**Biodiversity of the Himalaya: Jammu and Kashmir State** Diamond Pocket Books Pvt Ltd

Chronicling the Indian Premier League (IPL), India's first sports league and the most controversial ever, this book explores the intricacies of the business and the acceptability of the IPL to take a closer look at the various scams that have plagued it. It is a blow-by-blow description of the highs, lows, and future of the IPL that has, possibly, redefined the way the rest of the world perceives India. It analyses what the league got right and what it has got wrong and why. And, what the IPL and its owner/promoter—the Board of Control for Cricket in India (BCCI)—could have done to sell the sport and build on the popularity of cricket in India, but didn't. Analysing the spot-fixing scandal, the conflict of interest controversy, the specific issues concerning the teams, the complicated interplay between the BCCI and the IPL, this thought-provoking work brings to light many untold stories of cricket in India.

*Bookie Gambler Fixer Spy* Constable

This book focuses on the application of data mining techniques in cricket. It provides detailed examples of how data mining can be helpful for decision-making in sports with special reference to cricket, particularly the quantitative features related to Twenty20 cricket, the latest and the most popular format of the game. The book highlights the performance quantification of cricketers (batsmen, bowlers, all-rounders, and wicket keepers), determining the market valuation of cricketers based on their on-field performances and the effect of age on the performance of the cricketers. It also provides a comprehensive overview of the different aspects of the game where quantitative techniques are beneficial, and highlights the use of statistical and data mining tools in analysing sports-related data and objective decision-making in sports. The book appeals to a wide readership, including postgraduate students of statistics/mathematics, data analysts, sports management bodies. It also offers data miners, such as researchers in statistics, mathematics, operations research, and computer science ideas for projects.

*The Sky Is the Limit* Samuel French, Inc.

This comprehensive edited volume is the first of its kind, designed to serve as a textbook for long-duration business analytics programs. It can also be used as a guide to the field by practitioners. The book has contributions from experts in top universities and industry. The editors have taken extreme care to ensure continuity across the chapters. The material is organized into three parts: A) Tools, B) Models and C) Applications. In Part A, the tools used by business analysts are described in detail. In Part B, these tools are applied to construct models used to solve business problems. Part C contains detailed applications in various functional areas of business and several case studies. Supporting material can be found in the appendices that develop the pre-requisites for the main text. Every chapter has a business orientation. Typically, each chapter begins with the description of business problems that are transformed into data questions; and methodology is developed to solve these questions. Data analysis is conducted using widely used software, the output and results are clearly explained at each stage of development. These are finally transformed into a business solution. The companion website provides examples, data sets and sample code for each chapter.

*A Concise History of Afghanistan in 25 Volumes* Springer

We live in a highly connected world with multiple self-interested agents interacting and myriad opportunities for conflict and cooperation. The goal of game theory is to understand these opportunities. This book presents a rigorous introduction to the mathematics of game theory without losing sight of the joy of the subject. This is done by focusing on theoretical highlights (e.g., at least six Nobel Prize winning results are developed from scratch) and by presenting exciting connections of game theory to other fields such as computer science (algorithmic game theory), economics (auctions and matching markets), social choice (voting theory), biology (signaling and evolutionary stability), and learning theory. Both classical topics, such as zero-sum games, and modern topics, such as sponsored search auctions, are covered. Along the way, beautiful mathematical tools used in game theory are introduced, including convexity, fixed-point theorems, and probabilistic arguments. The book is appropriate for a first course in game theory at either the undergraduate or graduate level, whether in mathematics, economics, computer science, or statistics. The importance of game-theoretic thinking transcends the academic setting—for every action we take, we must consider not only its direct effects, but also how it influences the incentives of others.

**Cricket and Globalization** Springer Nature

AB has become the most valuable cricketer on the planet' Adam Gilchrist AB de Villiers is one of the finest batsmen ever to play cricket, and yet his achievement extends beyond his outrageous armoury of drives, pulls, paddles, scoops and flicks. Whether he is delighting home crowds at the Wanderers or Newlands or setting new records in Bengaluru or Sydney, he plays the game in a whole-hearted manner that projects a positive image of his country around the world, and also makes millions of South Africans feel good about themselves. This is AB's story, in his own words. The story of the youngest of three talented, sports-mad brothers growing up in Warmbaths, of a boy who excelled at tennis, rugby and cricket, of a youngster who made his international debut at the age of twenty and was then selected in every single test played by South Africa for the next eleven seasons, of a batsman who has started to redefine the art, being ranked among the world's very best in test, ODI and T20. Through all the pyrotechnics and consistency, AB has remained a true sportsman - quick to deflect praise, swift to praise opponents, eager to work hard, to embrace the team's next

challenge and to relish what he still regards as the huge privilege of representing his country. This is the story of a modern sporting phenomenon.

**CURRENT AFFAIRS 2018** Headline

THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD. When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of The Ring of the Seven, a society of influential men who are tasked to protect the greatest treasure in history. What starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

*Focus on Namibia* Bloomsbury Publishing

The story tells of the efforts of a nervous and excitable man who starts to propose to an attractive young woman, but who gets into a tremendous quarrel over a boundary line.

*IBPS RRB Guide for Officer Scale 1 Preliminary & Main Exams with Past Papers & 4 Online Practice Sets 7th Edition* Springer

Afghanistan Literature is World's greatest and richest - without Afghan- Literature no European (German, French, Spanish or English) Literature would exist today The Vedas, Zoroastrian, and Buddhist, among the oldest known Literature of Afghanistan, originating from the Great capital of Bactria present day Balkh, and Aria present day Herat, Sanskrit is the reference to the original history of Afghanistan. The Saxon Europeans' influence during the Great Games of the mid nineteenth century affected the Afghan language, religion and Territories' size, which previously had extended from India to North Africa at 2.6 million square kilometers. The Great Games continued at any cost evolving into present-day conflicts of 2013.

*Driven* Diamond Pocket Books Pvt Ltd

Why is Royal Challengers Bangalore one of the worst-performing teams in the Indian Premier League (IPL), despite having batsman like A.B. de Villiers and Chris Gayle, and being captained by Virat Kohli? On the other hand, why is Chennai Super Kings (CSK) one of the best-performing teams, despite boasting fewer superstars and an ageing M.S. Dhoni as captain? The secret could lie in the teams' captaincy styles. But more importantly, it lies in the way T20 teams plan, strategize and build themselves around a core group, which CSK has done. In Cricket 2.0: Inside the T20 Revolution, Tim Wigmore and Freddie Wilde take us on a whirlwind tour of the cricket format that has taken the world by storm. From its inception, when T20 was accepted by a narrow vote of the Marylebone Cricket Club, to its current global popularity, from its original superstar Chris Gayle to newcomers like Rashid Khan and Sandeep Lamichhane, T20 has become a phenomenon that has resurrected the game of cricket. From the sunny beaches of Trinidad and Tobago, which gave the world a West Indian team feared by its contemporaries, to the raucous stadiums of the IPL, today one of the world's most valuable sport tournaments, from India's original rejection of T20 to ultimately embracing it, signalling a shift in world cricket, Wigmore and Wilde break down how T20 has changed the game entirely, and why it may be the future of cricket.

The recent IPL Auction were not less than an action packed Bollywood movie or a soap opera from Ekta Kapoor. From excitement to nervy moments, framing of strategy to calling the shots, the two days affair had 'Hit' written all over it. Players were sold at an unbelievable prices but few among the famous brigade had to bite the dust with no one interested in their services. Rohit Sharma has abundance of talent in shorter formats of the game but Test cricket is like Achilles Heel for him, failing to get going in this format of the game. He was preferred over Ajinkya Rahane, the Indian vice-captain and boy his performance must have forced Virat Kohli to scratch his head in anger. There is much more to read from cricket in this issue.

THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR SPORTS AUTOBIOGRAPHY OF THE YEAR AT THE 2020 TELEGRAPH SPORTS BOOK AWARDS. BEN STOKES: WINNER OF THE 2019 BBC SPORTS PERSONALITY OF THE YEAR AWARD 'He is the Special One, and I intend to call him that for the rest of his career' Sir Ian Botham, Daily Telegraph 'There are not enough superlatives to describe Ben Stokes' Nasser Hussain, Daily Mail 'The undisputed hero of English cricket' The Times Early evening on Sunday 14th July 2019. Lord's Cricket Ground in London. Something unprecedented had just happened: England had won the Cricket World Cup for the very first time since the tournament's inception in 1975. At the epicentre of England's historic triumph was Ben Stokes, the talismanic all-rounder with an insatiable appetite for The Big Occasion. He contributed a critical 84 runs off 98 balls when England batted, a seemingly nerveless innings of discipline and maturity. Thrillingly, it was enough to tie the scores at 241 runs each, so the match reverted to a Super Over - just six balls for each side to bat in the ultimate in sporting sudden-death. Stokes and Jos Buttler saw England to 15 runs off their over. When it was finally confirmed that Martin Guptill had been run out off the very last ball of New Zealand's Super Over with the scores level once again, England had astonishingly won on the boundary count-back, and the nation could finally breathe again. Early evening on Sunday 25th August 2019. A sun-drenched Headingley in Leeds. Having been bowled out for just 67 earlier in the Third Test, England were facing the prospect of failing to regain the Ashes. In their second innings England were still 73 runs short of victory with a solitary wicket remaining. Australia were near certainties to retain the Ashes there and then. Cue one of the most amazing innings ever witnessed as Ben Stokes thrashed the Australian bowlers to all corners of the ground, in the process scoring 135 not out, driving England to a barely-believable one-wicket victory, and keeping the series very much alive. The nation took another breath. On Fire is Ben Stokes' brand new book, and in it he tells the story of England's electrifying first ever Cricket World Cup triumph, as well as this summer's momentous Ashes Test series. It is the ultimate insider's account of the most nerve-shredding but riveting three-and-a-half months in English cricket history.

*The Journey* Bloomsbury Publishing

From his cricket debuts in 2007 and 2013 respectively, Rohit Gurunath Sharma has grown to be one of the vital pillars of the Indian cricket team. A modern-day entertainer who refused to compromise his approach to batting, his contribution to India's domination in one-day cricket and victories in the Premier League is indisputable. This is the story of his journey, of the years of hard work and the confidence that has allowed him to keep his place in the team--and his amazing capacity to come up with big scores. His combination of aggression and caution, his lazy elegance and his deadly shots have brought a whiff of fresh air to the cricket field. The Hitman is the riveting account of a batsman, who has always chosen to play on his own terms, from two of India's best-known cricket writers, Vijay Lokapally and G. Krishnan.

**Big Sums** Human Kinetics Publishers

A startling and powerful journey to the very core of India's illegal bookmaking industry that exposes the scale of corruption and the match-fixing that now runs rife throughout world cricket. For several years Ed Hawkins made friends with India's illegal bookmakers - men who boast turnover of hundreds of millions of dollars per cricket match - as well as the corruption officers of the International Cricket Council who are trying to shut them down. It's a shady world and rumours abound. But then Hawkins receives a message that changes everything and he decides it is time to expose the truth behind match-fixing. Bookie Gambler Fixer Spy is a story featuring politicians, governing bodies, illegal bookmakers and powerless players - as well as corruption, intimidation and even suicide. It is a story that touches all cricket-playing nations around the world. It is a story that every cricket fan must read. You might never again watch a cricket match without suspicion...

**Serious Games Analytics** Pan Macmillan

Welcome to the weird and wonderful world of "Bumble", the legendary SkySports cricket commentator who's one ball short of an over and delivers madcap moments galore in this ebullient, endearing and hilarious book.

**SECRET OF THE HIMALAYAN TREASURE** Great Northern

'If the ball's there, hit it. Don't worry about what might happen. Play for the glory. Play for the six' Chris Gayle is the only man to have ever hit a six off

the first ball of a Test match. But then producing the impossible is an everyday act for the West Indies legend: the first man to smash an international T20 century, the first to hit a World Cup 200, the fastest century in the history of the game. He has hit twice as many T20 sixes as any other man and scored two Test triple centuries. All this is delivered with cricket's biggest bat and an even bigger smile. Off the pitch, millions follow him on Instagram and Twitter to catch a glimpse of a globe-trotting life spent in nightclubs as much as nets, hot-tubs as often as helmets and pads. He plays late, parties later, demolishes a king-size pile of pancakes and then strolls out to mangle another hapless bowling attack. But do we really know him? Do we know what took a shy, skinny kid from a cramped tin-roofed shack in the dusty back streets of Kingston, sharing a bed with three brothers and stealing empty bottles to buy food, to the very top of the cricket world - without losing himself along the way? Outrageous and utterly original, this unputdownable memoir will leave you reeling. Welcome to the world of the Six Machine.

*AB de Villiers - The Autobiography* Penguin UK

With more than 70 photographs, this comprehensive history of the first 75 years of West Indies cricket features the full first class record of all West Indian Test players. The authors show the organic growth of West Indies cricket, in the context of its evolving society as well as the contribution of individual players. Combining statistics with sociological narrative, this is an invaluable resource for further understanding the region's cricketing achievements.

*The Yorkshire County Cricket Club Yearbook 2011* Penguin UK

What happens when prominent brands: Send faulty products into the market? Defy governmental regulations? Back the wrong marketing message? Have management spats in public? Or simply fail to anticipate a major trend? Over the years, prominent brands in India across product categories, both home-grown and multinational, have tackled crises ? some unexpected and some self-inflicted, but each a defining factor in shaping a company's future. In a first-of-its-kind narrative, Rebuild brings together the stories behind some of India's biggest businesses that dealt with potential disaster and emerged on the other side ? either victorious or wiser. Digging deep into the crisis management strategies adopted by companies such as Coca-Cola, Unilever, Kingfisher, Tata Sons, Indian Premier League, Facebook, Uber, Nokia, Nestlé Maggi Noodles and several more, it analyses the steps that different organizations have taken to minimize damage to their brand, and describes how (if at all) they recovered. Featuring interviews with top management executives as well as expert brand-watchers, Rebuild closely examines the circumstances that cause brands to falter ? faulty products, leadership changes, disastrous sales cycles and competition activity, among others ? and provides invaluable insights that may serve as cautionary tales for organizations, both small and large.

**Rebuild** CHANGDER OUTLINE

THE CRICKET SOCIETY/MCC BOOK OF THE YEAR and THE BRITISH SPORTS BOOK AWARDS CRICKET BOOK OF THE YEAR. Shane Warne is one of the most fascinating sports people on the planet. You might not follow cricket, you may never have even seen Warne play, yet you know who he is, what he looks like and what is going on in his personal life at any given time. Selected as one of five Wisden Cricketers of the Century, Warne dazzled opposition batsmen with his bowling and thrilled cricket fans with his skills, outspokenness and scandals off the pitch. Gideon Haigh, one of the world's most celebrated cricket journalists, tackles this great personality in his unique style. How has Warne shaped his sport and how has his sport shaped him? Who is the real man behind the back page and front page headlines? This short book reveals more about Warne than any number of other, much longer, volumes could ever do. As the Cricketer said: it is 'definitive'.

*Current Affairs Manual 2019* Greenwood Publishing Group

In August 2012, at the Tony Ireland stadium in Townsville, Australia, a star was born. Unmukt Chand led the India U-19 team to its first World Cup win outside Asia, leading them there with a stellar performance of his own. Now on the cusp of finding a place in the national team, Unmukt stands as a beacon for the future of Indian cricket. In this book Unmukt describes, in his own words, his journey up until this point, and how he came to represent his country—as captain no less—and brought home this prestigious trophy. Inspirational, revelatory and intensely engaging, The Sky is the Limit is the story of how one young man's determination to work hard and take every chance he got made his dream come true.
