Sin City's infamous billionaire Lorenzo Carrington intends to break all the rules, including his own, to marry off-limits and innocent heiress Zara Davis. Everyone warns her to stay away, but resisting Lorenzo's relentless charms is impossible. Despite his dangerous reputation, she's always secretly wanted to be claimed by the notorious bad boy. Ten long years he's been patient, and now that she's all grown up, curvier and more desirable than ever, all bets are off. The beguiling Zara belongs to him, and it's only a matter of time before she submits to his most illicit demands. She will learn Lorenzo has waited long enough.

**TV's M\*A\*S\*H: The Ultimate Guide Book** NewSouth Books  
An insightful and funny look at some of the impossible questions Alan Alda has asked himself over the years: What do I value? What, exactly, is the good life? (And what does that even mean?) Picking up where his bestselling memoir left off—having been saved by emergency surgery after nearly dying on a mountaintop in Chile—Alda finds himself not only glad to be alive but searching for a way to squeeze the most juice out of his new life. Looking for a sense of meaning that would make this extra time count, he listens in on things he's heard himself saying in private and in public at critical points in his life—from the turbulence of the sixties, to his first Broadway show, to the birth of his children, to

the ache of September 11, and beyond. Reflecting on the transitions in his life and in all our lives, he notices that “doorways are where the truth is told,” and wonders if there’s one thing—art, activism, family, money, fame—that could lead to a “life of meaning.” In a book that is candid, wise, and as questioning as it is incisive, Alda amuses and moves us with his unique and hilarious meditations on questions great and small. Things I Overheard While Talking to Myself is another superb Alan Alda performance, as inspiring and entertaining as the man himself. Praise for Things I Overheard While Talking to Myself “Engagingly thoughtful and thought-provoking . . . [Alan Alda] candidly shares many stories of his life, so easily and wittily you can hear him speak as you read.” –Sydney Sun Herald “Alda is chatty, easygoing and humble, rather like a Mr. Rogers for grownups. His words of inspiration would be a perfect gift for a college grad or for anyone facing major life changes.” –Publishers Weekly (starred review) “Smart, engaged, funny and observant.” –San Antonio Express-News

INTERNATIONAL BEST SELLING AUTHOR Julia Lyle will have nothing to do with domineering men, no matter how tall, dark, and sexy. But Dom Marcus Cavendish will be satisfied with nothing less than collaring the fiercely independent Julia. Nothing could have shocked her more... Julia Lyle is invited to her best friend's wedding and is stunned when Lana kneels to accept her husband's collar. When Julia starts to object, firm, relentless hands land on her shoulders. The man behind her threatens to turn her over his knee if she interrupts. She's outraged, but there's no doubt he's serious. After the ceremony, he offers her a glimpse into her friend's lifestyle, if she's brave enough to accept. Master Marcus Cavendish is everything she doesn't want in a man—dominant, self-assured and arrogant. So why can't she resist him? Telling herself that learning about the lifestyle will make her a better friend, Julia agrees to submit to Master Marcus, but only for the evening. Firm and unrelenting in his handling of her, he introduces her to his tawse and the pleasure/pain of a spanking delivered by a competent Dom. The experience unnerves her, making her question everything she thought she knew about relationships, and his forced orgasms leave her shattered. No doubt the scene seduced her, and that makes her doubly determined to avoid him. She has fought hard for her freedom and vowed only to date nice men, and Master Marcus is anything but safe. Marcus is undeterred. Julia is a natural sub. The way she responded to his touch, his voice, his punishment proved it. Now he has to convince her to yield to him, submitting to his tawse as she kneels to accept his collar.

Ludelfia Bennett may be blind in one eye, but that doesn't mean she can't put in a good stitch. In fact, Ludelfia sews all the time, especially when things are going wrong. But when Mama gets deathly ill, it doesn't seem like even quilting will help. Mama needs medicine badly—medicine that can only be found in

Camden, over forty miles away. That's when Ludelfia decides to do something drastic—leave Gee's Bend. Beyond the cotton fields of her small sharecropping community, Ludelfia discovers a world she never imagined, but there's also danger lurking for a young girl on her own. Set in 1932 and inspired by the rich quilting traditions of Gee's Bend, Alabama, *Leaving Gee's Bend* is a delightful story of a young girl facing a brave new world, presented in a new paperback edition.

Before the movie, this is the novel that gave life to Hawkeye Pierce, Trapper John, Hot Lips Houlihan, Frank Burns, Radar O'Reilly, and the rest of the gang that made the 4077th MASH like no other place in Korea or on earth. The doctors who worked in the Mobile Army Surgical Hospitals (MASH) during the Korean War were well trained but, like most soldiers sent to fight a war, too young for the job. In the words of the author, "a few flipped their lids, but most of them just raised hell, in a variety of ways and degrees." For fans of the movie and the series alike, here is the original version of that perfectly corrupt football game, those martini-laced mornings and sexual escapades, and that unforgettable foray into assisted if incompleting suicide--all as funny and poignant now as they were before they became a part of America's culture and heart.

Educating Evangeline: This isn't what she came here for! Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harte Sommers is charmed by the little wolf with the pink streak in her ebony hair. As alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end."--Publisher description.

HAWKEYE TWO: BEND ME OVER Protecting sexy and uptight

professor Aimee takes an interesting turn when Trace Romero discovers she has a secret passion for BDSM. Aimee's not ready to trust a tall, dark, gorgeous stranger with her body "or" her life. She would send him on his way, if her sister weren't so concerned about the break in at her house, and if she hadn't threatened protective custody. But protective custody might have been slightly less overwhelming than Trace demanding her complete capitulation, mind and body, and more -- her total trust. But that trust may be the only thing standing between her and a madman determined to kill her. **HAWKEYE THREE: MAKE ME** Competent and in control, Ms. Inamorata, Hawkeye's righthand woman, has the perfect relationship with hunky fellow operative Wesley Lowell. Several times a week, she shows up at his house, has fabulous sex, meaningless conversation, and then returns home and to her regular life. Hawkeye operative Wesley Lowell wants sexy, mysterious Ms. Inamorata in his life and his bed. Fed up with Inamorata's "here for the sex and gone in the morning" terms, he bends her over the bed, and takes her the way he wants to: hard, fast, dominating. Against her own wishes, Inamorata responds to his more heated sexual demands. For the first time since they've been together, he makes her beg for an orgasm, and beg she does. This oh-so-sexy man turns her life upside down, until she realizes she needs him not only as a demanding lover, but needs him by her side to solve a case that causes past and present to collide. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and elements."

*Things I Overheard While Talking to Myself* DigiCat

The international bestselling author of *Where the Light Enters* presents a remarkable epic about two female doctors in nineteenth-century New York. The year is 1883, and in New York City, Anna Savard and her cousin Sophie—both graduates of the Woman's Medical School—treat the city's most vulnerable, even if doing so puts everything they've strived for in jeopardy... Anna's work has placed her in the path of four children who have lost everything, just as she herself once had. Faced with their helplessness, Anna must make an unexpected choice between holding on to the pain of her past and letting love into her life. For Sophie, an obstetrician and the orphaned daughter of free people of color, helping a desperate young mother forces her to grapple with the oath she took as a doctor—and thrusts her and Anna into the orbit of anti-vice crusader Anthony Comstock, a dangerous man who considers himself the enemy of everything indecent and

of anyone who dares to defy him. With its vivid depictions of old New York and its enormously appealing characters, *The Gilded Hour* is a captivating novel by an author at the height of her powers.

Broke must be rough, dominant, and confident. Stepping into his

new role as MC Vice President, the mask he wears screams "Don't screw with me!" but that just hides the part he can't show. Inside this sweet, shy man are insecurities stemming from trauma he encountered as a teenager that still haunt him. Roan is as sweet as they come. The epitome of pure; good, honest and innocent. Thrown into danger by her job, she's attacked by a member of the

Russian mob. Left lying helpless in the hospital, one phone call binds her to the rough, handsome biker who would do anything to protect her. With danger lurking she has no other option but to hide beneath his wings. Both hide behind themselves, yet are determined to force the other to become the person they truly are. Will they each overcome their inner battles as well as the threat from the Russian mob who leaves a trail of bodies in its
