*The New Intimacy* Random House

How do today's most successful tech companies—Amazon, Google, Facebook, Netflix, Tesla—design, develop, and deploy the products that have earned the love of literally billions of people around the world? Perhaps surprisingly, they do it very differently than the vast majority of tech companies. In **INSPIRED**, technology product management thought leader Marty Cagan provides readers with a master class in how to structure and staff a vibrant and successful product organization, and how to discover and deliver technology products that your customers will love—and that will work for your business. With sections on assembling the right people and skillsets, discovering the right product, embracing an effective yet lightweight process, and creating a strong product culture, readers can take the information they learn and immediately leverage it within their own organizations—dramatically improving their own product efforts. Whether you're an early stage startup working to get to product/market fit, or a growth-stage company working to scale your product organization, or a large, long-established company trying to regain your ability to consistently deliver new value for your customers, **INSPIRED** will take you and your product organization to a new level of customer engagement, consistent innovation, and business success. Filled with the author's own personal stories—and profiles of some of today's most-successful product managers and technology-powered product companies, including Adobe, Apple, BBC, Google, Microsoft, and Netflix—**INSPIRED** will show you how to turn up the dial of your own product efforts, creating technology products your customers love. The first edition of **INSPIRED**, published ten years ago, established itself as the primary reference for technology product managers, and can be found on the shelves of nearly every successful technology product company worldwide. This thoroughly updated second edition shares the same objective of being the most valuable resource for technology product managers, yet it is completely new—sharing the latest practices and techniques of today's most-successful tech product companies, and the men and women behind every great product.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —*The New York Times* "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —*USA Today* **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

*Discovering the Magic at the Heart of Your Differences* Charlie Creative Lab Limited

How has your answer changed since childhood to the often-asked question "What do you want to be when you grow up?" For most, the answers tend to begin with excited seven-year-olds confidently and excitedly screaming out things like, "A basketball player!" or "A fireman!" or "A cook!" and then ten to fifteen years later those same kids are shrugging their shoulders while saying, "Not sure. Maybe something in accounting?" What happened? (Besides only growing to five foot eight and not being able to even reach the net when you jump.) When did we lose the courage to find our true calling and not just settle for what make sense in today's workforce, or what our parents pushed us toward? **Career Courage** is meant to help you conquer your fears, shed misguided ideas, and muster the strength to let go of a safe job and stage your next act. Whether you're a college grad contemplating choices, a seasoned professional seeking new directions, or a stay-at-home mom preparing to reenter the workplace, this invaluable guide book poses tough questions about motivation, confidence, character, risk tolerance, and more. The answers will power your journey forward as you learn to: • Clarify what really matters • Express your point of view • Build strong relationships and a robust network • Think like an entrepreneur • Prioritize a truly fulfilling life • And more! Starting or changing careers can be a scary, soul-searching process. **Career Courage** will give you the strength and guidance you need to break free from your fears and find fulfillment in the workforce.

**Finding Your True North** Harvard Business Press

Great thinkers, artist, entrepreneurs, writers, scientists, doctors, teachers and engineers all have one thing in common: inspiration. They find this from the world around them and use the ambitions and desires it carries to lead them onto do extraordinary and brilliant things. Being inspired is to see what cannot be seen and dream what is yet reality - thinking with what we have, to see what we can create. Inspiration pulls you towards something that stirs your heart, mind, or spirit. When you are filled with inspiration, you often don't need external motivation to move forward. You need to discover and embrace your inspirations beyond the fears of failure. And when you find these inspirations, it is more than likely you will find meaning, enjoyment and purpose in the world. So, go on get inspired, and who knows, it just may change your life and make a better world.

*A Novel* Knopf Books for Young Readers

This book is dedicated to helping you explore the various components of emotional intelligence and show you how you can improve at each of them.

**Discover Your Passion, Step Out of Your Comfort Zone, and Create the Success You Want** Bard Press

Steve Harvey—New York Times bestselling author, nationally syndicated television and radio host, accomplished entrepreneur, and esteemed philanthropist—shares his personal principles of success, in this enlightening work that will guide you to a life of riches. Steve Harvey was not always the dynamic television host and internationally renowned funny man whom we know and love today. It took him years to recognize his personal gift—his unique talent of making people laugh, and listen—and even then he still struggled, at one point being homeless and living out of his car. But through it all he remained focused on his goals, using his gift and his tenacity to achieve unimaginable success. And now, in *Act Like a Success, Think Like a Success*, he's paying it forward to help you live your dreams and create your own legacy. Every person is born with a gift—whether

it's the ability to solve problems, connect with people, or create beauty with your hands—and that gift can never be taken away from you. You need only to harness it, build it, and attach it to the right vehicle, using it in your job, your marriage, your community, and every aspect of your life. With Steve's easy advice and his sensible yet innovative principles, *Act Like a Success, Think Like a Success* is your road map to identifying your gift, perfecting it, and letting it transform your life. Finding success and creating a legacy is not easy—it takes time, and courage. With this essential guide, and through Steve's warm humor and remarkable insights, you can harness your gift and create the life you've always wanted. You need only to open this book and begin. *Act Like a Success, Think Like a Success* will inspire you. It will motivate you. And it will change your life.

*Designing Your Success* Act Like a Success, Think Like a Success Discovering Your Gift and the Way to Life's Riches

Shows how to turn conflict and disappointment in a relationship into opportunities for learning, mutual growth, and intimacy

**Destination Success** SAGE Publications

*Mindshift* reveals how we can overcome stereotypes and preconceived ideas about what is possible for us to learn and become. At a time when we are constantly being asked to retrain and reinvent ourselves to adapt to new technologies and changing industries, this book shows us how we can uncover and develop talents we didn't realize we had—no matter what our age or background.

We're often told to "follow our passions." But in *Mindshift*, Dr. Barbara Oakley shows us how we can broaden our passions. Drawing on the latest neuroscientific insights, Dr. Oakley shepherds us past simplistic ideas of "aptitude" and "ability," which provide only a snapshot of who we are now—with little consideration about how we can change. Even seemingly "bad" traits, such as a poor memory, come with hidden advantages—like increased creativity. Profiling people from around the world who have overcome learning limitations of all kinds, Dr. Oakley shows us how we can turn perceived weaknesses, such as impostor syndrome and advancing age, into strengths. People may feel like they're at a disadvantage if they pursue a new field later in life; yet those who change careers can be fertile cross-pollinators: They bring valuable insights from one discipline to another. Dr. Oakley teaches us strategies for learning that are backed by neuroscience so that we can realize the joy and benefits of a learning lifestyle. *Mindshift* takes us deep inside the world of how people change and grow. Our biggest stumbling blocks can be our own preconceptions, but with the right mental insights, we can tap into hidden potential and create new opportunities.

*It Will Shake the Nations* Random House

At the age of 33, Karen Mangia faced a crossroads in her life. A mysterious illness led her to discover a simpler path to achievement in her career, her relationships...and her health.

**Mindset** John Wiley & Sons

We rely on willpower to create change in our lives...but what if we're thinking about it all wrong? In *Willpower Doesn't Work*, Benjamin Hardy explains that willpower is nothing more than a dangerous fad—one that is bound to lead to failure. Instead of "white-knuckling" your way to change, you need to instead alter your surroundings to support your goals. This book shows you how. The world around us is fast-paced, confusing, and full of distractions. It's easy to lose focus on what you want to achieve, and your willpower won't last long if your environment is in conflict with your goals—eventually, the environment will win out. *Willpower Doesn't Work* is the needed guide for today's over-stimulating and addicting environment. *Willpower Doesn't Work* will specifically teach you: How to make the biggest decisions of your life—and why those decisions must be made in specific settings How to create a daily "sacred" environment to live your life with intention, and not get sucked into the cultural addictions How to invest big in yourself to upgrade your environment and mindset How to put "forcing functions" in your life—so your default behaviors are precisely what you want them to be How to quickly put yourself in proximity to the most successful people in the world—and how to adapt their knowledge and skills to yourself even quicker How to create an environment where endless creativity and boundless productivity is the norm Benjamin Hardy will show you that nurture is far more powerful than your nature, and teach you how to create and control your environment so your environment will not create and control you.

**Using Small Wins to Ignite Joy, Engagement, and Creativity at Work** Createspace Independent Pub

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

**Jump** Simon and Schuster

In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. *Higher Is Waiting* is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

**A Guide to Going All In, Finding Success, and Discovering the Benefits of an Unbalanced Life** Simon and Schuster

The updated edition of the bestselling book that has changed millions of lives with its insights into

the growth mindset “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, *GatesNotes* After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

#### **Discovering Leadership** Penguin

- More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

#### *Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* Hci

Successful broadcaster and inspirational leader Earl Nightingale shares his surefire yet little known secrets for success.

#### The Power of Passion and Perseverance Penguin

Discovery in the Desert is the first book in Tom Thiele's Discovery Series. When asked about religious affiliation, do you describe yourself as a Christian? Do you wonder about heaven? When someone knows that they are a good person, does that mean that they are a heaven-bound Christian? That is exactly how David Hart saw himself before his discovery in the desert. David Hart, a young, bright NASA physicist is chosen to join a team of other NASA scientists assigned to a Classified Military Project. The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Initially great strides are made in developing a time travel capsule, and then the team hits a brick wall. Once the obstacle becomes common knowledge at NASA, the project transforms from one of prestige and glamor to one of embarrassment. The slowed progress grates on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been chosen for a much more significant task. A task, that once accomplished, will change David's life forever.

Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

#### Optimize Your Potential, Stimulate Your Mind Amistad

The coauthors of the bestselling *Peak Performance* dive into the fascinating science behind passion, showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double-edged sword. Here's how to cultivate a passion that will take you to great heights—while minimizing the risk of an equally great fall. Common advice is to find and follow your passion. A life of passion is a good life, or so we are told. But it's not that simple. Rarely is passion something that you just stumble upon, and the same drive that fuels breakthroughs—whether they're athletic, scientific, entrepreneurial, or artistic—can be every bit as destructive as it is productive. Yes, passion can be a wonderful gift, but only if you know how to channel it. If you're not careful, passion can become an awful curse, leading to endless seeking, suffering, and burnout. Brad Stulberg and Steve Magness once again team up, this time to demystify passion, showing readers how they can find and cultivate their passion, sustainably harness its power, and avoid its dangers. They ultimately argue that passion and balance—that other virtue touted by our culture—are incompatible, and that to find your passion, you must lose balance. And that's not always a bad thing. They show readers how to develop the right kind of passion, the kind that lets you achieve great things without ruining your life. Swift, compact, and powerful, this thought-provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to—and every bit as important, sustain—passion.

#### Discovering Your Gift and the Way to Life's Riches Anchor

#### **The Strangest Secret, Revisited** Createspace Independent Pub

Book one of the New York Times-bestselling *All Souls* trilogy—“a wonderfully imaginative grown-up fantasy with all the magic of *Harry Potter* and *Twilight*” (People). Look for the hit TV series “*A Discovery of Witches*,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.
