This third book in the GISDATA series focuses on the widespread use of geographical information systems GIS in European local government. The editors include a wide range of applications carried out by different professional groups, and offer the opportunity of studying the extent to which diffusion of innovations like GIS are sensitive to national issues such as cultural context, institutional setup and the availability of data.; The book answers key questions such as: what can be learnt from research on organizational behaviour in relation to technological innovation?; what are the classical features of the GIS diffusion process?; to what extent is the adoption

and utilization of GIS facilitated - or impeded - by the organizational culture within which it takes place?; and what mechanisms can be applied to enhance the diffusion of GIS? The book covers aspects of diffusion in the following European countries: UK, France, Italy, Poland, Denmark, The Netherlands, Germany, Greece and Portugal.

Legends from the
Ancient North, The
Elder Edda is one of
the classic books that
influenced JRR
Tolkien's *The Hobbit*
and *The Lord of the
Rings* 'So the company
of men led a careless
life, All was well with
them: until One began
To encompass evil, an
enemy from hell.

Grendel they called this cruel spirit...' J.R.R. Tolkien spent much of his life studying, translating and teaching the great epic stories of northern Europe, filled with heroes, dragons, trolls, dwarves and magic. He was hugely influential for his advocacy of Beowulf as a great work of literature and, even if he had never written The Hobbit and The Lord of the Rings, would be recognised today as a significant figure in the rediscovery of these extraordinary tales. Legends from the Ancient North brings together from Penguin Classics five of the key works behind Tolkien's fiction. They are startling, brutal, strange pieces of writing, with an elemental power

brilliantly preserved in these translations. They plunge the reader into a world of treachery, quests, chivalry, trials of strength. They are the most ancient narratives that exist from northern Europe and bring us as near as we will ever get to the origins of the magical landscape of Middle-earth (Midgard) which Tolkien remade in the 20th century.

This comprehensive Study Guide reinforces all the key concepts for the 2014 syllabus, ensuring students develop a clear understanding of all the crucial topics at SL and HL. Breaking concepts down into

manageable sections and with diagrams and illustrations to cement understanding, exam preparation material is integrated to build student confidence and assessment potential. Directly linked to the new Oxford Chemistry Course Book to extend and sharpen comprehension, this book supports maximum achievement in the course and assessment. About the series: Reinforce student understanding of all the crucial subject material. Fully comprehensive and matched to the most recent syllabuses, these resources provide focused review of all important concepts, tangibly strengthening assessment potential.

Judith Ortiz Cofer's Pura Belpré award-winning collection of short stories about life in the barrio! Rita is exiled to Puerto Rico for a summer with her grandparents after her parents catch her with a boy. Luis sits atop a six-foot mountain of hubcaps in his father's junkyard, working off a sentence for breaking and entering. Sandra tries to reconcile her looks to the conventional Latino notion of beauty. And Arturo, different from his macho classmates, fantasizes about escaping his community. They are the teenagers of the barrio -- and this is their world.

Presents the life and accomplishments of the renowned physicist, discussing his theory of relativity and the ways in which it transformed the world's understanding about how the universe works.

Shakespeare Stories for Children Hodder & Stoughton

If there's one thing that Brynn Adler hates, it's feeling helpless and vulnerable in unfamiliar territory. Three weeks ago, life tossed her into just such a world. A world of werewolves she never knew existed--until she found out her sister was one of them. The pack seems determined to hurry her back to the normal world of humans. But after everything she's

witnessed, she's not sure she wants to go...especially if it means leaving not only her sister behind, but the one man who makes her forget her life is falling apart. Now all she has to do is convince him to agree to a plan to force the pack to let her stay. Joe Mitchell has been battling his protective instincts since he rescued Brynn from her kidnapper. Getting involved with her is a bad idea for a lot of reasons. She's on shaky emotional ground, and a supernatural war is no place for a human woman. He's not about to let her make a hasty decision, one that will only bring her pain and regret. Now all he has to do is let her go.

Diesel engine is acknowledged for its superior efficiency and possesses a wide field of applications. It is also known as CI engine. Diesel engines also however, are the prime source of emissions such as NOX and particulate matter (PM). In order to reduce the emissions to an absolute minimum, this book explain as to how these toxins can be regulated. It is no hidden secret that the world is witnessing an oil crisis. But with other alternative sources such as biogas, natural gas and coke based substances; diesel is not the only way forward. The unique characteristics and properties such as combustion and emission of the aforementioned

alternatives are explained extensively in this book. The book also goes on to explain how one can look for early signs of wear and tear and malfunctioning components of a diesel engine and its parts.

Book 3 Bloomsbury Publishing USA

This guide covers walks in the dramatic landscape of Wester Ross, in the area between Torridon in the north and Glenelg in the south. The 31 walks featured range from 0.75 miles to 12 miles (1-19km).

**Their Cancer - Your
Journey** Haynes
Publications

This tale of innocence
and corruption in
Pakistan is “a beautiful,
often painful, journey
of a young man’s
doomed yearning for
love” (The Guardian).
During a village
wedding in Pakistan, a
boy risks speaking to
the beautiful daughter
of a powerful local
politician. As night
falls, the two meet in
his father’s orchard,
inadvertently falling
asleep as they wait for
the light of dawn to
reveal the orchard’s

beauty, naive to the
dangers posed by their
innocent mistake. As
first light approaches,
and the girl’s father
realizes the young
couple’s mutual
attraction, he has the
boy sent to prison
without explanation or
the benefit of a trial.
Fifteen years later, the
boy—now a man—is
released without a
word. Bereft of family
and weakened from
years of abuse, he
collapses on the side of
the road and is taken
in by a kindly scholar.
As time passes, the
man recovers enough
to take daily walks to
his father’s now
abandoned orchard,
where he last saw his
young beloved among
the trees, beneath
soaring, fluttering
swallows . . . In clear,
crystalline prose, this
novel reveals the

ability of the human spirit to conquer the random cruelties of life, and how the power of love and hope, once known, can never truly be extinguished.

“Hobbs’ prose is spare, clean, and lyrical, giving *In the Orchard*, *the Swallows* a timeless feeling; however, the markers of the Afghan war and the changes in the landscape remind the reader that this story is very contemporary.”

—Booklist “A perfectly cut jewel of a book.”

—The Financial Times

 Little, Brown Books for Young Readers
 Working hard to develop a new Amish community outside of Unity, Maine, Rhoda Byler is fully committed to rehabilitating an orchard with business partner Samuel King. But an impulsive decision has created an unexpected strain in her relationship with her beau, Samuel's brother, Jacob, threatening plans for the orchard. Amidst mounting tension in matters of the heart and business, Rhoda finds that this fledging settlement feels like the home she has always longed for, and she begins to embrace the God-given, heightened intuition that has always felt

like a burden to her. She longs for Jacob to fully be free of his past, so they can work towards the future together. But as Rhoda uses her gift to unpack an old secret with her English neighbors, it is not her beau but an unlikely ally that cheers her on. With the orchard on shaky ground and Jacob's plans in question, Rhoda is determined to see things through to harvest. But can she trust her insight to direct her path in matters of the heart?
