DUDLEY STEIN

Black Earth Emily
Kimelman

A brilliant, haunting, and profoundly original portrait of the defining tragedy of our time. In this epic history of extermination and survival, Timothy Snyder presents a new explanation of the great atrocity of the twentieth century, and reveals the risks that we face in the twenty-first. Based on new sources from eastern Europe and forgotten testimonies from Jewish survivors, *Black Earth* recounts the mass murder of the Jews as an event that is still close to us, more comprehensible than we would like to think, and thus all the more terrifying. The

Holocaust began in a dark but accessible place, in Hitler's mind, with the thought that the elimination of Jews would restore balance to the planet and allow Germans to win the resources they desperately needed. Such a worldview could be realized only if Germany destroyed other states, so Hitler's aim was a colonial war in Europe itself. In the zones of statelessness, almost all Jews died. A few people, the righteous few, aided them, without support from institutions. Much of the new research in this book is devoted to understanding these extraordinary individuals. The almost insurmountable difficulties they faced only confirm the dangers of state destruction and ecological panic. These men and women should be emulated, but in similar

circumstances few of us would do so. By overlooking the lessons of the Holocaust, Snyder concludes, we have misunderstood modernity and endangered the future. The early twenty-first century is coming to resemble the early twentieth, as growing preoccupations with food and water accompany ideological challenges to global order. Our world is closer to Hitler's than we like to admit, and saving it requires us to see the Holocaust as it was --and ourselves as we are. Groundbreaking, authoritative, and utterly absorbing, *Black Earth* reveals a Holocaust that is not only history but warning.

The Eternity Key

William Morrow &
Company

In the lineage of Margaret
Atwood's *Alias Grace*, The

Savage Instinct is the chilling story of one woman's struggle for her sanity, set against the backdrop of the arrest and trial of Mary Ann Cotton, England's first female serial killer. England, 1873. Clara Blackstone has just been released after one year in a private asylum for the insane. Clara has two goals: to reunite with her husband, Henry, and to never—ever—return to the asylum. As she enters Durham, Clara finds her carriage surrounded by a mob gathered to witness the imprisonment of Mary Ann Cotton—England's first female serial killer—accused of poisoning nearly twenty people, including her husbands and children. Clara soon finds the oppressive confinement of her marriage no less terrifying than the white-tiled walls of Hoxton. And as she grows increasingly suspicious of Henry's intentions, her fascination with Cotton grows. Soon, Cotton is not just a notorious figure from the headlines, but an unlikely confidante, mentor—and perhaps accomplice—in Clara's struggle to protect her money, her freedom and her life.

For fans of Roshani Chokshi and Rick Riordan! "A fabulous, action-packed modern take on Indian mythology. I can't wait to read more!" -- Rick Riordan, author of the Percy Jackson series After three weeks of vacation, Ash Mistry is ready to leave the heat and dust of India behind him. Then he discovers a hidden gold arrowhead---a weapon used to defeat evil King Ravana in legend. At least, Ash is pretty sure it's only a legend . . . But when Lord Savage comes after Ash, the legends are suddenly way too real. Savage commands an army of monstrous shapechangers called rakshasas, who want only to seize the arrowhead and restore Ravana to power. As they hunt Ash through magnificent fortresses and brutal deserts, he must learn to work with a powerful rakshasa girl named Parvati, and find the

strength within himself to fight on and save the world as we know it.

Fan-favorite author Bree Despain continues her modern-day romance trilogy inspired by the Greek myth of Persephone and Hades with this second book in her Into the Dark series. Haden Lord, the disgraced Prince of the Underrealm, has chosen love over honor and will do everything in his power to protect Daphne Raines, the human girl he was supposed to bring to the Underrealm. Haden's choice is put to the test as the Skylords and a figure from his past arrive in Olympus Hills with a plan that could destroy all of the realms. Embracing her destiny as the Cypher, Daphne begins to understand the immense power of her musical ability to control the elements, but she must come to terms with her feelings for Haden and what she must sacrifice in order to protect him and her friends. Believing the Key of Hades is the only thing that can stop the Underrealm Court from releasing the monstrous Keres on the mortal world, Haden, Daphne, and their friends set out to find the

Key before Persephone's Gate opens again on the spring equinox.

Rule No. 1: Don't piss off the Sick Boys They're cruel. Reckless. Impossibly fucked up. The Sick Boys feed on the order they create. They rule Eastpoint University just as their families have for decades. But their power doesn't stop there. The three of them are heirs to some of the largest fortunes in the world, and behind that kind of wealth lies an underworld of corruption. On the surface, they're perfect princes and he is their King. But underneath it all, they're filled with blood, lies, and secrets. With all of their connections, they have the power to crush anyone who gets in their way. But just because they're as warped as I am doesn't mean I'm going to give them a free pass. Because I, Avalon Manning, bow to no one, and I live to break the fucking rules. ***This is a Dark MF New Adult Romance.*****Please Note: This book is labeled as "Dark" for a reason. If you are sensitive or easily triggered by subjects and actions that are common in "dark" romance, please

take that into consideration and read responsibly.***

The acclaimed art fanzine's psychogeographic drifts through a ruined city Savage Messiah collects the entire set of Laura Oldfield Ford's fanzine to date. Part graphic novel, part artwork, the book is both an angry polemic against the marginalization of the city's working class and an exploration of the cracks that open up in urban space.

Savage Grace St. Martin's Press

From Darkness to Light is a compilation of personal testimonies of six Holocaust survivors, written in a short story format. The book walks readers through their life experiences before and during the Holocaust, their liberation, and their

new life in Israel. Each story is told in their own words, culled from hours of personal interviews with them and their children, so the world can have first-hand knowledge of what happened during that darkest time of our history. These survivors came from different parts of Europe, and not one story is like the other. Now in their eighties and nineties, they still recall in detail their darkest memories. Amid immense pain and suffering, they managed to overcome every hurdle they encountered under the Nazi regime. When these stalwart individuals were liberated, no matter what further anguish and obstacles they faced, they realized their dream to make aliya to Israel. They settled in the Holy Land as visionaries and pioneers to build the Jewish state, which itself was undergoing conflict and difficult economic times. Their love for the Jewish homeland and their creation of families with children, grandchildren, and great-grandchildren exemplify how Hitler's aim to annihilate the Jews was nullified.

Savage Grace Crown
NEW YORK TIMES
BESTSELLER • “An impassioned book, laced with anger and indignation, about how our public education system scorns so many of our children.”—The New York Times Book Review

In 1988, Jonathan Kozol set off to spend time with children in the American public education system. For two years, he visited schools in neighborhoods across the country, from Illinois to Washington, D.C., and from New York to San Antonio. He spoke with teachers, principals, superintendents, and, most important, children. What he found was devastating. Not only were schools for rich and poor blatantly unequal, the gulf between the two extremes was widening—and it has widened since. The urban

schools he visited were overcrowded and understaffed, and lacked the basic elements of learning—including books and, all too often, classrooms for the students. In *Savage Inequalities*, Kozol delivers a searing examination of the extremes of wealth and poverty and calls into question the reality of equal opportunity in our nation’s schools. Praise for *Savage Inequalities* “I was unprepared for the horror and shame I felt. . . . *Savage Inequalities* is a savage indictment. . . . Everyone should read this important book.”—Robert Wilson, USA Today “Kozol has written a book that must be read by anyone interested in education.”—Elizabeth Duff, Philadelphia Inquirer “The forces of equity have now been joined by a powerful voice. . . . Kozol has written a searing exposé of the extremes of wealth and poverty in America’s school system and the blighting effect on poor children, especially those in cities.”—Emily Mitchell, Time “Easily the most passionate, and certain to be the most passionately debated, book about American education in several years . . . A classic American

muckraker with an eloquent prose style, Kozol offers . . . an old-fashioned brand of moral outrage that will affect every reader whose heart has not yet turned to stone.”—Entertainment Weekly

Daphne Raines knew it was risky to enter the underworld to save the love of her life, Haden, who had sacrificed his own honor as an Underlord for her sake. But she could never have predicted that she'd end up betrothed to Haden's conniving half-brother, Garrick, new King of the Underrealm—and bound to his dark world. Even worse, Haden is banished to the mortal realm, and has just days to live as poison takes over his body and mind. Only Daphne's kiss can save him, but how can she escape Garrick and reach Haden in time? Surprises lurk around every corner in the final chapter of this epic romance story, as Haden and Daphne fight to fulfill their destinies.

A "necessary and

brilliant" (NPR) exploration of our cultural fascination with true crime told through four "enthraling" (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim's family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women's complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise

of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a "corrective to the genre it interrogates" (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

Sweet Revenge Tim
Duggan Books

"I'm not scared of you." He meets my gaze. "You should be." I'm not looking for a knight in shining armor when I approach Saxon Priest for a job, but there's no preparing for the reality of meeting London's most heartless villain in the flesh. His eyes are cold, his mouth scarred when he dismisses me as fragile, weak. He couldn't be more wrong. Beneath my sunny smile, there's nothing I won't do to protect my family . . . even if it means facing off against a notorious killer. He tells me to run. I refuse to tremble in fear. He warns me that I could never handle him. I can't help but wonder what it would take to see him break. Saxon is everything I should hate. And the last

man I should ever want. But when he risks everything to save me, I succumb to the ice in his veins and the blistering heat that tethers us together. Saxon Priest may be the devil in disguise but I'm Isla Quinn, and I killed the king. *Road To Fire* is the first book in the Broken Crown series. Intrigue. Grit. Soul-wrenching love. This is not your average royal romance. Enter if you dare.

From Darkness to Light
Crown

A New York Times Editor's Choice As a young girl, Katya Geller learned from her mother that math was the answer to everything. Now, approaching forty, she finds this wisdom tested: she has lost the love of her life, she is in the middle of a divorce, and has just found out that her mother is dying. Nothing is adding up. With humor, intelligence, and unfailing honesty, Katya traces back her life's journey: her childhood in Soviet Russia, her parents' great love, the death of her father, her mother's career as a renowned mathematician, and their immigration to the United States. She is, by turns, an adrift newlywed, an ESL teacher in an office occupied by

witches and mediums, a restless wife, an accomplished writer, a flailing mother of two, a grieving daughter, and, all the while, a woman caught up in the most common misfortune of all—falling in love. Award-winning author Lara Vapnyar delivers an unabashedly frank and darkly comic tale of coming of age in middle age. *Divide Me* by Zero is almost unclassifiable—a stylistically original, genre-defying mix of classic Russian novel, American self-help book, Soviet math textbook, sly writing manual, and, at its center, a universal story with unforgettable lessons for us all.

Savage Grace (Movie Tie-in) Wednesday Books

In the boldest and most daring book either author has ever written, Andrew Harvey and Carolyn Baker confront us with the life

and death reality of the global crisis and the fact that four crucial strategies must be employed not only to survive the dark night, but to inhabit our bodies and our lives with passionate authenticity, honesty, vigilance, community, compassion, and service. These strategies are Reconnection, Resistance, Resilience, and Regeneration. Deep and unprecedented reconnection with self, others, and Earth must be our mission, regardless of the outcome.

Distinguishing between "problems" which have solutions and "predicaments" which can only be responded to, Harvey and Baker articulate precisely how we have arrived at this unprecedented juncture and offer strategies of resistance against the fundamental enemies of humanity and the Earth. Such a response demands of us something far deeper than what conventional religions and visions of activism call for—nothing less than living and acting from the Sacred Self, both without illusion and totally committed to compassion and justice even, if necessary, in hopeless situations. With Trump,

it's as if the Titanic has hit the iceberg. We are the passengers. The only question before us, and before the whole world, is how we stop the ripping of our hull. The original Titanic sunk due to human arrogance. There is still time for us to save

ourselves with the power of humility, resistance and renewal. This book offers a compelling and profound pathway for human survival after hitting the iceberg. --Jim Garrison, Founder and President of Ubiquity

University. A powerful manual for a spiritual revolution! Read it, pray it, reflect on it, and then start acting on it...because the future of the world depends on it. --Adam Bucko, co-author of Occupy Spirituality and The New Monasticism
