An Integrated Skills
Approach. 4 Pearson
Education ESL
Recent SLA research
recognizes the
necessity of attention

to grammar and
demonstrates that
form-focused
instruction is especially
effective when it is
incorporated into a
meaningful
communicative
context. Designed
specifically for second-
language teachers, this

text identifies and explores the various options for integrating a focus on grammar and a focus on communication in classroom contexts and offers concrete examples of teaching activities for each option. Each chapter includes a description of the option, its theoretical and empirical background, examples of activities illustrating in a non-technical manner how it can be implemented in the classroom, questions for reflection, and a list of useful resources that teachers can consult for further information.

Focus on Grammar

Routledge

Through controlled and communicative exercises this text helps students to bridge the gap

between identifying grammatical structures and using them. Each unit progresses through four steps: grammar in context, grammar presentation, focused practice and communication practice. Includes circling, matching, filling-in-the-blank, underlining, correcting, completion, short answer and writing exercises.

Teaching Grammar in Second Language Classrooms

Routledge

Reviews and expands students' knowledge of English grammar through listening, speaking, reading, and writing activities.

Focus on Grammar

Cambridge University Press

The GrammarLink Teacher's Book includes: * An introduction to the

characters, sections and activity types in the Students' Book.* Useful tips, suggestions and further teaching ideas.* The Key to the exercises in the Students' Book.*¹⁹ Oral activities, one for each unit in the Students' Book.* Photocopiable quizzes. Conventions 101 Pearson Education ESL The Teacher's Manual contains a variety of suggestions and information to enrich the material in the Student Book. It includes general teaching suggestions for each section of a typical unit, answers to frequently asked questions, unit-by-unit teaching tips with ideas for further communicative practice, and a supplementary

listening activity section. Answers to the Student Book exercises and audioscripts of the listening activities are found at the back of the Teacher's Manual. Also included in the Teacher's Manual is a CD-ROM that includes PowerPoint presentations that offer alternative ways of presenting selected grammar structures. Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment. A high-intermediate course for reference

and practice LONGMAN Focus on Grammar and Meaning explores how to teach grammar effectively to second or foreign language learners aged 5–18. It provides teachers with research insights that will help them to reflect on their classroom practice and enable them to experiment with different ways of teaching grammar. Taking a ‘systemic-functional’ approach, the authors emphasize the importance of linking language and meaning in teaching. Key research studies on grammar instruction are featured, examples from real classroom practice are examined, and activities are provided to help teachers relate the content to their own teaching context.

Schleppegrell is Professor of Education at the University of Michigan, Ann Arbor. *Step by Step Book 4 Teacher's Guide* Allyn & Bacon Focus on Grammar, in its new fourth edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and

critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication.

English in Mind Level 1 Student's Book with DVD-ROM Taylor & Francis

This second edition updates a course which has proven to be a perfect fit for classes the world over.

Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. The Teacher's Resource

Book contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvulcri. A Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware which integrates the Student's Book, class audio and video.

Trailblazers 4 Teacher's Manual 1st Ed. 2006 Taylor & Francis

"Building on the success of previous editions, Focus on Grammar continues to provide an integrated-skills approach to engage students and help them accomplish

their goals of communicating confidently, accurately, and fluently"--Back cover.

Teacher's Resource Pack Routledge
 Understanding and Teaching Grammar in the Primary Classroom is a practical guide for trainee and practising teachers, with language, and the way we use it to think and communicate, at its heart. Built on a foundation of how powerful, beautiful and thought-provoking language is, this book uses our intuitions about words and language to form a picture of how grammar works, and how even very young children are masters of its patterns. Each chapter builds from fundamental concepts up to the fine details,

providing an introduction to developing grammatical subject knowledge, alongside explanations of key ideas and vocabulary, including:

- Generality – a look at the general structures of sentences that allow us to learn a language at all
- Specifics – a look at the words and modifications that allow us to use this universal tool to pinpoint the specifics of our thoughts and the world around us
- Relationships – looking at how sentences behave in relation to one another, and how they can be merged in such a way that we can show cause and effect in the world
- Humans – focusing on some of the details and idiosyncrasies we are able to give our

language • Language games – examples of language typical of children, and methods to pull this apart and understand how it works. At its core is the idea that as our language grows, so our understanding grows; grammar is not the study of what to say and how to say it, but of what it is possible to think, feel and express in words. Illustrated throughout with practical lesson ideas, helpful tips and easy-to-use classroom strategies, *Understanding and Teaching Grammar in the Primary Classroom* is a must-read guide for all trainee and practising primary teachers.

An Integrated Skills Approach. 4 Allyn & Bacon
Instill grammar

fundamentals using lessons that stick! In this book, authors Amy Benjamin and Joan Berger share procedures for teaching grammar effectively and dynamically, in ways that appeal to students and teachers alike. Ideal for teachers just beginning their work in grammar instruction, this book includes day-by-day units and reproducibles to help them embed grammar lessons into writing instruction. Using visuals, wordplay, problem solving, and pattern-finding activities, teachers can forgo methods that fail to engage students in grammar. Through a series of activities designed to delve deeper into grammar learning, the authors share strategies that

have proven successful during their extensive years of teaching and literacy consulting. Topics include: Using time wisely: Assess for cumulative understanding and development of writing style The "Verb Map": A visual metaphor of the verb system Teaching parts of speech for effective expression, not just memorization And more!

Focus on Grammar 3
 Pearson Education ESL
 Providing a much-needed critical synthesis of research on teaching vocabulary and grammar to students of a second or foreign language, this book puts the research into perspective in order to distil recommendations for language teaching. Boers evaluates a

comprehensive range of both well-established and lesser-known research strands and classroom practices to draw out the most effective instructional approaches to teaching words, multiword expressions and grammar patterns. Chapters discuss learning as a by-product of communicative activities, language-focused instruction, diverse types of exercises, mnemonic techniques and more, with a view to building bridges between the available research on such instructional approaches and how they are commonly implemented in actual language courses and textbooks. This book helps teachers make research-informed

decisions regarding their instructional approaches to words, phrases and patterns, and direct researchers to specific areas in need of further inquiry. Boers not only demonstrates how research findings can inform effective teaching, but also calls for a deeper appreciation on the part of researchers of the realities of the teaching profession, making this a worthwhile text for preservice teachers, teacher educators, graduate students and scholars.

Workbook Taylor & Francis

All you need to encourage a love and enthusiasm for reading and writing from a young age. Benefit from the experience of key educators across the Caribbean regions who have carefully designed this resource to give your students exactly the right introduction to the Language Arts curriculum. -Ensure a steady transition from Creole to Standard English with an introductory section on language acquisition in the Teacher Guides called Language Strategy. -Cover technicality of grammar, vocabulary and syntax using picture cues and writing as well as reading and reading comprehension. -Offer

exposure to many different forms of text with a variety of different text types and genres. -Connect reading and writing with templates, to make sure that students don't fall behind and progress evenly with both. This book accompanies the Step by Step Student's Book 4, 9781510414181.

Focus on Reading

Heinle & Heinle Pub

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the

grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Integrating Form-Focused Instruction in Communicative Context UNSW Press

This pack consists of the Focus on Grammar 4 Student Book with a MyEnglishLab access code and Workbook 4. Focus on Grammar

maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: Updated high-interest readings in multiple genres that expose

students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide greater clarity. Explicit pronunciation activities to improve fluency and accuracy. Expanded listening tasks allow students to develop a range of listening skills. Flexible, ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the

Teacher's Resource Pack, available separately.) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well. [A Practical Toolkit](#) Cambridge University

Press

This language course for 6-11 year olds provides a straightforward, practical approach to teaching essential grammatical concepts step-by-step. The series consists of five pupil books which are packed with simply presented differentiated grammar activities. Each unit focuses on one grammatical concept, presented and explained clearly and concisely with the help of easy-to-understand illustrations, followed by practice, reinforcement and extension exercises. Two progress tests for each book review and consolidate pupil learning. One practical teacher's guide for the whole course provides explanations,

background notes and answers for every pupil book, photocopiable individual and class record sheets for assessment, and support for teachers in introducing key grammatical concepts to children. This course is fully referenced to NLS framework objectives for additional lesson-planning support.
