first, it sounds

abstract, but science

has proven, everything

is made of energy:

objects, animals,

There are laws that

control how this energy

flows and where it goes

just as there are laws

of gravity and laws of

growth. The more you

the easier it is to

navigate the energy

you need in the right

direction. No wonder

that even stars like Will

Smith, Jim Carey,

Oprah Winfrey and

Lady Gaga swear by

manifestation as the

secret to their success.

Jim Carrey makes it

sound really simple. He

says: "As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass." Yet, there are reasons why some people are better at manifesting than others. There are a couple of fundamentals you need to understand in order to apply manifestation effectively. Yet, with a little guidance and the right techniques, your best life is waiting for you. This is only a select sample of what you'll discover in *The Magic of Manifestation: Flap or Fab: Why you should care about manifestation more than you think*. misery and how to avoid these common mistakes. The smartest and most powerful way to attract anything you want in life. How scientists manipulate your life with one particular weakness that outweighs all of science's strengths (check page 27). Is everything connected? Essentials about energy, flow, and connection. Why your ego is the enemy and what you can do about it. 15 techniques to guarantee your manifestation success story. The #1 mental exercise. Olympians and star athletes practice daily to increase their performance. Intention vs. goals: The major difference and which is best to achieve success in life. The biggest money lie

revealed (check page 102) and how to create true abundance
 Warning Signs that you have a scarcity mindset and how to get rid of it And much more. If you think "manifestation" is just another 2020 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool. It goes from 6-year-old Kabir who manifested to become the Malaysian David Copperfield and got invited to perform in The Magic Castle in Hollywood to family father Daniel who manifested his dream house in Maui. You don't have to be famous to be successful in life. These are average people, with average IQs and

the natural power to manifest. Stop waiting for life to happen to you and start creating your best life right now. If you want to effortlessly get what you want, scroll up and click the "Add to Cart" button.

To someone on the outside it seems like some people just naturally win the lottery – by a stroke of circumstance, they are a money magnet. In reality, even if money was handed to someone on a silver platter, they have to manage to keep it and allow more in. That has more to do with a strong money mindset than with being lucky. After Cassie Parks realized she could change her money beliefs to become one

of “those” people who easily make and keep money, she spent years figuring out exactly how to change her money mindset. Now that she has, her money mindset supports money coming into her life easily and sticking around for the party. Parks has spent the last two years teaching other people how to manifest more money into their lives –whether they were entrepreneurs, employees or unemployed. The step-by-step process Parks teaches is the basis of Manifest \$10,000. Directions to the intersection of abundance, mindset, ease, and grace is what you will find in Manifest \$10,000. Using inspiring stories about people who have

manifested more money into their lives, and providing instructions and analysis about why others haven’t been successful in the past, Parks will guide you through the process of learning to manifest \$10,000 into your life in the next 90 days – in a way that feels simple and fun.

quickly! Are you... Full
of worry, stress, and
doubt over trying to
achieve an abundant
lifestyle? Lacking
fulfillment in your life?
Wanting things to be
different with your
money situation, but
unsure what to do and
where to even start?
Feeling like life and
money scarcity just
keeps getting in your
way? What if there was
a way to not only
succeed in manifesting
more money but to
manifest it more
quickly and on a bigger
scale? When you exist
(can't really call it
living now, can we) in a
life full of worry,
unease, and doubt

these fear-based
emotions block you
from manifesting
money. It's like trying
to ride a bicycle with
fear eating away at the
wheels. How far do you
think you'll get? This
makes it difficult for
the Universe to help
you attract and receive
more abundance into
your physical realm.
That's where I come in.
I've been at the point
where you are now
feeling broke and I
have taken a lot of
detours to get where I
am today. But those
detours now allow me
to give you the
shortcuts. "Don't Feel
Stuck with Money!" is a
guidance workbook
designed to help you:
