..WEEPING MAY ENDURE FOR A NIGHT,

BUT JOY COMETH IN THE MORNING  
(PSALM 30:5) Doubts, depression, and  
discouragement are characteristic  
responses of someone who has endured  
the worst life offers. When a promise  
from God does not come to pass, the  
aftermath is often confusion about the  
validity of a personal relationship with  
the Lord. In Praying Through Sorrows,  
coauthors Dutch Sheets and Chris  
Jackson confront the emotional anguish  
of awaiting the arrival of a long delayed  
recovery and healing from such difficult  
situations. You will learn how to  
overcome the debilitation state of "hope  
deferred," while seeking a restoration of  
faith in God's goodness. IF YOU ARE  
SUFFERING, THIS BOOK IS JUST WHAT  
YOU NEED.

Small groups continue to be a significant part of church life and Christian formation in the twenty-first century, impacting a church and society characterized by loneliness and fragmentation. As such, Julie Gorman is prompted to declare, "Small groups have come of age! They have found unprecedented acceptance and endorsement." This is a comprehensive book on small groups and Christian formation informed by theology, church history, and the social sciences. It addresses both the foundations and praxis of groups, with a special emphasis on leading dynamic group discussions.

I have observed in my pediatric practice  
 a growing desire from young couples to  
 have a Christian "How-To" model to  
 encourage them in their awesome  
 responsibility of parenting. Furthermore,  
 I was frustrated by the destructive  
 results of the philosophies of liberal  
 authorities ripping away at the American

family. Young people turn to three  
 groups of people for advice when raising  
 their children: their parents, their pastor,  
 and their pediatrician. I have sought to  
 combine the advice of all three into a  
 workable structure for parents to use to  
 train their children as God intended.
