and publish and distribute the finished product Covers platforms, devices, and formats; creating media-rich content; designing for different devices; and managing digital publications Examines Adobe's Digital Publishing System, CSS, HTML5, and other commercial vehicles available for e-publishing on multiple platforms, including iPad, Kindle, NOOK, and other tablets and e-readers ePublishing with InDesign is a valuable tool for designers seeking to boost their skills and create cutting-edge e-publications.

**The Glass Castle** Lulu.com

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

**Good and Cheap** Random House Books for Young Readers

A practical guide to letting go of the

character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section.

**All About Love** Macmillan

"What is masculinity? Ask ten men and you'll get ten vague, conflicting answers. Unlike any book of its kind, The Way of Men offers a simple, straightforward answer-without getting bogged down in religion, morality, or politics. It's a guide for understanding who men have been and the challenges men face today. The Way of Men captures the silent, stifling rage of men everywhere who find themselves at odds with the over-regulated, over-civilized, politically correct modern world. If you've ever closed your eyes and wished for one day as a lion, this book is for you."--Publisher description.

*Stone Fox* HarperCollins

Along with Sun Tzu's The Art of War, The Book of Five Rings is considered to be one of the most insightful texts on the subtle arts of confrontation and victory to emerge from Asia. It analyzes the process of struggle and mastery over conflict that underlies every level of human interaction. For Musashi, the way of the martial arts was a mastery of the mind rather than simply technical prowess-and it is this path to mastery that is the core teaching in The Book of Five Rings. This brilliant manifesto is written not only for martial artists but for anyone who wants to apply the timeless principles of this text to their life.

**A Long Way Gone** OUP Oxford

With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone.

Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books.

HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

**Daodejing** Courier Corporation

Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.

Learn C the Hard Way General Press

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar

Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

#### Ugly Love Simon and Schuster

In her second compilation of published writing, Brianna Wiest explores pursuing purpose over passion, embracing negative thinking, seeing the wisdom in daily routine, and becoming aware of the cognitive biases that are creating the way you see your life. This book contains never before seen pieces as well as some of Brianna's most popular essays, all of which just might leave you thinking: this idea changed my life.

#### **Between the World and Me**

Strelbytskyy Multimedia Publishing  
The phenomenon returns! Originally

published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? *The Book of Questions* may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

#### The Inner Game of Tennis Simon and Schuster

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

*The Book of Questions* Simon & Schuster Books for Young Readers

Deida explores the most important issues in men's lives--from career and family to women and intimacy to love and spirituality--to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.

*Why You Act the Way You Do* Shambhala Publications

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson!

Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have

stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

**The Turn of the Screw** Addison-Wesley Professional

*Alice in Wonderland* (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

*The Science of Getting Rich* Houghton Mifflin Harcourt

*The Turn of the Screw*, originally published in 1898, is a novella written by Henry James. The story, a part of Gothic and ghost story genres, first appeared in serial format in *Collier's Weekly* magazine (27 January - 16 April 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Due to its original content, *The Turn of the Screw* became a favorite text of academics who subscribe to *New Criticism*. The novella has had differing interpretations, often mutually exclusive. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the brilliance of the novella results from its ability to create an intimate sense of confusion and suspense within the reader.

**The Book of Five Rings** Usborne Publishing Ltd

This document traces the influence of various epidemics (such as smallpox in 1835-1840, and influenza and measles, known as the 'Great Death', in 1900) on

the Yup'ik Eskimo peoples of northwest Alaska, and suggests that they resulted in Post-traumatic Stress Syndrome (PTSS) which may underlie current social problems, such as alcoholism and dysfunctional behaviours.

**Think And Grow Rich** One World  
This classic declares that life's direction is a self-fulfilling prophecy and offers a practical rather than philosophical approach. It shows how creative thought and willpower are key to achieving goals.

**101 Essays** One World/Ballantine  
#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and

current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

*Drop the Rock* MIT Press

A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. out the clues before the lights go out on Ember forever! Nominated to 28 State Award Lists! An American Library Association Notable Children's Book A New York Public Library 100 Titles for Reading and Sharing Selection A Kirkus Reviews Editors' Choice A Child Magazine Best Children's Book A Mark Twain Award Winner A William Allen White Children's Book Award Winner "A realistic post-apocalyptic world. DuPrau's book leaves Doon and Lina on the verge of undiscovered country and readers wanting more." —USA Today "An electric debut." —Publishers Weekly, Starred "While Ember is colorless and dark, the book itself is rich with description." —VOYA, Starred "A harrowing journey into the unknown, and cryptic messages for readers to decipher." —Kirkus Reviews, Starred

Lao Tzu: Tao Te Ching John Wiley & Sons 'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of

Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
