<i>Mrs McKeiver's Secrets</i> Capstone	
Set on Watling Street, in a fictional area of limestone hills, Mrs McKeiver's Secrets is a microcosm of England in the late 18th century – where all the problems facing rural villages are considered. This includes the horror of landlessness, the price of food and the threat of starvation as a once settled rural community is rocked to its core by the effects of the Hills' Enclosure Act 1795. Mrs McKeiver has lived in the Hills for twenty years. Enough time for her to be accepted as the local midwife. She treats her women with herbal remedies, of her own making, and most importantly, with love. By 1799, after two bad harvests and four years of landlessness, she manages to get more organised help for desperately poor families. As an observant midwife, she encourages the Reverend Reeves and local farmers to contribute to the provision of any meat and spare food, for those on Parish Poor Relief. The Parish House has problems of the worse kind, with a heartless overseer; its women and orphaned children needing her help. In amongst, she has to deal with two pressing problems herself. Firstly, how does she increase her paltry income? Wheat prices are rising daily and meals are becoming more difficult, even for her and, secondly, will she have to marry again, to feed herself and her crippled adult son? And if so, to whom?

From the duo behind New York Times bestseller, Thug Kitchen, comes the next installment of kick-ass recipes with a side of attitude. Thug Kitchen Party Grub answers the question that they have heard most from their fans: How the hell are you supposed to eat healthy when you hang around with a bunch of a**holes who don't care what they put in their pie holes? The answer: You make a bomb-ass plant-based dish from Thug Kitchen. Featuring over 100 recipes to host or bring to parties of any kind, Party Grub combines exciting, healthy, vegan food with easy-to-follow directions and damn entertaining commentary. From passed appetizers like Deviled Chickpea Bites to main events like Mexican Lasagna, Thug Kitchen Party Grub is here to make sure you are equipped with dishes to bring the flavor without the side of fat, calories, and guilt. Also included are cocktail recipes, because sometimes these parties need a pick-me-up of the liquid variety.

Cheers! To a fantastic adventure with recipes that would make you think of your own combinations credited to your thoughts. Its truly a blessing to discover without traveling its something like the start of voyage in the privacy of your home. Explore a wonderful passage imagination. The way to my heart personally is invention sought in the simple things. Can we enhance? Will we surprise even our selfs? Taste is away for most to get away whether it may be fattening, we all eat foods thats not good for us but in all essence its the passageway to a smile! Here in my cookbook I want to encourage all to a paradise and think about fun while hooking up some of this good stuff. The right to taste is a blessing its what you call pleasure outside the bed. Yes, we all can relate! The making of these recipes came from the imagination of chef Lamont. Ok! Lets get down to it! We together will make it do what it do all of these recipes are easy even if you take short cuts. Hay! Buy it! The fame is on it. I thank all for supporting my books it is an honor from God to have the mind to share with others no matter whether the information is small or great. In the near future I will demonstrate on video a soft to hard Sautee technique few say along with grilling its apart of the master chef anthem. Turn the page and let us have a session that will put you in the game & thangs. You dont have to be a mad scientist to do it. Go time	
<i>Rick &amp; Bubba's Big Honkin' Book of Grub</i> Publishamerica Incorporated	
Thug Kitchen started their wildly popular website to inspire people to eat some Goddamn vegetables and adopt a healthier lifestyle. Beloved by	
Gwyneth Paltrow ('This might be my favorite thing ever') and with half a million Facebook fans and counting, Thug Kitchen wants to show everyone how to take charge of their plates and cook up some real f*cking food. Yeah, plenty of blogs and cookbooks preach about how to eat more kale, why ginger fights inflammation, and how to cook with microgreens and nettles. But they are dull or pretentious as hell - and most people can't afford the hype. Thug Kitchen lives in the real world. In their first cookbook, they're throwing down more than 100 recipes for their best-loved meals, snacks and sides for beginning cooks to home chefs. (Roasted Beer and Lime Cauliflower Tacos? Pumpkin Chili? Grilled Peach Salsa? Believe that sh*t.) Plus they're going to arm you with all the info and techniques you need to shop on a budget and go and kick a bunch of ass on your own. This book is an invitation to everyone who wants to do better to elevate their kitchen game. No more ketchup and pizza counting as vegetables. No more drive-thru lines. No more avoiding the produce corner of the supermarket. Sh*t is about to get real.

Canine Cooking That Will Have Them Begging for More Which do you think your dog would prefer: dry kibble, mushy canned food, or a nice, nutritionally sound helping of Tuna Togetherness? Not surprisingly, most dogs would be happier -- and healthier -- with the latter, considering the dangerous preservatives, questionable ingredients, and mysterious flavoring agents often used in commercial dog food. That's why Rudy Edalati cooked up Barker's Grub, a cookbook filled with wholesome, easy-to-prepare meals for your mutt or your pedigreed pooch -- and you'll find all the necessary ingredients in your fridge or at the local supermarket. She includes not only fun everyday meals, but healing meals for specific health problems, as well as special diets for different life stages, such as: * Lo Mein Barking Style: the doggie alternative for Chinese takeout * Beef Puppy Food: just the right mix for a growing dog * Davie's Juicy Jiggly-Wiggly Anemia Diet: a blood-boosting dish of liver, rice, and spinach Barker's Grub is informative (there's lots of canine nutritional information to chew on), inspiring, and just plain fun. The recipes are simple and quick -- after all, it's not just about health and longevity, it's about making the most of the time you and your dog spend together.

The mere mention of soul food brings thoughts of greasy fare and clogged arteries. Bryant Terry offers recipes that leave out heavy salt and refined sugar, bad" fats, and unhealthy cooking techniques, and leave in the down-home flavor. Vegan Soul Kitchen recipes use fresh, whole, high-quality, healthy ingredients and cooking methods with a focus on local, seasonal, sustainably raised food. Terry's new recipes have been conceived through the prism of the African Diaspora, cutting, pasting, reworking, and remixing African, Caribbean, African-American, Native American, and European staples, cooking techniques, and distinctive dishes to create something familiar, comforting, and deliciously unique. Reinterpreting popular dishes from African and Caribbean countries as well as his favourite childhood dishes, Terry reinvents African-American and Southern cuisine, capitalizing on the complex flavors of the tradition, without the animal products. Includes recipes for: Double Mustard Greens & Roasted Yam Soup Cajun-Creole-

Spiced Tempeh Pieces with Creamy Grits Caramelized Grapefruit, Avocado, and Watercress Salad with Grapefruit Vinaigrette and Sweet Cornmeal-Coconut Butter Drop Biscuits.
