JAYVON ALEJANDRO

Cambridge Advanced Learner's Dictionary KLETT VERSION
OXFORD University Press

This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

As well as the types of exercises you will be used to there are some exercises specifically designed for students who are becoming more advanced in English.

These include: summary exercises, dictionary exercises, matching and editing activities. You can either start at the beginning and work through to the end or choose the order in which you want to study the grammar topics, perhaps starting with those that are giving you problems. Two-page tests at the end of each unit or section mean you can see how much you have learned and decide if you need more practice. For those unsure of some of the terminology there is also a Glossary explaining the meaning of all the grammatical terms.
