MORIAH JUSTICE

Act Like a Lady, Think Like a Man LP Tyndale Kids

The bestselling motivational guide that TheAtlantic.com calls "a rallying cry for women to get the money they deserve." Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for—and actually get—the money, the job, the recognition they deserve? Prompted by her own experience as cohost of Morning Joe, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face—and play into. Now expanded to address gender dynamics in the #MeToo era, Know Your Value blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), Know Your Value provides vital advice to help women be their own best advocates.

After the Wedding eBook Partnership

From the NPR host of The Indicator and correspondent for Planet Money comes an "accessible, funny, clear-eyed, and practical" (Sarah Knight, New York Times bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of Feminist Fight Club, Lean In, and Nice Girls Don't Get the Corner Office. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli "with this delicious look at what we have to gain by examining our relationship to power" (Sally Helgesen, New York Times bestselling author). Using The Prince as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. "Machiavelli For Women is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must read for every woman ready to wield power unapologetically" (Claire Shipman, coauthor of The Confidence Code).

What Men Really Think About Love, Relationships, Intimacy, and Commitment Tyndale House Publishers, Inc.

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized "money stories" that have nothing to do with what is really possible. As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. Worth It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

What Is a Girl Worth? Urban Books

What's the recipe to the ultimate disaster week? Three unruly friends. A wedding we shouldn't have been invited to. Two unexpected romances. A scoop of sexy. And a double scoop of chaos. Lydia is a good girl who is above revenge. Good thing she has us. No one cheats on our best friend and rides off into the sunset with his new bride. What was supposed to happen? Unleash hell like two badasses. It was a simple plan, but we failed to anticipate a few things. A rogue prosthetic, an accidental exorcism, and dominatrix strippers willing to take things way too far, just to name a few. What actually happened? As usual, nothing went as planned, especially when two sexy distractions popped into the mix. We were there to avenge our friend, not to get entangled with two cocky, arrogant men, who don't like to hear the word no. I was sure we could resist. I mean, it was only a week, right? What could happen in a week? Not intrigued enough? There's totally a duck in this story. Ah yeah. Now we have your undivided attention. Enjoy our chaos. #WorthIt

Worth Any Price Simon and Schuster

Written by Rachael Denhollander, recipient of Sports Illustrated's Inspiration of the Year Award and one of Time's 100 Most Influential People (2018). "Who is going to tell these little girls that what was done to them matters? That they are seen and valued, that they are not alone and they are not unprotected?" Rachael Denhollander's voice was heard around the world when she spoke out to end the most shocking USA gymnastics scandal in history. The first victim to publicly accuse Larry Nassar, the former USA Gymnastics team doctor who sexually abused hundreds of young athletes, Rachael now reveals her full story for the first time. How did Nassar get away with it for so long? How did Rachael and the other survivors finally stop him and bring him to justice? And how can we protect the vulnerable in our own families, churches, and communities? What Is a Girl Worth? is the

inspiring true story of Rachael's journey from an idealistic young gymnast to a strong and determined woman who found the courage to raise her voice against evil, even when she thought the world might not listen. In this crucial cultural moment of #MeToo and #ChurchToo, this deeply personal and compelling narrative shines a spotlight on the physical and emotional impact of abuse, why so many survivors are reluctant to speak out, and what it means to be believed.

A Woman's Worth Simon and Schuster

Excitingly mind-blowing; Get accurate, in-depth and precise revelational knowledge into the mystery and puzzle surrounding the true Identity, Purpose, Worth and abilities of every woman; and get to know how every woman on a daily basis, can walk tall out of stigma, gender limitations, abuses, depression, etc and live fulfilled as an iconic woman despite all the ugly challenges they are faced with. Knowing Your Value Faber & Faber

The victim of a rare cosmetic condition, Lady Colin Campbell was wrongly registered and brought up as a boy in an aristocratic family in Jamaica. She enjoyed privileges, but her teenage years were blighted, leaving her unable to receive essential medical treatment until she was 21. She became a model and a designer, and in the 1970s embarked on a short and violent marriage to Lord Colin Campbell. In this autobiography she writes of a life-long struggle to be accepted as the woman she is. She tells of her formative years in Jamaica and New York, her many love affairs, her connection with members of the Royal Family, her activities as a socialite and international charity organizer, and her current life as the fulfilled mother of two adopted Russian children.

Lady Elect 2 Avid Reader Press / Simon & Schuster

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

Women, Work, and the Will to Lead Harper Collins

If 28-year-old Monique Morrison had only one wish, it would be to fall in love with a man sent from God; a man who will cherish her forever. But Monique makes a huge mistake when she chooses to help herself. Going against her Christian values, she decides to play house and move in with her musician boyfriend, Boris Cortland. Boris is in no hurry to get to the altar now that Monique has already signed on to play the role of a wife. Though she's in church Sunday after Sunday, praying for God to touch Boris's heart and turn him from his wicked ways, it seems Monique's pleas are going unanswered. Suffering from neglect, rejection, and plenty of verbal abuse, Monique has all but given up on her dream of a relationship that represents unconditional love; that is, until Adonis Cortland moves in and does for Monique all of the things that Boris won't do. Could Boris's own cousin be the man Monique had been seeking? "This book is profound yet enlightening. The characters are believable and unique. The storyline is entertaining, and the readers of the book should definitely walk away examining their own lives and how their lives affect others." —Pastor Ricky Harris of Alpha and Omega Baptist Church in Chicago, Illinois

The Academy and Literature Hachette Books

The only thing more inconvenient than Camilla's marriage at gunpoint is falling in love with her unwilling groom... Adrian Hunter, the son of a duke's daughter and a black abolitionist, is determined to do whatever his family needs—even posing as a valet to gather information. But his mission spirals out of control when he's accused of dastardly intentions and is forced to marry a woman he's barely had time to flirt with. Camilla Worth has always dreamed of getting married, but a marriage where a pistol substitutes for "I do" is not the relationship she hoped for. Her unwilling groom insists they need to seek an annulment, and she's not cruel enough to ruin a man's life just because she yearns for one person to care about her. As Camilla and Adrian work to prove their marriage wasn't consensual, they become first allies, then friends. But the closer they grow, the more Camilla's heart aches. If they consummate the marriage, he'll be stuck with her forever. The only way to show that she cares is to make sure he can walk away for good... After the Wedding is the second full-length book in the Worth Saga. It is preceded by *Once upon a Marquess*, the first full-length book. The series books stand alone, but those who wish to read in order may want to start there. Also available in the series are *Her Every Wish*, a side-novella, and *The Pursuit Of...*, which is something of a prequel.

A Novel Knopf

A bitingly honest, darkly funny debut about ambition, sex, power, and love, Imogen Crimp's *A Very Nice Girl* cracks open the timeless questions of what it is to be young, what it is to want to be wanted, and what it is to find your calling but lose your way to it. "Tender, devastating, witty. And deeply true. Sweetbitter meets *Normal People*."—Meg Mason, author of *Sorrow and Bliss* Anna doesn't fit in. Not with her wealthy classmates at the selective London Conservatory where she unexpectedly wins a place after university, not with the family she left behind, and definitely not with Max, a man she meets in the bar where she sings for cash. He's everything she's not—rich, tailored to precision, impossible to read—and before long Anna is hooked, desperate to hold his attention, and determined to ignore the warning signs that this might be a toxic relationship. As Anna shuttles from grueling rehearsals to brutal auditions, she finds herself torn between two

conflicting desires: the drive to nurture her fledgling singing career, which requires her undivided attention, and the longing for human connection. When the stakes increase, and the roles she's playing—both on stage and off—begin to feel all-consuming, Anna must reckon with the fact that, in carefully performing what's expected of her as a woman, she risks losing sight of herself completely. Both exceedingly contemporary and classic, *A Very Nice Girl* reminds us that even once we have taken possession of our destinies we still have the power to set all we hold dear on fire.

Godey's Lady's Book Ballantine Books

I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean—Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.

What Women of the Bible Teach You About Your Mission and Worth Linda Kage

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life.

Three Women Random House

An international bestseller published in over thirty countries, this riveting sci-fi dystopic thriller is "a bona fide page-turner." --MTV.com Callie lost her parents when the Spore Wars wiped out everyone between the ages of twenty and sixty. She and her little brother, Tyler, go on the run, living as squatters with their friend Michael and fighting off renegades who would kill them for a cookie. Callie's only hope is Prime Destinations, a disturbing place in Beverly Hills run by a mysterious figure known as the Old Man. He hires teens to rent their bodies to Enders—seniors who want to be young again. Callie, desperate for the money that will keep her, Tyler, and Michael alive, agrees to be a donor. But the neurochip they place in Callie's head malfunctions and she wakes up in the life of her renter. Callie soon discovers that her renter intends to do more than party—and that Prime Destinations' plans are more evil than she could ever have imagined. . . . Includes Portrait of a Spore, a never-before-published short story that takes place in the world of STARTERS. Praise for STARTERS: "A smart, swift, inventive, altogether gripping story." —#1 New York Times bestselling

author DEAN KOONTZ "Compelling, pulse-pounding, exciting . . . Fast-paced, romantic, and thought-provoking." —Justine

Wherein Is Clearly Revealed Their Nobility and Their Superiority to Men Harper Collins

The #1 international best seller *In Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

Know Your Value Penguin

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. *The Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

The Connoisseur Random House Digital, Inc.

Nick Gentry, the most seductive and dangerous man in England, has been sent to find Charlotte Howard, a runaway bride who has disappeared without a trace. But when he finds her, Nick is stunned by the intensity of his attraction to the elusive young woman whose adventurous spirit matches his own. Determined to escape a forced marriage to a man who will destroy her, Charlotte agrees to an audacious bargain . . . she will become Nick Gentry's bride. But soon she discovers that Nick has secrets of his own, and it will take all her wits and stubborn will to tame his tormented soul. In the desperate quest to protect Charlotte from the diabolical aristocrat who threatens her, one thing becomes clear: To save the woman he loves, Nick will take any risk . . . and pay any price.

Worth It Courtney Milan

"An anthem to little girls everywhere, teaching them that they have immeasurable worth. Armed with this understanding, girls will develop confidence in their own value and blossom into women who can face any challenge life puts in their path."--front flap
