BRADSHAW KENDALL

A Miss Marple Murder
Mystery Signet
AVAILABLE FOR THE
FIRST TIME IN eBook!

A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees,

Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including One Hundred

Years of Solitude, Love In The Time Cholera, The Autumn Of The Patriarch, The General In His Labyrinth, and News Of A Kidnapping. He died in 2014. Untangling the Betsy Faria Murder Case Graphic Arts Books “Writing Crooked House was pure pleasure and I feel justified in my belief that it is one of my best.” --Agatha Christie Described by the queen of mystery herself as one of her favorites of her published work, Crooked House is a classic Agatha Christie thriller revolving around a devastating family mystery. The Leonides are one big happy family living in a sprawling, ramshackle mansion. That is until the head of the household, Aristide, is

murdered with a fatal barbiturate injection. Suspicion naturally falls on the old man's young widow, fifty years his junior. But the murderer has reckoned without the tenacity of Charles Hayward, fiancé of the late millionaire's granddaughter.

Bone Deep Bloomsbury Publishing

Brings together three of Miss Jane Marple's most celebrated cases:

A Murder is Announced, The Body in the Library, and Murder with Mirrors

The Forensics of Agatha Christie

Berkley Publishing Group

Five years ago, while William Rees was still recovering from his stint as a Revolutionary War soldier, his beloved wife died.

Devastated, Will Rees

left his son, David, in his sister's care, fled his Maine farm, and struck out for a tough but emotionally empty life as a traveling weaver. Now, upon returning unexpectedly to his farm, Rees discovers that David has been treated like a serf for years and finally ran away to join a secluded religious sect—the Shakers.

Overwhelmed by guilt and hoping to reconcile with his son, Rees immediately follows David to the Shaker community. But when a young Shaker woman is brutally murdered shortly after Rees's arrival, Rees finds himself launched into a complicated investigation where the bodies keep multiplying, a tangled web of family connections casts

suspicion on everyone, and the beautiful woman on the edge of the Shaker community might be hiding troubling ties to the victims. It quickly becomes clear that in solving Sister Chastity's murder, Rees may well expose some of the Shaker community's darkest secrets, not to mention endanger his own life. An atmospheric portrait of a compelling time in American history, *A Simple Murder* is an outstanding debut from Eleanor Kuhns, Minotaur Books/Mystery Writers of America's 2011 First Crime Novel Competition Winner. *The Simple Art of Murder* Delacorte Press Hercule Poirot is summoned to solve a case involving the

murder of a seductive woman accompanying a scientific party investigating the secrets of ancient Babylon

A is for Arsenic

Simon and Schuster
The explosive, first-ever insider's account of a case that continues to fascinate the public—the shocking wrongful conviction of Russell Faria for his wife's murder—a gripping read told by New York Times bestselling true crime expert Charles Bosworth Jr. and Joel J. Schwartz, the defense attorney who battled for justice, and ultimately prevailed. On December 27th, 2011, Russell Faria returned to his Troy, Missouri, home after his weekly game night with friends to an unthinkable, grisly

scene: His wife, Betsy, lay dead, a knife still lodged in her neck. She'd been stabbed fifty-five times. First responders concluded that Betsy was dead for hours when Russ discovered her. No blood was found implicating Russ, and surveillance video, receipts, and friends' testimony all supported his alibi. Yet incredibly, police and the prosecuting attorney ignored the evidence. In their minds, Russ was guilty. But prominent defense attorney Joel J. Schwartz quickly recognized the real killer. The motive was clear. Days before her murder, the terminally ill Betsy replaced her husband with her friend, Pamela Hupp, as her life insurance beneficiary. Still,

despite the prosecution's flimsy case and Hupp's transparent lies, Russ was convicted—leaving Hupp free to kill again. Bone Deep takes readers through the perfect storm of miscalculations and missteps that led to an innocent man's conviction—and recounts Schwartz's successful battle to have that conviction overturned. Written with Russ Faria's cooperation, and filled with chilling new revelations and previously undisclosed evidence, this is the story of what can happen when police, prosecutor, judge, and jury all fail in their duty to protect the innocent—and let a killer get away with murder.

Easy to Kill Harper

Collins

One by one, the guests arrived at the mansion on Indian Island, summoned by a mysterious host. And one by one, with terrifying meticulousness, they were stalked by a cunning murderer. Utterly baffling...and yet there was a pattern, concealed in a nursery rhyme hanging over the fireplace.

A Miss Marple Story

When the Parson declares rather carelessly 'Anyone who murdered Colonel Prothero would be doing the world at large a service !', he does not realise his words will come back to haunt him. From several potential murderers, Miss Marple

must find the real killer
**The Murders in the
Rue Morgue** Murder Is
Easy

When a dinner between Inspector Maigret and friends ends abruptly at the discovery of a body, the detective must plumb the darker side of human nature to discover what motivates a killer. Maigret and wife have always enjoyed their occasional dinners with Mr. and Mrs. Pardon on the Boulevard Voltaire. But one of the congenial meals is interrupted by a neighbor who has stumbled across the body of a young man in the nearby Rue Popincourt. Maigret answers the call with his friend Dr. Pardon, and their pleasant evening is quickly brought to an end by

the commencement of a complicated murder case. And when a tape recorder is discovered on the victim's body, it only complicates matters. Maigret's investigation leads to the discovery of another crime altogether and the fascinating story of the murdered man's life. *Maigret and the Killer* is a taut, engrossing mystery that shows off Georges Simenon's flair for creating complex characters with deeply human problems and his ability to make a senseless crime understandable. Enter the world of the Nursery Crime Division in this novel from Jasper Fforde, the New York Times bestselling

author of the Thursday Next series and The Constant Rabbit Jasper Fforde's bestselling Thursday Next series has delighted readers of every genre with its literary derring-do and brilliant flights of fancy. In *The Big Over Easy*, Fforde takes a break from classic literature and tumbles into the seedy underbelly of nursery crime. Meet Inspector Jack Spratt, family man and head of the Nursery Crime Division. He's investigating the murder of ovoid D-class nursery celebrity Humpty Dumpty, found shattered to death beneath a wall in a shabby area of town. Yes, the big egg is down, and all those brittle pieces sitting in the morgue point to foul play. "[Forde] knows a thing or two

about leaping into new worlds. . . . It's hard not to see what all the enthusiasm is about." - Janet Maslin, *The New York Times* "A wonderfully readable riot." -*The Wall Street Journal*

 The Murder of Roger Ackroyd & Five Little Pigs Bundle has descriptive copy which is not yet available from the Publisher.
A Novel Dodd Mead
 Stonygates had been built originally as a kind of Temple to Victorian Plutocracy - Philanthropy had made of it a home for Juvenile Delinquents. Over the entrance were inscribed the words "Recover Hope All Ye Who Enter Here". But Miss Jane Marple came to Stonygates in fulfilment of a promise to an old school friend

to find out what was wrong at this most unusual college, now being run by the friend's third husband and housing, besides two hundred juvenile delinquents, the stepchildren of her previous marriages. As soon as she arrived Jane Marple knew that her friend was right: something was wrong at Stonygates. What she saw around her was illusion, not reality. In the words of the conjuror "They do it with mirrors" But who? And why?

4:50 from Paddington

Harper Collins
Shortlisted for the BMA Book Awards and Macavity Awards 2016
Fourteen novels.
Fourteen poisons. Just because it's fiction doesn't mean it's all made-up ... Agatha Christie revelled in the

use of poison to kill off unfortunate victims in her books; indeed, she employed it more than any other murder method, with the poison itself often being a central part of the novel. Her choice of deadly substances was far from random – the characteristics of each often provide vital clues to the discovery of the murderer. With gunshots or stabbings the cause of death is obvious, but this is not the case with poisons. How is it that some compounds prove so deadly, and in such tiny amounts? Christie's extensive chemical knowledge provides the backdrop for A is for Arsenic, in which Kathryn Harkup investigates the poisons used by the murderer in fourteen

classic Agatha Christie mysteries. It looks at why certain chemicals kill, how they interact with the body, the cases that may have inspired Christie, and the feasibility of obtaining, administering and detecting these poisons, both at the time the novel was written and today. A is for Arsenic is a celebration of the use of science by the undisputed Queen of Crime.

The Secret of Chimneys Samuel French, Limited
 "Agatha Christie must surely be the most imitated author in the entire canon of literature - what greater acclaim could there be?" -Peter James Paul Renault
 sends for Hercule Poirot, who arrives to

find his host dead in a newly dug grave. Can the master sleuth sort through a bewildering array of clues and outfox an unfriendly police officer to find the almost perfectly hidden identity of the murderer? Agatha Christie's legendary sleuth Hercule Poirot returns only to find his would-be employer slain, too many suspects, and his refined investigative technique dismissed by the detective leading the local police investigation. The two butt heads, competing to solve the crime until a second corpse turns up, slain in the exact same fashion as the first. It takes Poirot's razor-keen insight and deep knowledge of the history of crime to tie both killings to another as he brilliantly works

toward an unexpected conclusion. Upon its original publication in 1923, the novel was greeted with great acclaim as a superbly structured mystery that was all but certain to baffle readers. This, the second investigation of Hercule Poirot, follows *The Mysterious Affair at Styles*, which is also available from Mint Editions. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Murder on the Links* is both modern and readable.

And Then There Were None Pan

Macmillan

A quiet English village is plagued by a fiendish serial killer in *Queen of Mystery* Agatha Christie's classic thriller, *Murder Is Easy*. Luke

Fitzwilliam does not believe Miss Pinkerton's wild allegation that a multiple murderer is at work in the quiet English village of Wychwood and that her local doctor is next in line. But within hours, Miss Pinkerton has been killed in a hit-and-run car accident. Mere coincidence? Luke is inclined to think so—until he reads in the *Times* of the unexpected demise of Wychwood's Dr. Humbleby....

A Nursery Crime

Murder Is Easy Harper Collins

Endless Night Harper Collins

Edgar Allan Poe's *The Murders in the Rue Morgue* represents the beginning of crime fiction. The mystery was first published in

Graham's Magazine in 1841 and has been recognized as the first detective story. Poe referred to it as one of his "tales of ratiocination." As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the brilliant detective, his personal

friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in *The Mystery of Marie Rog t* and *The Purloined Letter*.

Lemon Harper Collins Agatha Christie's ingenious murder mystery thriller, reissued with a striking cover designed to appeal to the latest generation of Agatha Christie fans and book lovers.
