Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.
