### **A Workbook Suitable for Bible Classes, Family Studies, Or Personal Bible Study**

National Geographic Books  
The first book of the Bible presented in an authentic translation that allows the

English reader to "peer through" to the Hebrew and "come as close as we will probably ever come to the original text."

This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so

essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of

the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. Countless readers pour over concordances to try to find the exact meaning of the original Bible. Interlinear translations try to convey the exact meaning of the text, but their unintelligible syntax make them impossible to read. TEB combines the power of a readable translation, with the precision of a concordance or interlinear translation. Most modern translations routinely use a wide range of traditional theological terms. Words such as: atonement, covenant, soul, angel, hell, redemption and salvation, are familiar to traditional ears but misleading and ineffective in conveying the original Hebrew or Greek concepts. This new

translation reveals the original or "plain" meaning of the original languages allowing readers to reexamine inherited interpretations of key stories and concepts in the Bible. For example, the notion that women were given "pain" in childbirth as a punishment for Eve's transgression disappears in the original Hebrew text. The Hebrew word used is precisely the same as the "hardship" that men are allotted in working the soil of the earth, as explained below .

### **Foundation Book of the Bible**

Princeton University Press

Retells the stories of the Bible in comic strip format, including the stories of Noah, Abraham, Isaac, Jacob, Joseph, Moses, David, Ruth, Esther, and Jesus Prophets, Captives, and the Kingdom Rebuilt Tyndale House Publishers, Inc.

This workbook on the Acts of the Apostles was designed for use in Bible classes, family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary, but instead guide students

to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students.

### **Unforgettable People and Timeless Stories from Genesis to Revelation**

Lion Books

At a time when America debates its values and the world braces for religious war, Bruce Feiler, author of the New York Times bestsellers *Walking the Bible* and *Abraham*, travels ten thousand miles through the heart of the Middle East—Israel, Iraq, and Iran—and examines the question: Is religion tearing us apart ... or can it bring us together? *Where God Was Born*

combines the adventure of a wartime chronicle, the excitement of an archaeological detective story, and the insight of personal spiritual exploration. Taking readers to biblical sites not seen by Westerners for decades, Feiler's journey uncovers little-known details about the common roots of Judaism, Christianity, and Islam, and affirms the importance of the Bible in today's world. In his intimate, accessible style, Feiler invites readers on a never-in-a-lifetime experience: Israel Feiler takes a perilous helicopter dive over Jerusalem, treks through secret underground tunnels, and locates the spot where David toppled Goliath. Iraq After being airlifted into Baghdad, Feiler visits the Garden of Eden and the birthplace of Abraham, and makes a life-threatening trip to the rivers

of Babylon. Iran Feiler explores the home of the Bible's first messiah and uncovers the secret burial place of Queen Esther. In *Where God Was Born*, Feiler discovers that at the birth of Western religion, all faiths drew from one another and were open to coexistence. Feiler's bold realization is that the Bible argues for interfaith harmony. It cannot be ceded to one side in the debate over values. Feiler urges moderates to take back the Bible and use its powerful voice as a beacon of shared ideals. In his most ambitious work to date, Bruce Feiler has written a brave, uplifting story that stirs the deepest chords of our time. *Where God Was Born* offers a rare, universal vision of God that can inspire different faiths to an allegiance of hope. Death, Resurrection, and the Great

Commission Grand Central Publishing  
Retells the stories of the prophets, in graphic novel format.

The Complete Story Bantam

This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the

history of the manuscripts since Joseph Smith's day.

Genesis in Reverse Harper Collins

Can I get a "ramen" from the congregation?! Behold the Church of the Flying Spaghetti Monster (FSM), today's fastest growing carbohydrate-based religion. According to church founder Bobby Henderson, the universe and all life within it were created by a mystical and divine being: the Flying Spaghetti Monster. What drives the FSM's devout followers, a.k.a. Pastafarians? Some say it's the assuring touch from the FSM's "noodly appendage." Then there are those who love the worship service, which is conducted in pirate talk and attended by congregants in dashing buccaneer garb. Still others are drawn to the Church's flimsy moral standards,

religious holidays every Friday, or the fact that Pastafarian heaven is way cooler: Does your heaven have a Stripper Factory and a Beer Volcano? Intelligent Design has finally met its match—and it has nothing to do with apes or the Olive Garden of Eden. Within these pages, Bobby Henderson outlines the true facts—dispelling such malicious myths as evolution (“only a theory”), science (“only a lot of theories”), and whether we’re really descended from apes (fact: Humans share 95 percent of their DNA with chimpanzees, but they share 99.9 percent with pirates!) See what impressively credentialed top scientists have to say: “If Intelligent Design is taught in schools, equal time should be given to the FSM theory and the non-FSM theory.” –Professor Douglas

Shaw, Ph.D. “Do not be hypocritical. Allow equal time for other alternative ‘theories’ like FSMism, which is by far the tastier choice.” –J. Simon, Ph.D. “In my scientific opinion, when comparing the two theories, FSM theory seems to be more valid than classic ID theory.” –Afshin Beheshti, Ph.D. Read the book and decide for yourself!

**Archaeology of the Bible** Tyndale House Publishers, Inc.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched

the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political

news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. Vol 1 Deseret Book Company

Features an adaption of stories from the Bible in graphic novel form, from the creation of the universe in Genesis to the apocalypse in the Book of Revelation, and includes commentary and preliminary sketches by the artist.

*The Kingstone Bible* Tyndale House Publishers, Inc.

Get swept away by God's awesome story in this riveting graphic Bible. The Epic Bible tells the central story of the Bible, with dramatic, full-color art created by some of DC and Marvel's best comic book artists. Whether you're reading the Bible for the first time or looking for a fresh perspective, The Epic Bible's cinematic storytelling will make God's Word come alive.

[A Devotional for Otakus](#) TrustedBooks  
This last book in the six-volume series

*A Contextual Analysis of Hebrew Lexemes for Evil in the Book of Genesis*  
Colour Books

The complete MANGA JESUS series from the creator of THE MANGA BIBLE - an incredible retelling of the story of Jesus Christ in amazing Manga comic strip form. Siku's MANGA BIBLE was acclaimed for its edgy, provocative yet faithful interpretation of the Bible which opened up this classic text to a new generation of readers. Now he has focused his attention on the full life story of Jesus,

and retells it in an epic 400-page manga opus, re-pitching Christ as the hardened political rebel of his day. He spoke and ate with the outcasts, and those from different tribes. He healed the sick, forming new flesh and bone from thin air. He preached a new message of liberation, and shamed the rulers of the day. This is the life, death and resurrection story of the most incredible man who ever lived. A man who lived two thousand years ago, but shaped the world we live in today. A man who changes lives, even today. Radically reinventing the ancient stories of the Bible to create his distinctive Manga-like take, yet being careful to remain within orthodox interpretation, Siku uncovers truths that we had forgotten to look for and brings the stories of the Bible to life

in new ways.

#### *Genesis Zondervan*

During its 2,500-year life, the book of Genesis has been the keystone to important claims about God and humanity in Judaism and Christianity, and it plays a central role in contemporary debates about science, politics, and human rights. The authors provide a panoramic history of this iconic book, exploring its impact on Western religion, philosophy, literature, art, and more.

#### *A Journey by Land to the Roots of Religion Manga*

Mike covers all 50 chapters of Genesis. From creation to the flood and on to Abraham finishing with Joseph in Egypt. A complete study of the first book in the Bible.

The Greatest Discoveries from Genesis to the Roman Era Tyndale House

Publishers, Inc.

Retells in graphic novel format the Old Testament books of Kings 2, Chronicles 1

and 2, Ezra, Nehemiah, and many of the prophetic books, including the righteous behavior of King Josiah and the deeds and messages of the prophets.
