Grand in its scope, *Asian Comics* dispels the myth that, outside of Japan, the continent is nearly devoid of comic strips and comic books. Relying on his fifty years of Asian mass communication and comic art research, during which he traveled to Asia at least seventy-eight times and visited many studios and workplaces, John A. Lent shows that nearly every country had a golden age of cartooning and has experienced a recent rejuvenation of the art form. As only Japanese comics output has received close and by now voluminous scrutiny, *Asian Comics* tells the story of the major comics creators outside of Japan. Lent covers the nations and regions of Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Korea, Malaysia,

Myanmar, Nepal, the Philippines, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam. Organized by regions of East, Southeast, and South Asia, *Asian Comics* provides 178 black-and-white illustrations and detailed information on comics of sixteen countries and regions—their histories, key creators, characters, contemporary status, problems, trends, and issues. One chapter harkens back to predecessors of comics in Asia, describing scrolls, paintings, books, and puppetry with humorous tinges, primarily in China, India, Indonesia, and Japan. The first overview of Asian comic books and magazines (both mainstream and alternative), graphic novels, newspaper comic strips and gag panels, plus cartoon/humor magazines, *Asian Comics*

brims with facts, fascinating anecdotes, and interview quotes from many pioneering masters, as well as younger artists.

Made in Abyss Vol. 4 HarperCollins

This is a true story of love for the internet generation - the international bestseller that sold over a million copies. This wonderfully unique book from Japan derives from a series of postings over a three-month period to a particularly computer-geeky thread of 2 Channel, the world's largest anonymous Message Board. The events all took place in Tokyo. One day a shy otaku computer geek mentioned on the message forum how he had met a girl on a subway train. As things developed he continued to post updates to the message board. He gained the nickname 'Train Man'. With

each update from bashful Train Man, his fellow correspondents throw in own colourful speculations, boyish encouragements, tongue-in-cheek warnings, and fabulously inventive ascii text drawings. Train Man tries to take on board their comments as events unfold. Eventually he finds love with the girl, Hermes, and reveals to her the entire history of the thread. The true identity of Train Man remains a closely guarded secret.

Anime and Philosophy focuses on some of the most-loved, most-intriguing anime films and series, as well as lesser-known works, to find what lies at their core.

Astro Boy, Dragon Ball Z, Ghost in the Shell, and Spirited Away are just a few of the films analyzed in this book. In these stories about monsters, robots, children, and spirits who grapple with the important questions in life we find insight crucial to our times: lessons on morality, justice, and heroism, as well as meditations on identity, the soul, and the meaning — or meaninglessness — of life.

Anime has become a worldwide phenomenon, reaching across genres, mediums, and cultures. For those wondering why so many people love anime or for die-hard fans who want to know more, *Anime and Philosophy* provides a deeper appreciation of the art and storytelling of this distinctive Japanese culture.
