This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. All of Grace is a theological study by Charles Spurgeon who is known as the "Prince of Preachers". Grace is the hallmark of Christianity which is often out of the focus of the Christian church. Spurgeon suggests that the grace is the central glue of faith, redemption, and repentance. He argues that through grace, repentance gets a meaning. A gospel centered study tells about the greatness of Jesus and the Lord's redemptive heart towards his own. Spurgeon deals with the sin that entangles us by showing us Jesus. He reminds us that the Lord knows very well that we can't change our heart, but he can, when we submit to him by faith in Jesus. And with faith comes repentance.

La Pirámide Del Amor e-artnow

New York Times Bestseller: A “beautifully written” and “truly outstanding” novel based on the life of Paul the Apostle (The Cincinnati Enquirer). Born a veritable great lion of God to a devout Jewish family, Saul of Tarsus is raised by his parents to embrace their love of humanity. Dogged by what he perceives as a lack of true faith, he embarks on a journey to save his people from sacrilege. But on the road to Damascus a vision of the resurrected Jesus changes the course of his life. Converting to Christianity, the newly christened Paul transforms from persecutor of blasphemers into apostle to the gentiles, becoming one of the supreme influences on the Catholic Church and the Western world. Great Lion of God paints a unique and very human portrait of Saint Paul, one of the most passionate, dauntless, and complex figures of early Christianity—Pharisee, lawyer, theologian, and above all, a “man like ourselves with our own despairs, doubts, anxieties and angers and intolerances, and ‘lusts of the flesh.’” The central novel in author Taylor Caldwell’s biblical trilogy, which also includes Dear and Glorious Physician and I, Judas. Great Lion of God is both “sheer entertainment” and a moving tribute to the majesty and power of the Christian faith (Fort Worth Star-Telegram). This ebook features an illustrated biography of Taylor Caldwell including rare images from the author’s estate.

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.
