Are you very talented and creative but cannot find the willpower, drive and motivation to achieve your dreams? Procrastination is the problem. This book is your answer. There is nothing that depresses productivity and stunts personal development more than procrastination. Yet, procrastination creeps slowly and meekly into our lives through the very same shortcuts that we engaged to allow us comfort and convenience - bad habits. This book, "Procrastination: Overcome the bad habits of procrastination and laziness and become more productive" has been specifically written to enable you kick out procrastination, regain your productivity and achieve your full potential. The book starts by introducing you to what procrastination really is and

provides you with telling signs of procrastination, some of them often hidden and uneasy to detect. It further cautions you on the pitfalls you are likely to fall into should you not be careful and the negative effects of procrastination. Most people never realize that they are procrastinators. Never assume you are not one unless you prove it. A simple, yet powerful self-diagnosis procrastination test kit has been devised for you. Should you find yourself not a procrastinator, that would be great for you. However, it does not end there. You can use the same kit to help your family, friends and loved ones who could be suffering from procrastination without knowing it. Discovery is the best way to finding a lasting solution. The best way to confront a disease it to go beyond its symptoms and attack its root causes. Some of the root causes may be common to all procrastinators while others could be unique to each procrastinator. Nonetheless, this book provides all likely causes of procrastination so that you can review and evaluate your very own condition and determine the most likely causes of your procrastination. Once you determine the root causes of your procrastination, the next obvious step is

to heal it. This book provides you with the most elaborate, powerful and effective ways to overcome procrastination. Procrastination is an aggregate collection of bad habits which results into you delaying your decision or action without prudence. Like all bad habits, the best way to overcome procrastination is to engender good daily habits that will help you to prevent, avoid or nullify bad habits. Powerful and effective daily habits have been prescribed, which, if you diligently employ, will permanently keep off procrastination from your life. Lastly, but not least, every endeavor has a reward. The rewards of overcoming procrastination are immense and unlimited. Yet, this book provides you with the most obvious rewards that you will gain in the most prominent facets of your life - health, relationships and money. Enjoy reading.

Midas Allyn & Bacon

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs,

just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

Dispelling Common Leadership Myths : a Practical Guide for Leaders that Reminds Us of the Obvious Createspace Independent Pub

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

Spanish - English First Books: Body
Createspace Independent Publishing Platform

English in Common is a six-level American English integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose English in Common 2 motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest English in Common 2 engages learners' interest by offering a new twist to familiar topics -topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners English in Common 2 encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. English in Common Level 2 is for Elementary, and covers competencies in the A1-A2 band of the CEF. The English in Common 2 Workbook contains activities that match the topic areas and language points in the Student Book.

The New Magnified Version of Isaiah in

Plain English! Allyn & Bacon

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

Overcome the Bad Habits of Procrastination and Laziness and Become More Productive Isaac Perrotta Hays

This Letter Tracing Book for Preschoolers is filled with Alphabet letters and first words for them to trace and learn. Cambridge University Press

Surprise! You've just been laid off from the teaching position in which you have so passionately invested your time, talents and heart for years! What now? Hundreds of thousands of American teachers have been laid off in the last four years as a result of the long term recession that continues to challenge the country's economy. In this book, one of those teachers shares what that experience was like for her, how she coped with unexpected unemployment, and what she learned about finding her way as a teacher without a classroom. Full of not only truthful reflection and encouragement for teachers facing similar situations, this book also offers practical tips for how to handle lay-off and unemployment, and how to prepare yourself as an education professional to expand your career outside your classroom. These are uncertain times, but teachers don't need to feel uncertain about their careers. There IS life as an education professional after lay-off!

From Intermediate to Advanced

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not

reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

This is the printed Level 2 Workbook that complements the Level 2 Student's Book and can be used in class or for homework. It provides students with additional vocabulary, grammar, functional language and reading practice.

Multiplying the 2% Allyn & Bacon

This book is Volume 1-3 of the very popular series 150 Really Useful English Phrases. Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a

more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button on the top right of this page to get started today.

The DUH! Book of Management and Supervision Createspace Independent Publishing Platform

English for Children Picture Book Series
English for Children (Musical Dialogues) consists of 24 lessons designed for children from ages 1-6 for English as native speakers, and 4 to 12 for ESL and EFL learners. Older students with no background in English may enjoy the songs and videos as well. Music involves the children and supports their ability to understand and remember the new vocabulary. Each lesson introduces approximately 6-20 words and is presented in musical dialogue form.
