Consider it a great  
joy...whenever you

experience various trials (James 1:2) What if your blessings come through raindrops? What if your healing comes through tears? There's no denying some of the blessings in Laura Story's life. As the songwriter of the #1 Worship Hit, "Indescribable," recorded by Chris Tomlin in 2004, she married her high school sweetheart, Martin Elvington the following year. She then began working in music and women's ministry at the 4,000-member Perimeter Church in Atlanta. After signing an artist deal with INO Records, her 2008 national debut won a Dove Award for Inspirational Album and earned Laura two consecutive nominations for Female Vocalist of the Year all blessings, indeed! But amidst that success, a brain tumor hospitalized her husband in 2006. They faced the strong chance their long-awaited bond might last just two years. The faith Laura sang about was put through the unexpected fires of fear and loneliness; most young newlyweds don't imagine being kept alive at one point by breathing machines or having to find their way through significant post-operative

vision and memory loss. Could blessings really be found in such a life-altering struggle? Laura's song, "Blessings," suggest that they can. "Life is filled with things you don't expect, but the Bible tells us to respond by trusting God and continuing to worship Him," Story begins. "Martin hasn't received complete healing and that can be hard at times when we view God as all-powerful and all-loving. But here we are now saying, 'Yes, this is how faith works. God has proven to be faithful. We have been truly blessed out of a circumstance that at first didn't seem like much of a blessing at all.'" As Laura explains it, she believes she and Martin now have a voice that wasn't there prior to the suffering. "I can hardly begin to tell you of the hundreds of hurting people we've prayed with, people going through more than we have. This is a chance to share the Gospel." "Don't get the wrong idea. It hasn't been easy," Laura admits. "Everyone wants to be a mature and equipped follower, but would I have signed up had I known what it would take? God has grown us up, deepened our faith, our awareness of our great

need for Him as a Savior, daily. We knew it before, but we didn't see it. This is a good place to be." Her song, "Blessings," reflects that hopeful place. Songs include: This Is the Day \* Friend of Sinners \* You Are Love \* What a Savior \* Blessings \* Your Name Will Be Praised \* One Life to Lose \* Prodigal Song \* Remember Me

A fascinating look at how the popular musical culture of Guangzhou expresses the city's unique cosmopolitanism. Guangzhou is a large Chinese city like many others. With a booming economy and abundant job opportunities, it has become a magnet for rural citizens seeking better job prospects as well as global corporations hoping to gain a foothold in one of the world's largest economies. This openness and energy have led to a thriving popular music

scene that is every bit the equal of Beijing's. But the musical culture of Guangzhou expresses the city's unique cosmopolitanism. A port city that once played a key role in China's maritime Silk Road, Guangzhou has long been an international hub. Now, new migrants to the city are incorporating diverse Chinese folk traditions into the musical tapestry. In *Sonic Mobilities*, ethnomusicologist Adam Kielman takes a deep dive into Guangzhou's music scene through two bands, Wanju Chuanzhang (Toy Captain) and Mabang (Caravan), that express ties to their rural homelands and small-town roots while forging new cosmopolitan musical connections. These bands make music that captures the intersection of the global and local that has come to define Guangzhou, for example by writing songs with a popular Jamaican reggae beat and lyrics in their distinct regional dialects mostly incomprehensible to their audiences. These bands create a sound both instantly recognizable and totally foreign, international and hyper-local. This juxtaposition, Kielman argues, is an apt

expression of the demographic, geographic, and political shifts underway in Guangzhou and across the country.

*Bridging ethnomusicology, popular music studies, cultural geography, and media studies*, Kielman examines the cultural dimensions of shifts in conceptualizations of self, space, publics, and state in a rapidly transforming the People's Republic of China.

This may be the most unique guitar hymnal that you'll come across. Each hymn has been formatted to fit on one page in such a way that you can see all of the lyrics and the chords at the same time! This means that you can sing along for the entire song and not just for the first verse as many chord books are fashioned. Each hymn is formatted with extra spaces to show where chord switching should occur. These chord progressions have been personally created. Other than the hymns themselves, which are all in the public domain, this book is not a compilation of someone else's work but rather the result of many hours of trial and error. The chords used are

well known and basic for the most part. The playing level is beginner to intermediate. You'll find some very easy arrangements as well as some that are a bit more challenging. We hope that this will be a blessing to you and your church or youth group. We give all glory, honor, and praise to our Lord and Savior Jesus Christ Who blessed us with the ability to be able to put this together. Blessings to you!

For the past 40 years original pioneers of punk The Damned have been thrilling fans across the world with their awesome, yet often unpredictable live performances and genre defining music. history. It records their crazy antics both on and off stage, their often troublesome gigs and their memorable music. With exclusive interviews from all band members past and present, plus never before published photos, this book is a must read for all Damned fans wanting an insight to the band's iconic history.

"Worship, Warfare and Intercession before the Throne of God" was born from the foundry of over twenty-three years ministry of prophetic intercession for the

nations. Bob travelled with prophetic intercessors to China and Japan in the Far East, and to many nations on the continents of Asia, Africa, Europe, the Middle East, the Americas, Canada and Australasia. In 2010, in a vision, Bob was caught up into heaven, where the Lord gave him a glimpse of the worship, warfare and intercession before the throne of God. Later, God told him to write the book. "Worship, Warfare and Intercession before the Throne of God" is that book. This book teaches us how we can pattern our worship according to the worship in heaven. It calls us to join with heaven, in intercession and warfare, for the return of the Lord and the setting up of His kingdom on the earth. Events are unfolding at a rapid speed, and the church, the true bride, must get herself ready. Heaven waits to hear her voice, as one sound with heaven. This book has two parts. Part I describes the worship that Bob experienced in heaven. Bob teaches about the seven aspects of worship in heaven, and how they are key ingredients for our worship in the last days on the earth. He has teamed with Jill Shannon

(see [www.coffeetalkswithmessiah.com](http://www.coffeetalkswithmessiah.com)) who produced a worship CD which puts the teachings into a practical manner. This CD is really awesome. Part II of the book is about intercession in heaven. As each seal of the scroll is broken in heaven by the Lamb, the book explodes with the reality of the intercessions in the book of Revelation. These intercessions born out of worship, move events towards a definite purpose: The restoration and renewal of the earth for the return of King Jesus. Heaven invites earth to join in this ONE SOUND of worship, warfare and intercession. The final chapter of the book offers practical suggestions how to use the book and CD for worship and intercession for small groups and larger groups. My name is Karee Stardens and I have the lucky pleasure of reflecting these very recent events with you because it has been a

painful blessing that needs to be shared. I would still be tugging at door handles that won't budge if it hadn't have been for a God who had compassion and gave me the truths that I was seeking. Now my bridges are truly burnt, and there is still much healing to be done, but never before have I ever been able to shake the dust from my feet. Now I can walk with a bounce in my step towards the bright future of real life. As Jesus said: "It is finished." John 19:30

Messianic Lyrics for Praise and Worship Singers

At most church weddings, the person presiding over the ritual is not a priest or a pastor, but the wedding planner, followed by the photographer, the florist, and the caterer. And in this day and age, more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony. Indeed, church weddings have strayed long and far from distinctly Christian aspirations. The costumes and gestures might still be right, but the intentions are hardly religious. Why then, asks noted gay commentator Mark D. Jordan, are so many churches vehemently opposed to blessing same-sex unions? In this incisive work, Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same-sex unions.

Opponents of gay marriage, he reveals, too

often confuse simplified ideals of matrimony with historical facts. They suppose, for instance, that there has been a stable Christian tradition of marriage across millennia, when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology, authorizing experiments like polygamy and divorce. Jordan also argues that no matter what the courts do, Christian churches will have to decide for themselves whether to bless same-sex unions. No civil compromise can settle the religious questions surrounding gay marriage. And queer Christians, he contends, will have to discover for themselves what they really want out of marriage. If they are not just after legal recognition as a couple or a place at the social table, do they really seek the blessing of God? Or just the garish melodrama of a white wedding? Posing trenchant questions such as these, *Blessing Same-Sex Unions* will be a must-read for both sides of the debate over gay marriage in America today.

From the Foreword: "This book of gospel music is a collection of lyrics and chords representing the familiar praises of Jesus Christ. The chords, noted above the lyrics, will aid in the accompaniment of the songs. The starting note indicates the first note of the melody. The main

purpose of this book is to give the gospel singer a place to find his favorite songs and all the verses he may wish to sing. Some of these familiar songs date back to the early Christian Church, while others are contemporary. One will find here the longstanding hymns of the Church, revival songs and choruses, Negro spirituals, and children's songs. I have truly enjoyed putting this collection together for you. I hope you will find this book both a blessing and an inspiration to your spiritual life. God bless you."
