*No One Is Talking About This* Penguin

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

Tibet is a land lost in the glare of politics and romanticism, and Ma Jian set out to discover its truths. *Stick Out Your Tongue* is a revelation: a startlingly vivid portrait of Tibet, both enchanting and

horrifying, beautiful and violent, seductive and perverse. In this profound work of fiction, a Chinese writer whose marriage has fallen apart travels to Tibet. As he wanders through the countryside, he witnesses the sky burial of a Tibetan woman who died during childbirth, shares a tent with a nomad who is walking to a sacred mountain to seek forgiveness for sleeping with his daughter, meets a silversmith who has hung the wind-dried corpse of his lover on the wall of his cave, and hears the story of a young female incarnate lama who died during a Buddhist initiation rite. In the thin air of the high plateau, the divide between dream and reality becomes confused. When this book was published in Chinese in 1997, the government accused Ma Jian of "harming the fraternal solidarity of the national minorities," and a blanket ban was placed on his future work. With its publication in English, including a new afterword by the author that sets the book in its personal and political context, readers get a rare glimpse of Tibet through Chinese eyes—and a window on the imagination of one of China's foremost writers.

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.
