AMERICA BOOK CLUB PICK Shortlisted for the 2020 Women's Prize for Fiction "Through a novel with so much depth, beauty, and grace, we, like Ana, are forever changed." —Jacqueline Woodson, *Vanity Fair* "Gorgeous writing, gorgeous story." —Sandra Cisneros Fifteen-year-old Ana Cancion never dreamed of moving to America, the way the girls she grew up

with in the Dominican countryside did. But when Juan Ruiz proposes and promises to take her to New York City, she has to say yes. It doesn't matter that he is twice her age, that there is no love between them. Their marriage is an opportunity for her entire close-knit family to eventually immigrate. So on New Year's Day, 1965, Ana leaves behind everything she knows and becomes Ana Ruiz, a

wife confined to a cold six-floor walk-up in Washington Heights. Lonely and miserable, Ana hatches a reckless plan to escape. But at the bus terminal, she is stopped by Cesar, Juan's free-spirited younger brother, who convinces her to stay. As the Dominican Republic slides into political turmoil, Juan returns to protect his family's assets, leaving Cesar to take care of Ana. Suddenly, Ana

is free to take English lessons at a local church, lie on the beach at Coney Island, see a movie at Radio City Music Hall, go dancing with Cesar, and imagine the possibility of a different kind of life in America. When Juan returns, Ana must decide once again between her heart and her duty to her family. In bright, musical prose that reflects the energy of New York City, Angie Cruz's *Dominicana* is

a vital portrait of the immigrant experience and the timeless coming-of-age story of a young woman finding her voice in the world.

 How do we understand glamour? Has it empowered women or turned them into objects? Once associated with modernity and the cutting edge, is it entirely bound up with nostalgia and tradition? This unique and fascinating book tells the story of glamour. It explores the changing meanings of the word, its relationship to femininity and fashion, and

its place in twentieth century social history. Using a rich variety of sources - from women's magazines and film to social surveys and life histories - Carol Dyhouse examines with wit and insight the history and meaning of costume, cosmetics, perfume and fur. Dyhouse disentangles some of the arguments surrounding femininity, appearance and power, directly addressing feminist concerns. The

book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence, finally arguing that glamour can't simply be dismissed as oppressive, or as male fantasy, but can carry celebratory meanings for women.

Workman Publishing "Marlowe Granados's Happy Hour is as refreshing as a gin fizz. It is a wild careening joyride through a hot sultry summer in New York in 2013, and it evokes that time with such sparkling specificity that you can feel the heat coming off the pavement. If you are looking for romance, ambition, glamour, and a story about what it means to be young and striving in the city, this is

your song of the summer.”  
 –Rachel Syme, New Yorker staff writer “A wild ride with a brilliantly cocky young protagonist who’s got the world wrapped around her finger. So propulsive you’ll feel like you’ve been hypnotized.”  
 –Zoe Whittall, author of *The Best Kind of People* “A dreamy account of one heady summer, Marlowe Granados’s debut is a dispatch from another land; not only New York City, but

youth itself. *Happy Hour* is aptly titled—it’s an intoxicating little book, at once heartbreaking and joyful.”  
 –Rumaan Alam, author of *Rich and Pretty and That Kind of Mother* “*Happy Hour* feels like a breathless whisper at six in the morning when it’s too hot to sleep. Marlowe Granados is a fresh, exciting new voice in fiction, and *Happy Hour* is a spellbinding debut.”  
 –Amy Jones, author of *We’re All in*

*This Together and Every Little Piece of Me* “*Happy Hour* is filled with charm, memorable insight, and witty aperçus. They add up to the realization that life, while unfair, is antic enough to be worth all the trouble.”  
 –A. S. Hamrah, author of *The Earth Dies Streaming* With the verve and bite of *My Year of Rest and Relaxation* and the whip-smart, wisecracking sensibility of a golden-age Hollywood

heroine, Marlowe Granados's stunning début brilliantly captures a summer of striving in New York City. Refreshing and wry in equal measure, Happy Hour is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer

of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave from Brooklyn to the Upper East Side to

the Hamptons among a rotating cast of celebrities, artists, tech entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Money runs ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot-fetish models.

Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. Happy Hour announces a dazzling new

talent in Marlowe Granados, whose exquisite wit recalls Anita Loos's 1925 classic, *Gentlemen Prefer Blondes*, updated to evoke a recent, golden period of hope and

transformation — the summer of 2013. A cri de cœur for party girls and anyone who has ever felt entitled to an adventure of their own, *Happy Hour* is an effervescent tonic for the ails of contemporary life.
