COLBY BROOKS

Liberation of Earth

Goddess University of Michigan Press
A sacred feminine initiation of self-love and soul care rituals, tools, and exercises. Spiritual teacher, intuitive coach, and award-winning author, Abiola Abrams invites you to activate African goddess magic to transmute your fears and limiting beliefs, so that you can create more happiness, abundance, and self-acceptance. Africa is a continent of 54+ countries, and her children are global. There is no one African spiritual tradition. Our ancestors who were trafficked in "The New World" hid the secrets of our orishas, abosom, Iwas, álúsí, and god/desses behind saints, angels, and legendary

characters. From South Africa to Egypt, Brazil to Haiti, Guyana to Louisiana, goddess wisdom still empowers us. Writes Abiola, "Spirit told me, "We choose who shows up." And if you are holding this book, then this sacred medicine is meant for you. In this book, you will meet ancient goddesses and divine feminine energy ancestors, legendary queens, and mystical spirits. As you complete their powerful rituals, and ascend through their temples, you will: . Awaken generational healing in the Temple of Ancestors; . Manifest your miracles in the Temple of Conjurers; . Release the struggle in the Temple of Warriors; . Embrace your dark goddess self in the Temple of Shadows; . Heal your primal wounds in the Temple of Lovers; . Liberate your voice in the Temple of Griots; . Open

your third eye intuition in the Temple of Queens; and . Surrender, meditate, and rise in the Temple of High Priestesses. Welcome to your goddess circle!

A South African Myth

Oxford University Press, USA
The Rain GoddessGalago Pub.

A New, Original and Exhaustive Work of Reference to All English Words, Their Origin, Development, Orthography, Pronunciation, Meaning and Legitimate Or Customary Use ...

Stanford University Press
The re-awakening of the goddess concept has become more important than ever as women attempt to survive their own evolution of today. A growing number are searching for effective ways to use this ancient philosophy in more personalize and creative

ways. As we fight for justice and respect for what we bring to the table, no better expression demonstrates our current mood as does the statement of character Paul Atreides in Frank Herbert's sci-fi 'Dune', "The sleeper has awoken". This journal of goddesses and their poetic myths attempts to remind us, we are the power and light. Regardless of race, cultural or economic status, it is now time to own it. For men, we welcome you to explore and sense the road we've traveled, the burden we've carry and most important, our resilience to overcome and continue.

Vicissitudes of the Goddess Dumbarton Oaks Bestselling poet, writer, and Instagram sensation Nikita Gill returns with a collection of poetry and prose retelling the legends of the Goddesses, both great and small, in their own words. With lyrical prose and striking verse, beloved poet Nikita Gill (Fierce Fairytales, Wild Embers) uses the history of Ancient Greece and beyond to explore and share the stories of the mothers, warriors, creators, survivors, and destroyers who shook the

world. In pieces that burn with empathy and admiration for these women, Gill unearths the power and glory of the very foundations of mythology and culture that have been too-often ignored or pushed aside. Complete with beautiful hand-drawn illustrations, Gill's poetry and stories weave old and forgotten tales of might and love into an empowering collection for the modern woman.

The Encyclopaedic Dictionary Oxford University Press on Demand

Sixteen year-old Clara and her two brothers have a secret - one that could destroy their commune if anyone found out. When a race of people, thought to be long-extinct, appears outside their home, their secret is exposed. In the same day, a strange woman "spills" out of the computer that powers the commune, and claims to be the Goddess that they all worship, incarnated into flesh and blood to warn of an approaching war. Clara's world is soon turned upside-down as the woman's prediction is fulfilled, causing her to question everything she's ever known about her life and beliefs.

Translated from the

German of M. Schlimpert by Trauer Mantel; with Wood Cuts Designed by G. Seguin Createspace Independent Publishing Platform

Mbaba Mwana Waresa, the rain goddess who lives in a round hut of rainbow arches in the clouds, embarks on a quest for companionship among the mortals and puts the young cattleherder who has captured her heart to the test to determine whether he can see beyond her appearance and into her deepest soul. Reprint.

Marriage of the rain goddess Penguin

A Fantasy Romance novel set in Stone Age Africa

The sun's rays parch Juma as she leads her all male family toward the main village. Nothing and no one will stop her from becoming the chieftess' apprentice. So she ignores the heat.

Everything will be better near the lake. But the fields that should sprout green by now lie bare, with precious soil cracked and dry. Even the lake, thought to be everlasting, dwindles. Juma discovers that heat daemon Mubuntu is out of control and that the rain goddess is still sleeping. But only Netinu, the chieftess' son, believes her, and he

seems more interested in courting her than in the welfare of the tribe. With her dreams going up in flames, Juma prepares to battle the daemon and wake the goddess - and maybe, in the process, prove herself worthy of becoming chieftess. A few words from the author This Fantasy story is loosely based on Theodor Storm's novella "Die Regentrude" (Germany 1863) but is set in Africa in a tribe of the little known Nok. All we know about this culture is that they left very beautiful clay statues and kilns behind. As far as we know, they went directly from using stone to iron tools without first using copper and brass like the rest of the world. What little I was able to find out about the Nok, I found so fascinating that I wanted to make them come alive again. And what better way to do that than with a love story.

Comprehensive and cross-referenced, this informative volume is a rich introduction to the world of nature as experienced by ancient peoples around the globe. 51 halftones.
[Great Goddesses](#)

Independent Bookworm
From the dawn of the human race, the idea of a Mother Goddess has been an archetype found in every culture and every era--and this fascinating study explores all of her many faces and multitude of roles

[Goddess on the Frontier](#)
Oxford University Press
This discussion considers the iconographic features and radiocarbon dates of two small wood figures reportedly found in the vicinity of Texcoco. One figure represents the water goddess Chalchiuhtlicue, while the other, a nude male figure, may represent a rain deity.

Marriage of the Rain Goddess YadiArt

Four years ago, con artist Eden Hunter died - only to be reborn as a Reaper on an uncharted island paradise. Now she's just trying not to die again. Which was tricky enough before Eden got framed for murdering her old flame. But Eden's not just concerned about going down for murder. She's got a much bigger secret involving a vengeful (and somewhat drunken) rain goddess she needs to keep quiet. It's why she's living miles from anyone else, even on a mysterious island that

appears on no map. And if that secret gets out, the fate awaiting Eden is far worse than life in prison. Too bad the FBI's on her case - and they won't stop digging until it might be too late...

[Amefurashi, the Rain Goddess](#) Pleasure Boat Studio: A Literary Pr
Boxed set of four #1 bestselling "Vampire for Hire" mystery novels, starring Samantha Moon-mother, wife, private investigator...vampire.
MOON DANCE Six years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire. Now the world at large thinks Samantha has developed a rare skin disease, a disease which forces her to quit her day job and stay out of the light of the sun. Working the night shift as a private investigator, Samantha is hired by Kingsley Fulcrum to investigate the murder attempt on his life, a horrific scene captured on TV and seen around the country. But as the case unfolds, Sam discovers Kingsley isn't exactly what he appears to be; after all,

there is a reason why he survived five shots to the head. **VAMPIRE MOON** Samantha finds herself hunting down a powerful crime lord and protecting an innocent woman from her ruthless ex-husband- all while two very different men vie for her heart. And as the stakes grow higher and her cases turn personal, Samantha Moon will do whatever it takes to protect the innocent and bring two cold-blooded killers to justice- her own brand of justice. **AMERICAN VAMPIRE** Samantha receives a heartbreaking phone call from a very unlikely source: a five-year-old girl who's been missing for three months. Now on the hunt, Sam will use her considerable resources- including her growing supernatural abilities- to locate the missing girl before it's too late. And as she gets closer and closer to the horrible truth, she receives devastating news on the home front. Now with her world turned upside down, Samantha Moon is forced to make the ultimate choice of life and death. **MOON CHILD** Samantha is faced with an impossible decision- a decision that no mother should ever have to make. A decision that will change her life, and those

she loves, forever. And through it all, Sam finds herself in a lethal game of vampire vs. vampire as a powerful- and desperate- enemy will stop at nothing to claim what he most desires. **CHRISTMAS MOON** Now with Christmas just around the corner, Samantha finds herself taking on a very strange case. A mysterious family treasure has been stolen, something priceless that's been passed down through the generations, something buried in secrets.

The Rain Goddess

Wentworth Press

Gimmy is just an ordinary teen living in a desert town when his younger brother and sister

disappear. While searching for them, Gimmy comes face-to-face with a sassy deity, Sora, the rain goddess who provides water to the town. But another goddess, Ciel, wants Sora's sacred tree--so that she can control the rain!

Legends of the Earth, Sea, and Sky

Knightengale Books

Dali is a small region on a high plateau in Southeast Asia. Its main deity, Baijie, has assumed several gendered forms throughout the area's history: Buddhist goddess, the mother of Dali's founder, a widowed martyr, and a village divinity. What accounts for so many different incarnations of a local deity? Goddess on the Frontier argues that Dali's encounters with forces beyond region and nation have influenced the goddess's transformations. Dali sits at the cultural crossroads of Southeast Asia, India, and Tibet; it has been claimed by different countries but is currently part of Yunnan Province in Southwest China. Megan Bryson incorporates historical-textual studies,

art history, and ethnography in her book to argue that Baijie provided a regional identity that enabled Dali to position itself geopolitically and historically. In doing so, Bryson provides a case study of how people craft local identities out of disparate cultural elements and how these local identities transform over time in relation to larger historical changes—including the increasing presence of the Chinese state.

Magic - Moisture - Medium

Kodansha Comics

Gimmy and his younger twin siblings find Sora, a rain goddess in the body of a young girl, who provides water to their town and is threatened by Ciel, another goddess who wants Sora's sacred tree, the source of her power. *Moonbeams and Shooting Stars* The Rain Goddess Collects stories from ancient Middle Eastern mythology, including the Babylonian creation story, the mythical life of Gilgamesh, king of Uruk, the Canaanite origin of the seasons myth, and the stories of Mesopotamian gods and goddesses.
