womanizing, porn addiction, impotence, prostitutes—and most of all, love. Her patients were everyday guys from all

walks of life. Among them were David, the Wall Street hotshot and compulsive womanizer; Charles, an introvert who kept pushing away the fiancée he thought was too beautiful for him; Paul, the self-made man who visited massage parlors despite his sexy wife; and the men's group whose stark revelations about male anger and their search for the right woman will open your eyes. In *The Men on My Couch*, Dr. Engler allows readers inside those private sessions to witness her exciting and evocative encounters with what men desire and fear. Dr. Engler tells her own story, too. At first her patients' revelations are painful and disconcerting, especially against the backdrop of her own difficult love affair. Yet Dr. Engler lets readers experience how she evolves both professionally and personally, from chagrin to compassion, and reconciles her idealized notions of love and sex with the unexpected and raw truths she hears in the office. *The Men on My Couch* is unlike books you've read before. There are no tired facile conclusions or pejorative generalizations. Here are fresh insights into modern sexual maladies, gleaned from real people having real struggles and

experiencing real epiphanies—in the real world. This book will change how both women and men think about love, sex, and desire.

The Master Switch Party of OneThe Loners' Manifesto

THE INSTANT NEW YORK TIMES

BESTSELLER! Starred reviews from Kirkus Reviews \* Publishers Weekly \* Library Journal Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces

herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

*All Your Twisted Secrets* Penguin

A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Utøya, where he killed sixty-nine more, most of

them teenage members of Norway's governing Labour Party. In *One of Us*, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller *The Bookseller of Kabul*, Seierstad excels at the vivid portraiture of lives under stress. She delves deep into Breivik's troubled childhood, showing how a hip-hop and graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to "save Norway" from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik's victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utøya, we know both the killer and those he will kill. We have also gotten to know an entire country—famously peaceful and prosperous, and utterly incapable of protecting its youth.

*The Rise and Fall of Information Empires* Farrar, Straus and Giroux

Morris Award Finalist for Best Debut YA Novel of the Year! A hilarious YA contemporary realistic novel about a witty Black French Canadian teen who moves to Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school experience—including falling in love. Perfect for fans of Nicola Yoon, *When Dimple Met Rishi*, and John Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs. Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader,

who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart. *The Unhoneymooners* Oxford University Press

I didn't even want to go to the party. Seriously, I'd rather have stayed home with my librarian-witch grandmother and her mystical book club than go. But my best friend Skyler begged me. So I went. And it was the worst party of my life. Actually, it was the last party of my life. Not only was there something very strange about the band, but the lead singer bit me afterwards. And then took off with Skyler. Now I'm chasing down a band of dangerous vamps with my best guy friend Vaughn—the boy I've been secretly crushing on forever. But anything can happen on the road. I thought all I wanted was for things to change with Vaughn. For him to finally see the real me. But this

wasn't what I had in mind... Let the afterlife begin. The Afterlife series is best enjoyed in order. Reading Order: Book #1 The Afterlife of the Party Book #2 I'm with the Banned Book #3 A Sucker for You

**The Rise of a New Radical Majority**  
Entangled: Teen

Capturing the atmosphere of anxiety and loss that exists in Manhattan, this is a story of the city itself, and the interconnected lives of those attempting to navigate both Manhattan and their own mortality. Joseph Guiteau is a working actor who moved to New York to escape a tragic family history in the Midwest. Wandering through a city transformed by the attacks of September 2001, he frequents gatherings of conspiracy groups, trying to make sense of world events and his own personal history. Looming over his life is a secret that threatens to undermine his new marriage to Del, a snake expert at a city park, whose work visa is the only thread keeping her from deportation back to her native Greece. The new marriage influences the lives of those around them: William, a dark and troubled actor whose sanity is fading as quickly as his career, leading him to perform increasingly

desperate acts; Madi, a young entrepreneur who will have to face the moral complications of a business made successful by the outsourcing of American jobs to India; and her brother Raj, Del's former lover, a promising photographer whose work details the empty rooms of an increasingly alienated city.

**Why We Can't (or Won't) Move on**  
HarperCollins

"In one sentence, Ms. Prentiss captures a sense of intoxication and possibility that six seasons of voice-overs from Sarah Jessica Parker never could...Ms. Prentiss concludes her novel on a note that's both ethereal and brutally realistic. She cauterizes wounds, but they're still visible and bare. But for her characters—for this promising author—it's enough." —The New York Times "An intoxicating Manhattan fairy tale...As affecting as it is absorbing. A thrilling debut." —Kirkus Reviews (starred review) "A vital, sensuous, edgy, and suspenseful tale of longing, rage, fear, compulsion, and love." —Booklist (starred review) An intoxicating and transcendent debut novel that follows a critic, an artist, and a desirous, determined young woman as they find

their way—and ultimately collide—amid the ever-evolving New York City art scene of the 1980s. Welcome to SoHo at the onset of the eighties: a gritty, not-yet-gentrified playground for artists and writers looking to make it in the big city. Among them: James Bennett, a synesthetic art critic for The New York Times whose unlikely condition enables him to describe art in profound, magical ways, and Raul Engales, an exiled Argentinian painter running from his past and the Dirty War that has enveloped his country. As the two men ascend in the downtown arts scene, dual tragedies strike, and each is faced with a loss that acutely affects his relationship to life and to art. It is not until they are inadvertently brought together by Lucy Olliason—a small town beauty and Raul's muse—and a young orphan boy sent mysteriously from Buenos Aires, that James and Raul are able to rediscover some semblance of what they've lost. As inventive as Jennifer Egan's *A Visit From The Goon Squad* and as sweeping as Meg Wolitzer's *The Interestings*, *Tuesday Nights in 1980* boldly renders a complex moment when the meaning and nature of art is being all

but upended, and New York City as a whole is reinventing itself. In risk-taking prose that is as powerful as it is playful, Molly Prentiss deftly explores the need for beauty, community, creation, and love in an ever-changing urban landscape.

**Celebrating Time Alone** Penguin  
A REESE'S BOOK CLUB PICK THE NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES BEST THRILLERS OF 2020 "I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- New York Times Book Review A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride - The plus one - The best man - The wedding planner - The bridesmaid - The body On an island off the

coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the

boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The

groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?
