SUTTON WALKER

Unfreedom of the Press

Sterling Chronologies
This story of two girls trying to banish a witch is "full of wonderful fun, excitement, and humor" (Library Journal). Old Witch likes nothing better than to fly around on her broomstick, crying "Heh-heh!" and casting abracadabras. But now she has been sent away . . . by two young girls. Amy and Clarissa have decided that Old Witch is just too mean and wicked. So, drawing a rickety old house upon a barren glass hill, they exile Old Witch there with a warning: She better be good, or else no Halloween! But to give Old Witch some company, they draw her a Little Witch Girl and a Weeny Witch Baby . . . Old Witch tries to be good, but

anyone would get up to no good in a place as lonely as the glass hill. And Amy and Clarissa are about to find that out, when Old Witch magics them into her world of make-believe-made-real, in "a very special book that is certain to give boundless pleasure—at any time of the year" (The Horn Book). "A classic for Halloween." —Library Journal

The Good Father

Hyperion
Referred to as the "Grand Prix of epidemiology" by The New York Times, this study examines more than 350 variables of health and nutrition with surveys from 6,500 adults in more than 2,500 counties across China and Taiwan, and conclusively demonstrates the link between nutrition and heart disease, diabetes, and cancer. While revealing that proper nutrition can have a

dramatic effect on reducing and reversing these ailments as well as curbing obesity, this text calls into question the practices of many of the current dietary programs, such as the Atkins diet, that are widely popular in the West. The politics of nutrition and the impact of special interest groups in the creation and dissemination of public information are also discussed.

Tourist Season Little, Brown Books for Young Readers

When two hungry mice spot a giant yellow ball of cheese in the night sky, they get right to work building a rocketship so they can take a big bite out of that glowing full moon. After sailing through starry skies, the mice arrive at the feast of their dreams—and soon the moon isn't so full anymore! Simple, rhythmic text makes this

a great read-aloud for future astronauts.

A Conspiracy of Paper

Pan Macmillan

From his woodland bunker in Michigan, Bo 'Big Bruddah' Watts has assembled a scratch army of gun-toting militiamen, and he's ready to use it. Rumours are circulating that the liberal, female President of the USA is going to fight climate change by banning beef, snatching the great American hamburger from the mouths of patriots. Big Bruddah missed the last militia uprising. That one, sparked by a conspiracy theory about a deadly virus and stolen cheese recipes, ended in failure when his now ex-wife, Miky Spike, stopped the potentially bloody conflict at a Cracker Barrel restaurant in Wisconsin. He is determined to stop the president, with the help of eccentric octogenarian Wilbur Tuttle, who runs Silver Eagle Security, the private military enterprise owned by the hapless former governor of Michigan, Bill Hoeksma. The plan is to launch a coup in Tampa, Florida by kidnapping the President's daughter and then installing Hoeksma as a puppet President. With the support of Silver

Eagle's best men, Big Bruddah and Tuttle hope to ignite the long-awaited insurrection militia members call the "boogaloo." What could possibly go wrong? What readers are saying about The Great American Cheese War: "A rollicking riot of insanity and I mean that in the most wonderful sense! I laughed my way through this story."

"Highly recommended!! This book was a lot of fun, I laughed out loud, and it's a clever satire book. It's well written, engrossing and entertaining." "Enjoy your summer, read this book!" "Satire at its finest. The whole book had me rolling on floor laughing!" Book of Yeshua Knopf Books for Young Readers Only a handful of souls know the true story of Jesus of Nazareth. Those who know the truth must fight to expose it, and a war started in Judea two thousand years ago culminates in a final battle in the twenty-first century. If you enjoy the works of Dan Brown and Stephen King, then you'll love this dark, action-packed conspiracy thriller. The Great Cheese Conspiracy Dial Press New York Times bestselling author Dr. Neal Barnard reveals the

shocking truth about cheese-the dangerous addiction that is harming your health-and presents a radical program to lose weight and feel great. We've been told that dairy does a body good, but the truth is that cheese can be dangerous. Loaded with calories, fat, and cholesterol, cheese can make you gain weight and leads to a host of health problems like high blood pressure and arthritis. Worse, it contains mild opiates that make it addictive, triggering the same brain receptors as heroin and morphine. In The Cheese Trap, Dr. Neal Barnard presents a comprehensive program to help readers break free of their cheese addiction so they can lose weight, boost energy, and improve their overall health. This easy-to-follow diet features a treasury of healthy recipes that will tame even the toughest cravings-from pizza, to lasagna, to ice cream and cheesecake.

I Am the Cheese

Threshold Editions

From the author of the New York Times bestseller Before the Fall, an intense, psychological novel about one doctor's suspense-filled quest to unlock the mind of a suspected political

assassin: his twenty-year old son. As a rheumatologist, Dr. Paul Allen's specialty is diagnosing patients other doctors have given up on. His son, Daniel Allen has always been a good kid but, as a child of divorce, he is also something of a drifter. Which may be why, at the age of nineteen, he quietly drops out of Vassar and begins an aimless journey across the United States, shedding his former skin and eventually even changing his name. One night, Paul is home with his family when a televised news report announces that the Democratic candidate for president has been shot, and Daniel is the lead suspect. Convinced of his son's innocence Paul begins to trace his sons steps to see where Daniel, or perhaps Paul, went wrong, beginning a harrowing journey--about the responsibilities of being a parent and the capacity for unconditional love in the face of an unthinkable situation—that keeps one guessing until the very end.

The Great American Boogaloo BenBella Books
Chosen as one of Time Magazine's 100 Best Young Adult Books of All

Time, Gullstruck Island is a vibrant and exciting novel, in a beautifully imagined setting, by Frances Hardinge, the Costa Award winning author *The Lie Tree*. On Gullstruck Island the volcanoes quarrel, beetles sing danger and occasionally a Lost is born . . . In the village of the Hollow Beasts live two sisters. Arilou is a Lost - a child with the power to depart her body and mind-fly with the winds - and Hathin is her helper. Together they hide a dangerous secret, until sinister events threaten to uncover it. With a blue-skinned hunter on their trail and a dreadlocked warrior beside them, they must escape, or risk everything. Can the fate of two children decide the future of Gullstruck Island? 'Everyone should read Frances Hardinge. Everyone. Right now' - Patrick Ness, author of *A Monster Calls*.

The Cheese Trap Simon and Schuster
In this playful homage to Charles Dickens, Skilley, an alley cat with an embarrassing secret, longs to escape his street-cat life. Hoping to trade London's damp alleyways for the warmth of ye olde Cheshire Cheese Inn, Skilley strikes a bargain

with Pip, an erudite mouse. Skilley will protect the mice who live at the inn, and in turn, the mice will provide Skilley with the thing he desires most. But when Skilley and Pip are drawn into a crisis of monumental proportions, their new friendship is pushed to its limits. The escalating crisis threatens the peace not only of the Cheshire Cheese Inn but the entire British Monarchy! New York Times best-selling author Carmen Agra Deedy and coauthor Randall Wright collaborate on this compelling story set in Victorian England. With the artwork of award-winning illustrator Barry Moser, *The Cheshire Cheese Cat* is filled with charming characters and strong themes of friendship and loyalty.

The Great American Cheese War Simon and Schuster

In *Halal Pork and Other Stories*, Cihan Kaan projects an avant-garde, post 9/11 world, from the perspective of a young Muslim New Yorker. It's a place where Coney Island meets Mars; where hijabi girls are punk rock dervishes; where identity salesmen count pigeons at insane asylums as a cream cheese conspiracy brews in gitmo; where

rich boys pay to be Muslim for a day; where the transgendered are holy; and where the bacon is halal. Kaan offers up five urban Sufi tales in the swirling graffiti of Brooklyn.

Kirkus Reviews • The

Christian Science Monitor

In the picturesque village

of Guzmán, Spain, in a

cave dug into a hillside on

the edge of town, an

ancient door leads to a

cramped limestone

chamber known as “the

telling room.” Containing

nothing but a wooden

table and two benches,

this is where villagers

have gathered for

centuries to share their

stories and

secrets—usually

accompanied by copious

amounts of wine. It was

here, in the summer of

2000, that Michael

Paterniti found himself

listening to a larger-than-

life Spanish cheesemaker

named Ambrosio Molinos

de las Heras as he spun

an odd and compelling

tale about a piece of

cheese. An unusual piece

of cheese. Made from an

old family recipe,

Ambrosio’s cheese was reputed to be among the finest in the world, and was said to hold mystical qualities. Eating it, some claimed, conjured long-lost memories. But then, Ambrosio said, things had gone horribly wrong. . . .

By the time the two men exited the telling room that evening, Paterniti was hooked. Soon he was fully embroiled in village life, relocating his young family to Guzmán in order to chase the truth about this cheese and explore the fairy tale-like place where the villagers conversed with farm animals, lived by an ancient Castilian code of honor, and made their wine and food by hand, from the grapes growing on a nearby hill and the flocks of sheep floating over the Meseta. What Paterniti ultimately discovers there in the highlands of Castile is nothing like the idyllic slow-food fable he first imagined. Instead, he’s sucked into the heart of an unfolding mystery, a blood feud that includes accusations of betrayal and theft, death threats, and a murder plot. As the village begins to spill its long-held secrets, Paterniti finds himself implicated in the very story he is writing. Equal

parts mystery and memoir, travelogue and history, *The Telling Room* is an astonishing work of literary nonfiction by one of our most accomplished storytellers. A moving exploration of happiness, friendship, and betrayal, *The Telling Room* introduces us to Ambrosio Molinos de las Heras, an unforgettable real-life literary hero, while also holding a mirror up to the world, fully alive to the power of stories that define and sustain us. Praise for *The Telling Room* “Captivating . . . Paterniti’s writing sings, whether he’s talking about how food activates memory, or the joys of watching his children grow.”—NPR

Lost Treasures: The Great Cheese

Conspiracy - Book #4

OR Books

Before there was Lois Lowry’s *The Giver* or M. T. Anderson’s *Feed*, there was Robert Cormier’s *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy’s search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind,

the boy—and readers—arrive at a shattering conclusion. “An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do.”—The New York Times Book Review “A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific.”—School Library Journal, starred review An ALA Notable Children’s Book A School Library Journal Best Book of the Year A Horn Book Fanfare A Library of Congress Children’s Book of the Year A Colorado Blue Spruce Young Adult Book Award Nominee *The Curious Adventures of Jimmy McGee* Penguin ‘A first class book’ Sunday Times We’re all conspiracy theorists. Some of us just hide it better than others. Conspiracy theorists do not wear tin-foil hats (for the most part). They are

not just a few kooks lurking on the paranoid fringes of society with bizarre ideas about shape-shifting reptilian aliens running society in secret. They walk among us. They are us. Everyone loves a good conspiracy. Yet conspiracy theories are not a recent invention. And they are not always a harmless curiosity. In *Suspicious Minds*, Rob Brotherton explores the history and consequences of conspiracism, and delves into the research that offers insights into why so many of us are drawn to implausible, unproven and unproveable conspiracy theories. They resonate with some of our brain’s built-in quirks and foibles, and tap into some of our deepest desires, fears, and assumptions about the world. The fascinating and often surprising psychology of conspiracy theories tells us a lot – not just why we are drawn to theories about sinister schemes, but about how our minds are wired and, indeed, why we believe anything at all. Conspiracy theories are not some psychological aberration – they’re a predictable product of how brains work. This book will tell you why, and what it means. Of course,

just because your brain’s biased doesn’t always mean you’re wrong. Sometimes conspiracies are real. Sometimes, paranoia is prudent. [The Scrambled States of America Talent Show](#) Hachette UK Already a publishing sensation in England, *The Red Wolf Conspiracy* marks the debut of a remarkably gifted young writer. Robert V. S. Redick has been compared to Philip Pullman, George R. R. Martin, and China Miéville, among others, and like them he is a spellbinding storyteller, unafraid to sail his imagination into uncharted waters. With *The Red Wolf Conspiracy* he launches the first book of a trilogy destined to take its place among the classics of epic fantasy. *The Imperial Merchant Ship Chathrand* is the last of her kind. Six hundred years old, the secrets of her construction long forgotten, the massive vessel dwarfs every other sailing craft in the world. It is a palace with sails, a floating outpost of the Empire of Arqual. And it is on its most vital mission yet: to deliver a young woman whose marriage will seal the peace between Arqual and its mortal enemy, the

secretive Mzithrin Empire. But the young woman in question—Thasha, the daughter of the Arquali ambassador—has no intention of going meekly to the altar. For the ship's true mission is not peace but war—a war that threatens to unleash an ancient, all-consuming evil. As the dark conspiracy at the heart of the voyage unfurls, Pazel Pathkendale, a lowly tarbovy with an uncanny gift, will find himself in an unlikely alliance with Thasha and her protectors: Hercól, a valet who is more than he appears; Dri, the queen of a race of tiny stowaways who have their own plans for the great ship; and Ramachni, a powerful sorcerer from another world. Arrayed against them are the Chathrand's brutal captain, Nilus Rose; the Emperor's spymaster and chief assassin, Sandor Ott; and the enigmatic Dr. Chadfallow, a longtime friend to Pazel's family whose kind words may hide a vicious betrayal. As the Chathrand navigates treacherous waters to complete its mission, Pazel, Thasha, and their allies—including a singularly heroic rat—must also navigate a treacherous web of intrigue to uncover the secret of the legendary

Red Wolf. Praise for *The Red Wolf Conspiracy* “What can I say about a book as exciting and fresh as *The Red Wolf Conspiracy*? I can't remember when I've been so enthralled. Maybe when I first read Philip Pullman. This is one terrific read.”—Terry Brooks “Wonderfully inventive—Robert Redick is an extraordinary talent.”—Karen Miller, author of *The Innocent Mage* *Suspicious Minds* Anchor When Edward accompanies Moongobble into the Forest of Night to prove he is a magician of merit by obtaining the tears of a werewolf, he does not know what big surprises are in store for them. *Chameleo* Grove/Atlantic, Inc. Those wacky scrambled states are back. This time they've come together for a spectacular show featuring their many goofball talents. But just when Indiana (the director) is about to call SHOWTIME!, Georgia gets a bad case of stage fright and can't perform in her juggling act. Will the show go on, or will it be curtains? In this winning companion to *The Scrambled States of America*, young readers

will revel in the madcap adventure and silly antics all while learning interesting facts about states and geography. This title has Common Core connections. *The Scrambled States of America* Talent Show is a 2009 Bank Street - Best Children's Book of the Year. *Gullstruck Island* National Geographic Books When the daughter of the Queen of the Mischief Monsters runs away from home, it is up to Edward, Moongobble, Urk, and Fireball to return her to Monster Mountain--then start a new quest. *The Big Fat Surprise* Houghton Mifflin Harcourt One of the most controversial YA novels of all time, *The Chocolate War* is a modern masterpiece that speaks to fans of S. E. Hinton's *The Outsiders* and John Knowles's *A Separate Peace*. After suffering rejection from seven major publishers, *The Chocolate War* made its debut in 1974, and quickly became a bestselling—and provocative—classic for young adults. This chilling portrait of an all-boys prep school casts an unflinching eye on the pitfalls of conformity and corruption in our most

elite cultural institutions. “Masterfully structured and rich in theme; the action is well crafted, well timed, suspenseful.”—The New York Times Book Review “The characterizations of all the boys are superb.”—School Library Journal, starred review “Compellingly immediate.

. . . Readers will respect the uncompromising ending.”—Kirkus Reviews, starred review An ALA Best Book for Young Adults A School Library Journal Best Book of the Year A Kirkus Reviews Editor’s Choice A New York Times Outstanding Book of the Year
