"Midnight Riot is what would happen if Harry Potter grew up and joined the Fuzz. It is a hilarious, keenly imagined caper."—Diana Gabaldon
Probationary Constable Peter Grant dreams of being a detective in London's Metropolitan Police. Too bad his superior plans to assign him to the Case Progression Unit, where the biggest threat he'll face is a paper cut. But Peter's prospects change in the aftermath of a puzzling murder, when he gains exclusive information from an eyewitness who happens to be a ghost. Peter's ability to speak with the lingering dead brings him to the attention of

Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Now, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. "Filled with detail and imagination . . .

Aaronovitch is a name to watch."—Peter F. Hamilton "Fresh, original, and a wonderful read . . . I loved it."—Charlaine Harris

Pyramids Harper Collins Set in the desert kingdom of Djelibeybi, *Pyramids* follows the adventures and, more often, misadventures of Teppic, a teenage pharaoh faced with a terror-filled world of mad high priests, sacred crocodiles, marching mummies and

exploding pyramids.

Small Gods Bloomsbury Publishing

Pyramids A Novel of Discworld Harper
And Then I Woke Up Abrams

This is where the dragons went. They lie... not dead, not asleep, but... dormant. And although the space they occupy isn't like normal space, nevertheless they are packed in tightly. They could put you in mind of a can of sardines, if you thought sardines were huge and scaly. And presumably, somewhere, there's a key... GUARDS! GUARDS! is the 8th Discworld novel - and after this, dragons will never be the same again!

Going Postal Random House

'Look after the dead', said the priests, 'and the dead will look after you.' Wise words in all probability, but a tall order when, like Teppic, you have just

become the pharaoh of a small and penniless country rather earlier than expected, and your treasury is unlikely to stretch to the building of a monumental pyramid to honour your dead father. He'd had the best education money could buy of course, but unfortunately the syllabus at the Assassin's Guild in Ankh-Morpork did not cover running a kingdom and basic financial acumen...

A Novel of Discworld

Random House

A new stage adaptation of one of Pratchett's best-selling novels *The Monstrous Regiment* in question is made up of a vampire (reformed and off the blood, thank you), a troll, Igor (who is only too happy to sew you a new leg if you aren't too particular about previous ownership), a collection of misfits and a young woman discovers that a pair of socks shoved down her pants is a good way to open up doors in a man's army. "One of the funniest English authors alive" (Independent)

Pyramids Harper Collins
Magic and humor are combined in the whimsical story of the hard life of a teenage Pharaoh

"A wonderfully readable account of Chicago's early history" and the inspiration behind PBS's *American Experience* (Michiko Kakutani, *The New York Times*).

Depicting its turbulent beginnings to its current status as one of the world's most dynamic cities, *City of the Century* tells the story of Chicago—and the story of America, writ small. From its many natural disasters, including the Great Fire of 1871 and several cholera epidemics, to its winner-take-all politics, dynamic business empires, breathtaking architecture, its diverse cultures, and its multitude of writers, journalists, and artists, Chicago's story is violent, inspiring, passionate, and fascinating from the first page to the last. The winner of the prestigious Great Lakes Book Award, given to the year's most outstanding books highlighting the American heartland, *City of the Century* has received consistent rave reviews since its publication in 1996, and was made into a six-hour film airing on PBS's *American Experience* series. Written with energetic prose and exacting detail, it brings Chicago's history to vivid

life. "With *City of the Century*, Miller has written what will be judged as the great Chicago history."

—John Barron, *Chicago Sun-Times* "Brims with life, with people, surprise, and with stories." —David McCullough, Pulitzer Prize-winning author of *John Adams* and *Truman* "An invaluable companion in my journey through Old Chicago." —Erik Larson, *New York*

Times-bestselling author of *The Devil in the White City*

A Novel of Discworld

Random House

Dorian Hawkmoon, the last Duke of Koln, swore to destroy the Dark Empire of Granbretan. But after his defeat and capture at the hands of the vast forces of the Empire, Hawkmoon becomes a puppet, co-opted by his arch nemesis, the ruthless Baron Meliadus, to infiltrate the last stronghold of rebellion against Granbretan: the small but powerful city of the Kamarg. He has been implanted with a black jewel, through which the Dark Empire can control his every decision. But in the stronghold of the Kamarg, Hawkmoon discovers the power inside him to overcome any control, and his

vengeance against the Dark Empire is filled with an unrelenting fury.

Pyramids Harper Collins
As the novel opens, Titus, heir to Lord Sepulchrave, has just been born. He stands to inherit the miles of rambling stone and mortar that form Gormenghast Castle. Meanwhile, far away and in the kitchen, a servant named Steerpiké escapes his drudgework and begins an auspicious ascent to power. Inside of Gormenghast, all events are predetermined by complex rituals, the origins of which are lost in time. The castle is peopled by dark characters in half-lit corridors. Dreamlike and macabre, Peake's extraordinary novel is one of the most astonishing and fantastic works in modern fiction.

Guards! Guards! Random House

Things like crowns had a troublesome effect on clever folks; it was best to leave all the reigning to the kind of people whose eyebrows met in the middle. Three witches gathered on a lonely heath. A king cruelly murdered, his throne usurped by his ambitious cousin. A child heir and the crown of the kingdom, both missing... Witches

don't have these kind of dynastic problems themselves - in fact, they don't have leaders.

Granny Weatherwax was the most highly-regarded of the leaders they didn't have. But even she found that meddling in royal politics was a lot more complicated than certain playwrights would have you believe, particularly when the blood on your hands just won't wash off and you're facing a future with knives in it...

A Discworld Novel

HarperCollins Publishers
In the tradition of Mira Grant and Stephen Graham Jones, Malcolm Devlin's *And Then I Woke Up* is a creepy, layered, literary story about false narratives and their ability to divide us. "A scathing portrait of the world we live in and a running commentary on what's story, what's truth, and what's not."—Stephen Graham Jones
In a world reeling from an unusual plague, monsters lurk in the streets while terrified survivors arm themselves and roam the countryside in packs. Or perhaps something very different is happening. When a disease affects how reality is perceived, it's hard to be certain of anything... Spence is one of the "cured" living at

the Ironside rehabilitation facility. Haunted by guilt, he refuses to face the changed world until a new inmate challenges him to help her find her old crew. But if he can't tell the truth from the lies, how will he know if he has earned the redemption he dreams of? How will he know he hasn't just made things worse? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pyramids Del Rey

Join David and Leigh Eddings on a fascinating behind-the-scenes tour of the extensive background materials they compiled before beginning the masterpiece of epic fantasy unforgettably set down in *The Belgariad* and *The Malloreon* and their two companion volumes, *Belgarath the Sorcerer* and *Polgara the Sorceress*. Our tour stretches from the wealthy Empire of Tolnedra to the remote Isle of the Winds, from the mysterious mountains of Ulgoland to the forbidding reaches of darkest Mallorean. Along the way, you will meet old friends and enemies alike. Rare volumes will be opened to your eyes. Sacred holy books in which you may

read the secrets of the Gods themselves and of their prophets. Scholarly histories of the rise and fall of empires from the Imperial Library at Tol Honeth. The profound mysteries of the Malloreon Gospels. THE RIVAN CODEX will enrich your understanding of all that has gone before . . . and whet your appetite for more spectacular adventures from this talented team.

The Colour of Magic Del Rey

Discusses the origins and development of epic fantasies, and examines the work of leading fantasy writers

Jingo Harper Collins

Everybody wants more time, which is why on Discworld only the experts can manage it -- the venerable Monks of History who store it and pump it from where it's wasted, like underwater (how much time does a codfish really need?), to places like cities, where busy denizens lament, "Oh where does the time go?" While everyone always talks about slowing down, one young horologist is about to do the unthinkable. He's going to stop. Well, stop time that is, by building the world's first truly accurate clock. Which

means esteemed History Monk Lu-Tze and his apprentice Lobsang Ludd have to put on some speed to stop the timepiece before it starts. For if the Perfect Clock starts ticking, Time -- as we know it -- will end. And then the trouble will really begin...

Wyrd Sisters Harper Collins

'Vimes ran a practised eye over the assortment before him. It was the usual Ankh-Morpork mob in times of crisis; half of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest.' Insurrection is in the air in Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city's ramshackle Night Watch is used to this. It's enough to drive a man to drink. Well, to drink more. But this time, something is different - the Have-Nots have found the key to a dormant, lethal weapon that even they don't fully understand, and they're about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up.

Wizardry and Wild

Romance Hachette UK

'Funny, delightfully inventive, and refuses to lie down in its genre'

Observer The Discworld is very much like our own -- if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . There is a curse. They say: may you live in interesting times.

'May you live in interesting times' is the worst thing one can wish on a citizen of Discworld, especially on the distinctly unmagical Rincewind, who has had far too much perilous excitement in his life and can't even spell wizard. So when a request for a ;Great Wizzard; arrives in Ankh-Morpork via carrier albatross from the faraway Counterweight Continent, it's the endlessly unlucky Rincewind who's sent as emissary. The oldest (and most heavily fortified) empire on the Disc is in turmoil, and Chaos is building. And, for some incomprehensible reason, someone believes Rincewind will have a mythic role in the ensuing war and wholesale bloodletting. There are too many heroes already in the world, but there is only one Rincewind. And he owes it to the world to

keep that one alive for as long as possible.

_____ The Discworld novels can be read in any order but Interesting Times is the fifth book in the Wizards series.

Monstrous Regiment

Victor Gollancz

Terry Pratchett's profoundly irreverent, bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *Equal Rites*, a dying wizard tries to pass on his powers to an eighth son of an eighth son, who is just at that moment being born. The fact that the son is actually a daughter is discovered just a little too late.

Lords and Ladies Corgi

Terry Pratchett's profoundly irreverent novels are consistent number one bestsellers in England, where they have garnered him a revered position in the halls of parody next to Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *The Light Fantastic* only one individual can save the world from a disastrous collision. Unfortunately, the hero happens to be the singularly inept wizard Rincewind, who was last seen falling off the edge of the world...

Guards! Guards! New Amer Library

'A true original among contemporary writers.' - The Times
The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of

four elephants which stand on the back of a giant turtle, that is... 'Holy Wood is a different sort of place. People act differently here.

Everywhere else the most important things are gods or money or cattle. Here, the most important thing is to be important.'

Alchemists have always thought that they can change reality, shape it to their own purpose.

Imagine then the damage that could be wrought on the Discworld if they get their hands on the ultimate alchemy: the invention of motion pictures, the greatest making of illusions. It may be a triumph of universe-shaking proportions. It's either that or they're about to unlock the dark secret of the Holy Wood hills - by mistake...
