Confessions of a Well-spanked Slave Createspace Independent Publishing Platform

This anthology of true life vignettes offers intimate glimpses into hot BDSM play between a female dominant and her boy. It includes passionate moments that cover the gamut of play: teasing, denial, chastity, flogging, caning, pegging, slapping, and much more. It also includes incredibly sweet exchanges full of tenderness and ownership, lots of kissing, laughter, affection, and silliness. "Your breaths come hard and fast. I bite you relentlessly, thrusting up against you from behind. Every new attack makes you wince and moan, but still you push back against me until I am shoving you up against the wall, tearing at your skin like I am going to devour you."

Extreme Relentless Torture Createspace Independent Pub Mmmmore Productions presents five scorching stories of domination and submission. Inside, you'll find bondage, roleplay, and more. Watch lovely heroines pushing their limits in all sorts of ways. 1. Dominating The Dom: A First BDSM Submission Erotica Story by Sonata Sorento Gwen has a great deal of

experience in the world of BDSM as a definite and absolute dominant. Evan tells her she can't possibly be the dom she should be if she's never experienced submission. She doesn't want to submissive, not ever. She's experienced, but all of it is experience as the woman holding the whip! Not this time. This time, Gwen is going to learn to submit to whatever humiliation and domination Evan can dish out! 2. The Billionaire Gets Punished: A BDSM Erotica Story by Suzy Palmer Nick's an asshole. He just is. He always gets what he wants, and he knows it. He longs desperately, though, for a woman who can take him on, who can put him in his place and punish him for the way he treats people—his employees, his servants, and his girlfriends. Thankfully, there's a sex club he finds, and thankfully there's one woman who's going to teach him a lesson he desperately wants and desperately needs. 3. Given By My Master to the Strangers: A BDSM Training Erotica Story by Carmen Sprite Elena is instructed by her master to dress nicely because he's taking her to sex club. He makes it clear that he expects others to play with his pet, and she needs to be on her best behavior. The thought of serving people she doesn't know is terrifying and thrilling. When she gets to the club, she discovers just how incredible it can be because she'll be servicing the beautiful Amber and two men as well! 4. Ordered by My Mistress to Do the Doctor: A Tale of Submissive Obedience by Felicia Gray When Lola is ordered by her Mistress to provide special services for her doctor, she isn't very happy about it, but she's a good and obedient submissive, and she goes ahead with the plan. She's happy to discover Dr. Stevens isn't some kind of ugly ogre, and even happier to discover he has exactly what she loves, too...a nice, hard, and thick cock! 5. Time

Starting Over: A Very Rough Bondage and Domination Erotica Story by Devi Glosch Roselyn knows there will be severe consequences if she fails to follow every single instruction to the letter. But how can she even concentrate when her arms are bound? How can she do it right when nipple clamps torment her so? How in the world can she stay on her toes with a spreader bar cuffed to her ankles? And most importantly...how can her master expect her to hold off from cumming when that terrible vibrator isn't letting up? Warning: This ebook contains very explicit descriptions of sexual activity during various domination and submission sex encounters. It includes bondage, group sex, humiliation, bdsm, group sex, stranger sex, doctor/patient sex, punishment, and humiliation. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

BDSM Bundle: 2018 Edition Pink Flamingo Media

I was a "Good" girl by all rights, then I had a boyfriend that forced me to do things. It started out as 'play' that I did out of love for him. It was simple, light bondage, soft spankings. I now look at what it has become, piercings in places I never dreamed. He started sharing me with others and takes discipline very seriously. When and how did I go from being a good girl to a slave girl? Over 200 aspects of BDSM are discussed in this extensive BDSM contract. For this book, ideally the Master should be male and the submissive/slave be female. Reading this sexually charged, entertaining BDSM contract/agreement together can be your romantic entertainment for many evenings. The hard copy version of this contract (not included) has what's in this ebook but also has a lot more room for you to make additions and amendments in. If you like what you read here, you'll likely want to get the impressive looking 8.5 by 11 inch hard copy edition (also available through this site,) for your actual contract copy. It has been specifically set up to have the look and feel of a legal document. (If you have a Mistress/female slave relationship, also available through this site is "Mistress/slave BDSM Contract" as an ebook and also the more official looking hardcopy version) By going through this contract/agreement you'll learn a lot about what BDSM related experiences Master and slave/submissive are into, or might be interested in getting into (and/or to what extent.) Interests can be developed and explored, if necessary parameters can be discussed and/or set. Perhaps you'll find that certain current interests should be further developed. New ways

of doing things will be discovered. This publication contains 3 ebooks which are normally sold separately. Your three ebooks are presented in this order: 1) Master and submissive or slave BDSM Contract 2) The Absolutely Essential Guide to Erotic Breast Massage 3) Bed Arrest, the Punishment For BDSM Enthusiasts

This book is a Femdom Erotica book for adults only, if you are not interested in Femdom Erotica or not an adult, then please do not purchase this book. This is a story of humiliation, seduction, and torture, which reveals the terrible tortures I inflict upon my slave. I am a normal girl with a sadistic streak, and I love the feeling of breaking a man! This short story is a work of fiction that resembles a relationship I have with a man I know. There are some elements of truth in it, but I don't want people getting in trouble copying what I have done, so let's just call the whole thing fiction. This is probably the best work I have written to date, and reveals the deep and twisted nature of the relationship between me and my slave.

"It didn't matter to Amelia, she continued whipping his limp body. With most of the skin on his backside now broken, the torn and shredded flesh underneath became exposed and raw. Gregory faded in and out of consciousness for several minutes until Amelia finally stopped and unchained him from the post."

Extreme Equestrian Femdom Galore Madison and her best friend Jenna were bursting with excitement; the day of the state annual equestrian competition had finally arrived. Madison was already riding high after recently celebrating her eighteenth birthday. She was ready to take on the world. *Eighteen - An Equestrian Femdom Tale* is a coming of age story of a young woman in a modern, post-patriarchal world. The bond between a mother and daughter is highlighted as Madison's mother, Emily, equips her daughter for an entitled life of ease at the expense of likeminded men. In this action-packed story, *Eighteen* will take the reader on an exhilarating journey of extreme Female domination fantasy. The slaves at Amelia's horse stables knew what they had gotten themselves into. Theirs was a hard life of mucking out filthy soiled stalls under the cruel stinging bullwhips of a group of sadistic Goddesses. After being given a taste of the life of an empowered young woman, Madison was hooked, and there was

no turning back. *ABOUT THE AUTHOR* *Eighteen* is the fourth novel released by Femdom author Cordelia Livingston. Her passion for writing stories which praise the genre of female supremacy fantasy is paired exquisitely with her love of horses and dressage in her latest work. Just as her previous novels, *Eighteen* is set in a modern world where the practice of extreme Femdom has become more commonplace. If you are a fan of both Femdom and equestrian fiction, you will not want to miss *Eighteen - An Equestrian Femdom Tale (Extreme Edition)*. 1. When you enter my place, you (the lovely lady) will take off your shoes and go kneel on the thick padding next to my bed (or other agreed upon spot like a chair or couch). Unless told differently, your eyes should be looking at where my midsection would be when I sit down in front of you. 2. I will come over and sit in front of you (assuming I'm not already there.) I may or may not have clothes on. You'll then put your hands on my upper legs,

massaging my legs. Keep your hands high up on my legs, massaging my legs but you may not touch my manhood until instructed to. 3. I will touch you, kiss you, play with you, talk to you and undress you as you kneel in front of me. At some point you may be instructed to stand up and take the rest of your clothes off. 4. BONDAGE AND DOMINATION STORIES Lulu Press, Inc

I am a self taught female slave. I was trained by two talented dominants and one asshole. I have become well versed in all areas of domestic and sexual servitude. This girl thrives on being an obedient and cherished sex slave for Dominant men. I love to serve and please in anyway commanded. My body is firm, my stamina is high and I'm well trained in the art of love. This girl has the heart of a 1950's submissive housewife. Something as simple as making sure her Dom's dinner is always hot and ready is as rewarding as using special parts of my body to skillfully keep him satisfied. Kneeling before my Dom and rubbing his feet as we watch TV is every bit as important as letting my owner's sadistic nature run free. This girl's has also learned that she must have

discipline and would never respect anybody but a strong, strict Master. My Master has sentenced me to Bed Arrest many times and I recommend it for use on any submissive in need of discipline. So your lover is in need of discipline! You know that when you don't spend enough time with her she gets so horny and mischievous. Now she needs to be punished! Bed Arrest: The Punishment for BDSM Enthusiasts - Here it is, the original book, the book that started it all. In this book bed arrest is described and discussed by the author who has many years of experience carrying it out as punishment on wayward submissive ladies. Suggestions are made regarding how to most optimally carry out BDSM bed arrest on a sub/slave. Of course for purposes of BDSM punishment you can adapt what's in this book to fit your particular desires, needs and time schedule. Perhaps your lovely lady has not been reacting well enough to your usual punishments. Perhaps spanking her used to work well as a punishment but now she gets so turned on by it that if anything she'll misbehave to get a good spanking. MISTRESS MANAGED - BOOK ONE B.J. Frazier Publications, LLC

The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the

American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.
