This is my second academic writing skills workbook. It contains questions and answers on topics to improve academic English writing skills. The questions are typical of those used in exams for an English diploma for university entrance. These practical writing exercise support my previous three "Academic Writing Skills" series books: 1. "Learn English Paragraph Writing Skills" 2. "Practical Academic Essay Writing Skills" 3. "The 5 Step Essay Writing Process" The exercise groups cover grammar areas such as capitals, commas, sentence structure and errors, and subject/verb agreement required for confident academic English writing skills. As well as the common grammar questions, there are questions to improve essay writing skills such as topic and supporting sentences, unity, coherence, and examples of transition signals. I would recommend ESL Students in low-intermediate to low-advanced English classes use this workbook for developing their academic English writing skills.

"Start your day off right with high-interest writing and grammar lessons that invite students to practise and develop specific English and literacy skills. There are two main sections in this book. In both sections, students will practise grammar and language skills with their peers in whole-group, small-group and partner settings and then apply these skills to their own writing. The first part teaches grammar and writing skills that will enable students to write more effectively. The second part introduces vocabulary and figurative language skills. As they practise and develop these skills, students will grasp differences in style and meaning to strengthen their reading and listening comprehension, as well as writing abilities. Designed to be flexible enough for daily or weekly use, each of the thirty-four thematic units contains three pages that focus on a particular language concept. Let's get this day started: Writing and language skills can be used to enhance students' language proficiency throughout the school year." -- Back cover.
