A People Magazine Best Book Fall 2021 From celebrated Indigenous author Thomas King and award-winning Métis artist Natasha Donovan comes a powerful graphic novel about a family caught between nations. *Borders* is a masterfully told story of a boy and his mother whose road trip is thwarted at the border when they identify their citizenship as Blackfoot. Refusing to identify as either American or Canadian first bars their entry into the US, and

then their return into Canada. In the limbo between countries, they find power in their connection to their identity and to each other. *Borders* explores nationhood from an Indigenous perspective and resonates deeply with themes of identity, justice, and belonging. [The Demolished Man](#) Doubleday Books for Young Readers The lives of the inhabitants of two towns, Truth and Bright Water, separated by a river running between Montana and an Ottawa Indian reservation, intertwine over the course of a summer as seen through the eyes of two young boys, Tecumseh and his cousin Lum, in a novel about life, love, family secrets, and growing up. FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want to call someone you love." - The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life - powerful and genre-defying." - People "A thoughtful, powerful novel by a writer who displays enormous compassion for

her characters. Long Bright River is an outstanding crime novel... I absolutely loved it."
—Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train*

Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, *Long Bright River* is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the

formidable ties that persist between place, family, and fate.
The Indian in the Cupboard Houghton Mifflin Harcourt

Strong, sassy women and hard-luck, hard-headed men, all searching for the middle ground between Native American tradition and the modern world, perform an elaborate dance of approach and avoidance in this magical, rollicking tale by award-winning author Thomas King. Alberta, Eli, Lionel and others are coming to the Blackfoot reservation for the Sun Dance. There they will encounter four Indian elders and their companion, the trickster Coyote—and nothing in the small town of Blossom will be the same again. . .

The Back Of The Turtle

HarperCollins

From the Man Booker finalist and bestselling author of *We Are All Completely Beside Ourselves* comes an epic and intimate novel about the family behind one of the most infamous figures in American history: John Wilkes Booth. In 1822, a secret family moves into a secret cabin some thirty miles northeast of Baltimore, to farm, to hide, and to bear ten children over the course

of the next sixteen years. Junius Booth—breadwinner, celebrated Shakespearean actor, and master of the house in more ways than one—is at once a mesmerizing talent and a man of terrifying instability. One by one the children arrive, as year by year, the country draws frighteningly closer to the boiling point of secession and civil war. As the tenor of the world shifts, the Booths emerge from their hidden lives to cement their place as one of the country's leading theatrical families. But behind the curtains of the many stages they have graced, multiple scandals, family triumphs, and criminal disasters begin to take their toll, and the solemn siblings of John Wilkes Booth are left to reckon with the truth behind the destructively specious promise of an early prophecy. Booth is a startling portrait of a country in the throes of change and a vivid exploration of the ties that make, and break, a family.

There are too many stories about Indigenous women who go missing or are murdered, and it doesn't seem as though official sources such as

government, police or the courts respond in a way that works toward finding justice or even solutions. At least that is the way Wren StrongEagle sees it. Wren is devastated when her twin sister, Raven, mysteriously disappears after the two spend an evening visiting at a local pub. When Wren files a missing persons report with the local police, she is dismissed and becomes convinced the case will not be properly investigated. As she follows media reports, Wren realizes that the same heartbreak she's feeling is the same for too many families, indeed for whole Nations. Something within Wren snaps and she decides to take justice into her own hands. She soon disappears into a darkness, struggling to come to terms with the type of justice she delivers. Throughout her choices, and every step along the way, Wren feels as though she is being guided. But, by what?

One Good Story, That One is a collection steeped in native oral tradition and shot through with Thomas King's special brand of wit and comic imagination. These highly acclaimed

stories conjure up Native and Judeo-Christian myths, present-day pop culture, and literature while mixing in just the right amount of perception and experience.

Medicine River House of Anansi

When Will returns to Medicine River, he thinks he is simply attending his mother's funeral. He doesn't count on Harlen Bigbear and his unique brand of community planning. Harlen tries to sell Will on the idea of returning to Medicine River to open shop as the town's only Native photographer. Somehow, that's exactly what happens. Through Will's gentle and humorous narrative, we come to know Medicine River, a small Albertan town bordering a Blackfoot reserve. And we meet its people: the basketball team; Louise Heavyman and her daughter, South Wing; Martha Oldcrow, the marriage doctor; Joe Bigbear, Harlen's world-travelling, storytelling brother; Bertha Morley, who has a short fling with a Calgary dating service; and David Plume, who went to Wounded Knee. At the centre of it all is Harlen, advising and pestering, annoying and

entertaining, gossiping and benevolently interfering in the lives of his friends and neighbours.

Truth & Bright Water

Harper Collins

A classic and hugely entertaining political novel, the cat-and-mouse story of urban intrigue in Seattle both in 1962, when Seattle hosted the World's Fair, and in 2001, after its transformation in the Microsoft gold rush. Larger than life, Roger Morgan was the mastermind behind the fair that made the city famous and is still a backstage power forty years later, when at the age of seventy he runs for mayor in hopes of restoring all of Seattle's former glory. Helen Gulanos, a reporter every bit as eager to make her mark, sees her assignment to investigate the events of 1962 become front-page news with Morgan's candidacy, and resolves to find out who he really is and where his power comes from: in 1962, a brash and excitable young promoter, greeting everyone from Elvis Presley to Lyndon Johnson, smooth-talking himself out of difficult situations, dipping in and out of secret card games; now, a beloved public

figure with, it turns out, still-plentiful secrets. Wonderfully interwoven into this tale of the city of dreams are backroom deals, idealism and pragmatism, the best and worst ambitions, and all the aspirations that shape our communities and our lives.

With a plethora of superb reviews and upcoming publication in the US, Thomas King's latest work affirms him as one of our wittiest and wisest writers. Truth & Bright Water is the tale of two young cousins and one long summer. Tecumseh and Lum live in Truth, a small American town, and Bright Water, the reserve across the border and over the river. Family is the only reason most of the people stay in the towns, and yet old secrets and new mysteries keep pulling the more nomadic residents back to the fold. Monroe Swimmer, famous Indian artist, returns to live in the old church with the hope of painting it into the prairie landscape and re-establishing the buffalo population. Tecumseh's Aunt Cassie has come back too,

already arguing with his mother. Why has his mother given Cassie a suitcase full of baby clothes? And why is Lum interested only in winning the Indian Days race? Tecumseh has more questions than anyone will answer, until the Indian Days festival arrives and the mysteries of the summer collide in love, betrayal and reconciliation. Equally plainspoken and poetic, comic and poignant, Truth & Bright Water is a crackling good story that resonates with universal truths.

Cold Skies Knopf Books for Young Readers
In this “evocative first novel,” an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate, secret love affair with Ernesto “Che” Guevara (Publishers Weekly). A young Cuban woman has been searching in vain for details of her birth mother. All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow, and that pinned to her sweater—possibly by her mother—were a few treasured lines of a Pablo Neruda poem. These facts remain her only tenuous links to her history, until a

mysterious parcel arrives in the mail. Inside the soft, worn box are layers of writings and photographs. Fitting these pieces together with insights she gleans from several trips back to Havana, the daughter reconstructs a life of her mother, her youthful affair with the dashing, charismatic Che Guevara and the child she bore by the enigmatic rebel. Loving Che is a brilliant recapturing of revolutionary Cuba, the changing social mores, the hopes and disappointments, the excitement and terror of the times. It is also an erotic fantasy, a glimpse into the private life of a mythic public figure, and an exquisitely crafted meditation on memory, history, and storytelling. Finally, Loving Che is a triumphant unveiling of how the stories we tell about others ultimately become the story of ourselves. “A moving novel from a writer to watch.” —Publishers Weekly “Inventive and hypnotic . . . [An] artful and restless examination of the exile soul.” —Los Angeles Times “[Menendez] captures Cuba’s potential, its desperation and decay, and also its dark humor.”

—The New York Times
 “The writing is consistently beautiful. Highly recommended.”

 Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second installment in a new series of adventure mystery stories that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a

lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

Project: Happily Ever After Penguin

In 1969, Ricahrd Oakes and Adam Fortunate Eagle, then known as Adam Nordwall, instigated an invasion of Alcatraz by American Indians. From the mainland, Fortunate Eagle orchestrated the events, but they assumed an uncontrollable life of their own. Fortunate Eagle provides an intimate memoir of the occupation and the events leading up to it. Accompanied by a variety of photographs capturing the people, places, and actions involved, Heart of the Rock brings these turbulent times vividly to life. From the start, public support was strong. Money poured in from around the country.

Sausalito sailors and their "navy" transported supplies and people to the island. San Fransisco restaurants sent Thanksgiving dinner. A school was started; chores and responsibilities were shared by everyone. Alcatraz became home, and American Indians of all tribes became a family. But the occupation lasted two years, and Oakes, who had become it spokesman, left after his stepdaughter's death on the island. Memoranda from the White House recommended doing "anything" to turn the public against the occupation so it could be ended. Water and electricity were cut off, reports of conflict on the island began appearing in the press, and suspicious fires burned five buildings. Nevertheless, the occupation of Alcatraz remains what historian Vine Deloria, Jr. has called "perhaps the most significant Indian action since the Little Bighorn." *The Daily Show (The Book)* Grove Press

SHORTLISTED FOR THE BOOKER PRIZE 2021
A soaring, breathtakingly ambitious novel that weaves together the

astounding lives of a 1950s vanished female aviator and the modern-day Hollywood actress who plays her on screen. From the night she is rescued as a baby out of the flames of a sinking ship; to the day she joins a pair of daredevil pilots looping and diving over the rugged forests of her childhood, to the thrill of flying Spitfires during the war, the life of Marian Graves has always been marked by a lust for freedom and danger. In 1950, she embarks on the great circle flight, circumnavigating the globe. It is Marian's life dream and her final journey, before she disappears without a trace. Half a century later, Hadley Baxter, a scandal-ridden Hollywood actress whose own parents perished in a plane crash is irresistibly drawn to play Marian Graves, a role that will lead her to probe the true mystery behind the vanished pilot.

Jeremiah Camp, a.k.a. the Forecaster, can look into the heart of humanity and see the patterns that create opportunities and profits for the rich and powerful. Problem is, Camp has looked one too many times, has seen what he hadn't expected to see and has come away from the abyss with no hope for himself or for the future. So Jeremiah does what any intelligent, sensitive person would do. He runs away. Goes into hiding in a small town, at an old residential school on an even smaller Indian reserve with no phone, no Internet, no television. With the windows shut, the door locked, the mailbox removed to discourage any connection with the world, he feels safe at last. Except nobody told the locals that they should leave Jeremiah alone. And then his past comes calling. Ash Locken, head of the Locken Group, the multinational consortium that Jeremiah has fled, arrives on his doorstep with a simple proposition. She wants our hero to formulate one more forecast, and she's not about to take no for an answer. Before he left the Locken empire, Jeremiah

had put together a list of twelve names, every one a billionaire. The problem is the people on the list are dying at an alarming and unnatural rate. And

Ash Locken wants to know why. A sly and satirical look at the fractures in modern existence, *Sufferance* is a bold and provocative novel about

the social and political consequences of the inequality created by privilege and power—and what we might do about it.
