The game is on! Get your hands on this book about one of the most influential companies in the video game industry. Founded in 1889, Nintendo started out as a small playing card company in Japan. Though the cards sold well, Nintendo really became popular when it began creating toys in the 1960s, and then became internationally renowned after developing video games and consoles in the 1970s and '80s. After introducing the world to some of the best-known and top-selling video game franchises of all-time, such as Super Mario Bros., The Legend of Zelda, Animal Crossing, and Pokémon, it's clear to see why Nintendo is beloved by parents as a company that creates nonviolent, family-friendly entertainment for kids. This is an average assessment as some individuals may take longer to modify what they wish to change; whereas some people can do so very quickly. Learning to love myself for who I am and embracing all of my experiences has been the catalyst for transformation in my own life. Embarking on a spiritual journey has offered me the fortitude necessary to believe that anything is possible and to achieve it as well. As an Intuitive Medium, Reiki Master and Spiritual Teacher, my personal mission is to assist others on their own journey into consciousness while encouraging them to live an authentic life through awareness and empowerment. Coming from a place of respect, truth, integrity and love, I honor your free will and recognize that you are co-creating your reality with the Universe. My intention is to bring understanding, help you to heal from the past and realize your full potential. I invite you to begin your life in a new way and tap into your inner power as you explore who you really are. Refrain from simply existing and elect to live your life fully without regret. It is time to let go of the past, live in the present and look to the future for it is this attitude that will transform you.
