Many woodwind players come from a classical background which may not have taught you how to play by ear. While this can provide an excellent grounding in music, it doesn't teach you how to improvise, and often it's difficult for classically trained musicians to learn Jazz soloing. *Beginner Jazz Soloing For Saxophone & Clarinet* is the perfect

guide to bridge the gap. Devised by Buster Birch (visiting jazz professor at Trinity Conservatoire), this book teaches a creative method for improvisation that's been road-tested at hundreds of workshops.

The Serious Jazz Practice Book Taylor & Francis

Do you want your scale practice to make a real tangible difference in your playing? *New Bass Clef Print Edition* with foreword by Lincoln Goines. The ear is key, and Bach's melodies teach us how to voice lead through chords better than anything else, so what could be more applicable to us as jazz improvisers? The 70 pages of exercises here will teach you to: - Learn to pre-hear intervals, which will help you learn to play what you are hearing faster than any other

approach. - Improve your pitch. Practice these with any drone found on Youtube. - Improve your technique. - Increase your vocabulary of melodic shapes, usable in so many situations! - Apply interval patterns to jazz harmonic progressions via 4 jazz etudes on standard progressions. All of the Shapes in this book come directly from the music of J.S. Bach. There has never been a book like this before, and this is just the beginning. Bach Shapes II will be out in 2021 and when you subscribe to Jon De Lucia's mailing list you will get access to all kinds of extra materials related to the book: - Video Tutorials - Recordings of the examples in the book - Links to articles about the book - Free downloads of Bach duets - more to come! Buy Bach Shapes now and let's get to work! At the

prompting of the Berklee College of Music Bass Department and other institutions, Jon De Lucia has rewritten the successful book of saxophone studies for bass instruments. In addition, there is bonus material presented from the upcoming Bach Shapes Two, which will be released in volumes starting Summer 2021. "Who doesn't love some Bach?! Jon has done a great job in researching the Bach vocabulary and finding phrases that fit in the jazz idiom. Great melodic snippets that can be applied to common standards and in any contemporary music style. And also great reading material, from the intermediate to the advanced player, with enough variations to keep focused on the page." -Sandro Scoccia, Assistant Chair of the Berklee Bass Department.

"This is a great book for reading and diatonic fingerboard dexterity." - Lincoln Goines, Faculty at Berklee College of Music, played with Dizzy Gillespie, Michael Brecker, Sonny Rollins.

Jazz on My Mind Hal Leonard Corporation

"Powerful . . . equal parts heartwarming and heart-wrenching. White is a gifted storyteller." —Washington Post From the streets of Baltimore to the halls of the New Mexico Philharmonic, a musician shares his remarkable story in *I'm Possible*, an inspiring memoir of perseverance and possibility. Young Richard Antoine White and his mother don't have a key to a room or a house. Sometimes they have shelter, but they never have a place to call home. Still, they have each other, and Richard believes he can look after his mother, even as she struggles with alcoholism and sometimes disappears, sending Richard into loops of visiting familiar spots until he finds her again. And he

always does—until one night, when he almost dies searching for her in the snow and is taken in by his adoptive grandparents. Living with his grandparents is an adjustment with rules and routines, but when Richard joins band for something to do, he unexpectedly discovers a talent and a sense of purpose. Taking up the tuba feels like something he can do that belongs to him, and playing music is like a light going on in the dark. Soon Richard gains acceptance to the prestigious Baltimore School for the Arts, and he continues thriving in his musical studies at the Peabody Conservatory and beyond, even as he navigates racial and socioeconomic disparities as one of few Black students in his programs. With fierce determination, Richard pushes

forward on his remarkable path, eventually securing a coveted spot in a symphony orchestra and becoming the first African American to earn a doctorate in music for tuba performance. A professor, mentor, and motivational speaker, Richard now shares his extraordinary story—of dreaming big, impossible dreams and making them come true.
