Mirdza Strelkova should have minded  
her own business on the long train ride,  
because she knew just how nasty violent  
men could be. Perhaps that's precisely  
why she stepped in to help the  
frightened mother and terrified child. But  
in her wildest dreams, she never  
imagined she'd be tossed out the  
window of a moving train, broken and  
bleeding. And she could never have

predicted the dark horse who would come to her aid, or the comeback story that lay before them both.

***Black Horse Ride*** Dark Horse Comics  
A “sweeping and raw story of courage, resilience, and clear-eyed grace” (Sara Gruen, #1 New York Times bestselling author) about a teenage girl’s fierce struggle to reclaim her life from her abusive father in the vein of *My Absolute Darling* and *Room*. Fifteen-year-old equestrian prodigy Roan Montgomery has only ever known two worlds: inside the riding arena, and outside of it. Both, for as long as she can remember, have been ruled by her father, who demands strict obedience in all areas of her life. The warped power dynamic of coach and rider extends far beyond the stables, and Roan’s relationship with her father has long been inappropriate. She has been able to compartmentalize that dark aspect of her life, ruthlessly focusing on her ambitions as a rider heading for the Olympics, just as her father had done. However, her developing relationship with Will Howard, a boy her own age, broadens the scope of her vision. “[A] heart-pounding, can’t-take-your-eyes-off-it debut novel” (O, The Oprah Magazine), *Dark Horses* explores the themes of abuse and resilience in a way that will leave you transfixed. This is “a provoking and needed book” (Booklist, starred review).

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is

convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

Years ago, Lama Nicholas Packard's mother unexpectedly died after a routine medical procedure. Left stunned and confused, Packard vowed to unearth the truth as to why her life ended so abruptly. As he embarked on a decades-long journey throughout India, China, Tibet, and Bhutan, Packard came to realize how Westerners have been led down a dark path lined with assumed truths and falsehoods. Through this process, he discovered a painful truth we are living a lie. In an enlightening social and philosophical commentary that challenges the truths surrounding Western mentality, Packard delivers what he learned while answering

fundamental questions of existence that explore why modern man is becoming more physically, mentally, and socially ill and spiritually adrift with each passing day. While sharing perspectives from great ancient thinkers and the wisdom of their time, Packard explains how our soul has been undermined by the western perception of truth and reality, and how our meaning and purpose of life has been obscured by materialism, artificiality, and dualistic thinking. Very much akin to the epic churn that happens at the end and dawn of every new age, empire and way of being, this book is truly very transformative and the person who reaches the end of it would be very different from the one at the beginning.

Upper Management sent the best to correct their path. Angels. Poltergeists. Nothing worked. These men were too stubborn. Too bad. Too untamed... So they sent me. Roman. Ezra. Dorian. Combined, they have enough power to end the world—and they will. Unless I find a way to stop them first. Breaking people is my job. But this time... my job might break me.

The disappearance of a majestic Thoroughbred unites a community in 1930s India in "one of the greatest horse books ever written. . . . Moving, and highly original" (Lauren St. John, author of *The White Giraffe*). In Calcutta, India, John Quillan cares for racehorses belonging to wealthy owners, and Mother Morag, who lives just down the road and leads a group of nuns working with Calcutta's poor, loves to watch

these beautiful animals in action. Now, a new Thoroughbred, Dark Invader, has been shipped from England, rejected after a losing season, in which he didn't live up to his owner's expectations. A beautiful creature with rippling muscles and satin skin, Dark Invader is gently handled with love in his new home, and before long, he is poised for victory in the Viceroy Cup, the country's most famous race. But just days before the event, he disappears—and a desperate effort to find him begins. From Rumer Godden—the award-winning author of such classics as *The Greengage Summer* and *Black Narcissus*, as well as a number of beloved children's books—*The Dark Horse* is a moving and suspenseful story set in a fascinating historical era.

*Polar Volume 4: The Kaiser Falls* Bantam  
From the author of the Los Angeles Times Book Prize—nominated *Bad Traffic*, a fast-paced adventure novel

about two young backpackers who find themselves in serious trouble in the jungle of Southeast Asia. On the Burmese border, two naïve backpackers, Will and Jake, follow a tour guide into the jungle, tantalized by the possibility of dalliances with the tribal women who live there. At an idyllic waterfall, they discover that nothing is as it seems and their guide has his own agenda. It is not long before the two young men slip into a nightmarish spiral of murder and moral decay, their chance of survival determined by a game of hide-and-seek played out with deadly crossbows. As the stakes get increasingly higher, the bonds of friendship are tested and lives are put on the line. Simon Lewis has written a gripping, amphetamine-paced novel about the hidden perils that can lurk in paradise, and the fine line that we draw for ourselves between what is “civilized” and what is not.
