The Most Dangerous Game Standard Ebooks
 Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America’s notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass *History of Plymouth Plantation, 1620-1647* HarperCollins Canada
 After stowing away on a pirate ship manned by nasty sea dogs, mice Charles and Oliver become involved in their plot to attack a ship of cats and steal a load of sunken treasure belonging to the Queen of England.

The Cask of Amontillado (📖📖📖📖📖) Dramatists Play Service Inc
 The protagonist of this fictional autobiography wrestles with race in America from the perspective of someone who learns that he is considered black but also that he can pass as white if he wants to. His personal ambitiousness and racial ambivalence makes him a sort of American Hamlet: undone by indecision. Will he be “a credit to his race” by advancing an African-American heritage he loves and appreciates in the face of a hostile culture, or will he retreat into the mediocrity of a safe, white, middle-class family life? Along the way, he shares his penetrating observations about race relations in the American north and south, about the “freemasonry” of subterranean black American culture, about the emerging bohemian jazz subculture in New York City, and about traditions of African American religious music and oratory. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Three Questions Standard Ebooks
 Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago’s faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights.  Tillie Olsen carved a permanent place in American literature on the strength of a single book, TELL ME A RIDDLE in 1962. This collection was widely hailed as a work of genius, in which the voices of ordinary Americans, black and white, male and female, were given their own rhythms and forms of expression. YONNONDIO, Olsen's only novel, was begun during the depression and completed in 1974. It tells the story of the Hollbrooks, an itinerant working-class family in middle-America during the thirties. Brutalised by poverty, they struggle to find a space to breathe, to dream and to create a better life for their children. Told in compelling, haunting prose, it is a profound and timeless story of the human will to survive.

Pharmacotherapy Casebook: A Patient-Focused Approach, 9/E BJU Press
 The Philosophy of Composition Edgar Allan Poe "The Philosophy of Composition" is an essay by Edgar Allan Poe. Edgar Allan Poe (born Edgar Poe; January 19, 1809 - October 7, 1849) was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, Tamerlane and Other Poems (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming known for his own style of literary criticism. His work forced him to move among several cities, including Baltimore, Philadelphia, and New York City. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Lady, Or the Tiger? - Scholar's Choice Edition Evan-Moor

Master verbalist Richard Lederer, America's "Wizard of Idiom" (Denver Post), presents a love letter to the most glorious of human achievements...

Welcome to Richard Lederer's beguiling celebration of language -- of our ability to utter, write, and receive words. No purists need stop here. Mr. Lederer is no linguistic sheriff organizing posses to hunt down and string up language offenders. Instead, join him "In Praise of English," and discover

why the tongue described in Shakespeare's day as "of small reach" has become the most widely spoken language in history: English never rejects a word because of race, creed, or national origin. Did you know that jukebox comes from Gullah and canoe from Haitian Creole? Many of our greatest writers have invented words and bequeathed new expressions to our everyday conversations. Can you imagine making up almost ten percent of our written vocabulary? Scholars now know that William Shakespeare did just that! He also points out the pitfalls and pratfalls of English. If a man mans a station, what does a woman do? In the "The Department of Redundancy Department," "Is English Prejudiced?" and other essays, Richard Lederer urges us not to abandon that which makes us human: the capacity to distinguish, discriminate, compare, and evaluate.

Short Story Gardner's Books

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.
