A Memoir Penguin

"For as long as I can remember, life has been measured in seconds. The fewer, the better." Most people equate success with having more, but Sanya's quest was always for less. She started running track as a little girl in Jamaica and began competing when she was only seven. At 31 she's had a career's worth of conditioning to run a 400-meter race in 50 seconds, hopefully 49, or even better, 48. When she started training with her

coach, Clyde Hart, they divided her race into four phases: push, pace, position, poise, and with the inherent prayer. For years Sanya worked to hone every phase in practice so that when it came time to race, her body would respond as her mind instinctively transitioned from one phase to the next. As she got older and embraced a life that measures more than just a number on the time clock, she has realized the genius of this strategy for not just racing the 400 meters, but for living her best life. Sanya shares triumphant as well as heartbreaking stories as she reveals her journey to becoming a world-class runner. From her childhood in Jamaica to Athens, Beijing and London Olympics, readers will find themselves inspired by the unique insights she's gained through her victories and losses, including her devastating injury during the 2016 Olympic Trials forcing career retirement just weeks before Rio. Sanya demonstrates how even this devastating loss brought her closer to the ultimate goal of becoming all God created her to be. "Sometimes you think you are chasing a gold medal, but that's not what you are chasing. You're racing to become the best version of yourself."

Norm! Sin City's Ace Insider 1,000 Naked Truths, Hot Spots and Cool Stuff Harper Collins

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game.

Open Hachette UK

Chasing Points Vintage

From Maria Sharapova, one of our fiercest female athletes, the captivating—and candid—story of her rise from nowhere to tennis stardom, and the unending fight to stay on top. In 2004, in a stunning upset against the two-time defending champion Serena Williams, seventeen-year-old Maria Sharapova won Wimbledon, becoming an overnight sensation. Out of virtual anonymity, she launched herself onto the international stage. "Maria Mania" was born. Sharapova became a name and face recognizable worldwide. Her success would last: she went on to hold the number-one WTA ranking multiple times, to win four more Grand Slam tournaments, and to become one of the highest-grossing female athletes in the world. And then—at perhaps the peak of her career—Sharapova came up against the toughest challenge yet: during the 2016 Australian Open, she was charged by the ITF with taking the banned substance meldonium, only recently added to the ITF's list. The resulting suspension would keep her off the professional courts for fifteen months—a frighteningly long time for any athlete. The media suggested it might be fateful. But Sharapova's career has always been driven by her determination and by her dedication to hard work. Her story doesn't begin with the 2004 Wimbledon championship, but years before, in a small Russian town, where as a five-year-old she played on drab neighborhood courts with precocious concentration. It begins when her father, convinced his daughter could be a star, risked everything to get them to Florida, that sacred land of tennis academies. It begins when the two arrived with only seven hundred dollars and knowing only a few words of English. From that,

Sharapova scraped together one of the most influential sports careers in history. Here, for the first time, is the whole story, and in her own words.

Sharapova's is an unforgettable saga of dedication and fortune. She brings us inside her pivotal matches and illuminates the relationships that have shaped her—with coaches, best friends, boyfriends, and Yuri, her coach, manager, father, and most dedicated fan, describing with honesty and affection their oft-scrutinized relationship. She writes frankly about the suspension. As Sharapova returns to the professional circuit, one thing is clear: the ambition to win that drove her from the public courts of Russia to the manicured lawns of Wimbledon has not diminished. Sharapova's *Unstoppable* is a powerful memoir, resonant in its depiction of the will to win—whatever the odds.

Roger Federer *Headline*

A candid memoir by the tennis champion includes coverage of his Grand Slam wins, establishment of a charitable foundation for underprivileged children and marriage to Stefanie Graf. Reprint. A #1 best-seller and New York Times Notable Book.

Cycle of Lies Hachette Books

DIV At the age of sixteen, Monica Seles crashed on to the world tennis scene by becoming the youngest winner in French Open History. For three years, she dominated the tennis circuit, racking up eight Grand Slam titles, winning three back-to-back French Open titles. At post-match conferences she charmed the media with her trademark giggle. In January 1993, Seles defeated Steffi Graf in the Australian Women's Open and in April of that year, while playing a quarter-final in Hamburg, a boning knife was plunged between her shoulder

blades by a Graff fan. Everything changed. The incident shocked the tennis world. Seles' injuries healed, but Seles did not. Now, in this compelling book she tells us in her own words what followed - years of seclusion, the fog of despair, binge eating, dealing with criticism about her weight from a brutal press, losing her father-coach to cancer and never regaining her dominance on court despite getting in to the top 10. After years battling to regain fitness and tennis glory, an excruciating injury forced Monica to take time off from tennis in 2003 and she embarked on her own journey. She abandoned the arduous workouts and punitive diets, and slowly uncovered the painful emotions behind years of tumultuous feelings. This is a human and inspiring story of determination, amazing talent and touching vulnerability, that Seles hopes will motivate and inspire others to find happiness in their own lives. Monica Seles is a former No 1 professional tennis player who became the youngest-ever champion at the French Open in 1990 and went on to win nine Grand Slam singles titles. In 2007, she was appointed goodwill ambassador for the UN's Global Sports for Peace and Development Initiative. /div

"A can't-put-it-down modern Western."
—Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing
The Last Cowboys is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, *The Last Cowboys* is a powerful testament to the grit and integrity that fuel the American Dream.

The Player Citadel Press

The perfect gift for Brooke Shields fans, *There Was a Little Girl* explores Brooke's relationship with her unforgettable mother, Teri, in this extraordinary, heartfelt memoir that became a New York Times bestseller. Brooke Shields never had what anyone would consider an ordinary life. She was raised by her Newark-tough single mom, Teri, a woman who loved the world of show

business and was often a media sensation all by herself. Brooke's iconic modeling career began by chance when she was only eleven months old, and Teri's skills as both Brooke's mother and her manager were formidable. But in private she was troubled and drank heavily. As Brooke became an adult the pair made choices and sacrifices that would affect their relationship forever. And when Brooke's own daughters were born she found that her experience as a mother was shaped in every way by the woman who raised her. But despite the many ups and downs, Brooke was by Teri's side when she died in 2012, a loving daughter until the end. Only Brooke knows the truth of the remarkable, difficult, complicated woman who was her mother. And now, in an honest, open memoir about her life growing up, Brooke will reveal stories and feelings that are relatable to anyone who has been a mother or daughter.
Strokes of Genius Houghton Mifflin Harcourt

From one of the world's most beloved and bestselling authors, a terrifically useful and readable guide to the problems of the English language most commonly encountered by editors and writers. What is the singular form of graffiti? From what mythological figure is the word "tantalize" derived? One of the English language's most skilled writers guides us all toward precise, mistake-free usage. Covering spelling, capitalization, plurals, hyphens, abbreviations, and foreign names and phrases, Bryson's *Dictionary for Writers and Editors* will be an indispensable companion for all who care enough about our language not to maul, misuse, or contort it. As Bill Bryson notes, "English is a dazzlingly idiosyncratic tongue, full of quirks and irregularities

that often seem willfully at odds with logic and common sense.” This dictionary is an essential guide to the wonderfully disordered thing that is the English language.

A Novel Crown

#1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game’s highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

The Biography Penguin

The former professional tennis player and champion coach presents his inspirational approach to accomplishing success, with motivational tips on how to deal with intense pressure, distractions, frustrations, and competitors. 50,000 first printing.

The Outsider Harper Collins

Driven by his love of tennis, Mike Agassi decided to teach his children how to play the game. It was his son Andre’s talent that shone through the brightest, and Andre became dominant in the world of men’s tennis. *The Agassi Story* begins on the streets of

A Memoir Harper Collins

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game. Coaxed to swing a racket while still in the crib, forced to hit hundreds of balls a day while still in grade school, Agassi resented the constant pressure even as he drove himself to become a prodigy, an inner conflict that would define him. Now, in his beautiful, haunting autobiography, Agassi tells the story of a life framed by such conflicts. Agassi makes us feel his panic as an undersized seven-year-old in Las Vegas, practicing all day under the obsessive gaze of his violent father. We see him at thirteen, banished to a Florida tennis camp. Lonely, scared, a ninth-grade dropout, he rebels in ways that will soon make him a 1980s icon. By the time he turns pro at sixteen, his new look promises to change tennis forever, as does his lightning fast return. And yet, despite his raw talent, he struggles early on. We feel his confusion as he loses to the world's best, his greater confusion as he starts to win. After stumbling in three Grand Slam finals, Agassi shocks the world, and himself, by capturing the 1992 Wimbledon. Overnight he becomes a fan favorite and a media target. Agassi brings a near-photographic memory to every pivotal match, and every public relationship. Alongside vivid portraits of rivals, Agassi gives unstinting accounts of his brief time with Barbra Streisand and his doomed marriage to Brooke Shields. He reveals the depression that shatters his confidence, and the mistake that nearly costs him everything. Finally, he recounts his spectacular resurrection and his march to become the oldest man ever ranked number one. In clear, taut prose, Agassi evokes his loyal brother, his wise coach, his gentle trainer, all the

people who help him regain his balance and find love at last with Stefanie Graf. With its breakneck tempo and raw candor, *Open* will be read and cherished for years. A treat for ardent fans, it will also captivate readers who know nothing about tennis. Like Agassi's game, it sets a new standard for grace, style, speed and power.

Pete Sampras: Greatness Revisited

Crown

The definitive account of Lance Armstrong's spectacular rise and fall. In June 2013, when Lance Armstrong fled his palatial home in Texas, downsizing in the face of multimillion-dollar lawsuits, Juliet Macur was there—talking to his girlfriend and children and listening to Armstrong's version of the truth. She was one of the few media members aside from Oprah Winfrey to be granted extended one-on-one access to the most famous pariah in sports. At the center of *Cycle of Lies* is Armstrong himself, revealed through face-to-face interviews. But this unfolding narrative is given depth and breadth by the firsthand accounts of more than one hundred witnesses, including family members whom Armstrong had long since turned his back on—the adoptive father who gave him the Armstrong name, a grandmother, an aunt. Perhaps most damning of all is the taped testimony of the late J.T. Neal, the most influential of Armstrong's many father figures, recorded in the final years of Neal's life as he lost his battle with cancer just as Armstrong gained fame for surviving the disease. In the end, it was Armstrong's former friends, those who had once occupied the precious space of his inner circle, who betrayed him. They were the ones who dealt Armstrong his fatal blow by breaking the code of silence that shielded the public from the grim truth

about the sport of cycling—and the grim truth about its golden boy, Armstrong. Threading together the vivid and disparate voices of those with intimate knowledge of the private and public Armstrong, Macur weaves a comprehensive and unforgettably rich tapestry of one man's astonishing rise to global fame and fortune and his devastating fall from grace.

7 easy steps to achieving freedom, happiness and success in your life

Stephens Press, LLC

"Electrifying." --Booklist (starred) Willie Sutton was born in the Irish slums of Brooklyn in 1901, and he came of age at a time when banks were out of control. Sutton saw only one way out and only one way to win the girl of his dreams. So began the career of America's most successful bank robber. During three decades Sutton became so good at breaking into banks, the FBI put him on its first-ever Most Wanted List. But the public rooted for the criminal who never fired a shot, and when Sutton was finally caught for good, crowds at the jail chanted his name. In J.R. Moehringer's retelling, it was more than need or rage that drove Sutton. It was his first love. And when he finally walked free--a surprise pardon on Christmas Eve, 1969--he immediately set out to find her. "What Hilary Mantel did for Thomas Cromwell and Paula McLain for Hadley Hemingway . . . J.R. Moehringer now does for bank robber Willie Sutton." --Newsday "Thoroughly absorbing. . . . Filled with vibrant and colorful recreations of not one but several times in the American past." --Kevin Baker, author of *Strivers Row* "[J.R. Moehringer] has found an historical subject equal to his vivid imagination, gimlet journalistic eye, and pitch-perfect ear for dialogue. By turns suspenseful, funny, romantic,

and sad--in short, a book you won't be able to put down." --John Burnham Schwartz, author of *Reservation Road* and *The Commoner*

The Whirl Hachette Books

One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage.

During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record *No Sleep 'Til Hammersmith* and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. *White Line Fever*, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

A Terrible Splendor Little, Brown

The Outsider is a no-holds-barred memoir by the original bad boy of tennis, Jimmy Connors. Connors ignited the tennis boom in the 1970s with his aggressive style of play, turning his matches with John McEnroe, Bjorn Borg, and Ivan Lendl into prizefights. But it was his prolonged dedication to his craft that won him the public's adoration. He capped off one of the most remarkable runs in tennis history at the age of 39 when he reached the semifinals of the 1991 U.S. Open, competing against players half his age. More than just the story of a tennis champion, *The Outsider* is the uncensored account of Connors' life, from his complicated relationship with his formidable mother and his storybook romance with tennis legend Chris Evert, to his battles with gambling and fidelity that threatened to derail his career and his long-lasting marriage to Playboy playmate Patti McGuire. When he retired from tennis twenty years ago,

Connors all but disappeared from public view. In *The Outsider*, he is back at the top of his game, and as feisty, outspoken, and defiant as ever. This autobiography includes original color photographs from the author.

Mental Warfare in Tennis--Lessons from a Master Harper Collins

The tennis classic from Olympic gold medalist and ESPN analyst Brad Gilbert, now featuring a new introduction with tips drawn from the strategies of Roger Federer, Novak Djokovic, Serena Williams, Andy Murray, and more, to help you outthink and outplay your toughest opponents A former Olympic

medalist and now one of ESPN's most respected analysts, Brad Gilbert shares his timeless tricks and tips, including "some real gems" (*Tennis magazine*) to help both recreational and professional players improve their game. In the new introduction to this third edition, Gilbert uses his inside access to analyze current stars such as Serena Williams and Rafael Nadal, showing readers how to beat better players without playing better tennis.
